

Sunday  
12 - 13 - 64.

Dear Miss Julia: -

Was so sorry to hear of your accident. But thankful you had no broken bones. Annabelle wrote me about it.

Ed looks very well, but can hardly walk or at times talk. Eats very well. Seldom complains of his condition.

Milton Harris & his new wife seem so happy, they went down to Mr. Will's & did over the kitchen & some of the rooms. Miss Bess isn't very well, but Mr. Harris is still just like a "cricket." still goes to town - big trouble is deafness.

Hope you are feeling better and enjoy Christmas & New Year.

Truingly,  
Bessie.
