Dear Sir

We have an old claim against Mr. Lorenzo Guevara, of Piedras Negras, whom you are doubtless acquainted with. It is for $2 50 Tex as represented by the enclosed note.

If you get any chance to see the party will you kindly see if anything can be made out of him.

If he has not the means at present possibly you could get a new note from him to keep the matter alive.

We will very much appreciate the favor and always holding ourselves ready to reciprocate, we remain

Yours truly
Goldfrank Frank & Co
