Dear Sir,

I have yours 20th & note contents. Enclosed find Inv. & B/L for Car Corn shipped yesterday amounting to $209.00 less fut. as per Express Bill which please return with your remittance. Should the fut. be the old rate will make the price 38¢ as first quoted you; I think though you'll find the fut advanced to 20¢ per 100.

Hoping everything is satisfactory I remain

Yours Truly
