Messrs. Ladd & Sons.

Eagle Pass.

Dear Sir, I forgot to speak to you
about enclosed account which you evidently
have open in your books against me.
I think there must be some mistake
about it, as I was in City of Mexico, during
Census week, before that I was in Eagle Pass
on Nov 27th when I squared up
with you. - I remember once buying a box
of Candy for Cash, but this may be some
order in my name which I know nothing
so if possible kindly enlighten me about
it. -

Yours truly

A. J. Clokey.
