"Dear Anna"

Your last letter at hand
and now you have got Frank at it
well don't get too much excited over
it for Frank will find it a good
undertaking this getting a Pass.
Maggie is in as much excitement
as you are - says if she gets you
here she will try and persuade
you to stay - well we will be
ready for you and give you a
good reception, welcome indeed
and we can have a good time
Maggie says it is too good news
to be true! now Anna let us
know as soon as you can - if the
matter definitely falls through
we will try it again some time
but if it hangs on an uncertainty

we can wait until we know
positively - If you don't get started
we shall rent our house along
in June some time until we
return about Sept 1st or between
that and Oct 1st - and if we
don't get started on our trip
until July 1st we can board
outside providing we get a good
tenant - from time of renting - but
then we probably must not rent
until July 1st anyhow and we
can hear something from you by
that time or as soon as you
can hear - by renting our house
we have the care of an empty
house off our minds and \$40⁰⁰
per mth to keep out on our
summer trip - I enclose a note
to Frank please forward to him
as soon as you can - With lots of
love to all we are all well - Weather
has been more favorable to sailing at
the small Port you know "Al".

If not delivered in ten days,
return to
