Dear Mrs Hart

Yours of the 5th Inst - duly rec'd and was awfully Sorry to hear of the passing of your dear Brother yes he was a wonderful Man. But he was more wonderful as a boy, for of the Hundreds of young men that I have met in my life none of them have quite measured up with your Brother Malone in refinement. was always quiet and reserved Never a rough thing about him. Very much unlike Myself and

the average boy, of course I have reformed quite a bit.

I lived a year in Port Arthur Tex. and have visited in Dallas and Oak Cliff. I was in San Antonio Tex just before the War But I had no idea that Dr Duggan was living there. I lived Six years in Colo Springs and have met Senator Johnson. I am a Native of Ills. and have often been in Danville that is before the Dr went there to live.

My Wife and I have been living in Calif. for 20 years and like it fine, retiring from business a few yrs ago.

Mrs Hart if you ever get in Calif- please look us up, and if we get down in your part of the Country we will Certainly Call on you, We have old friends in Beaumont Tex.-

The words you wrote Mr Len the Veil is lifted is very pretty. and with the full assurance of life everlasting, Soon we shall Meet again. The loss of Earthly hopes and pleasures has brightened the ascending path of many a heart. Sincerely
