for the ranch with a load of coal —

My Dear Cousin

Ella has left it to me
to answer your kind letter to her —
I should have answer sooner but —
have been very busy for the last
two weeks trade has been very good
at the store and has kept us all
busy" have made three trips to the
Spields mine lately the last time
had to use six horses to go from
the mill to ^{the} mine the snow was from
six to eight feet deep! Only been to the
ranch once since our famous
dinner of light air — and mountain
scenery Ella often speaks of how
good the buttermilk was —
Have the stockings no 9½ Ella says —
send them as soon as possible as
she has the last pair on and her

toes get cold sometimes - we are
fixed just as nice as we can be
in our front room and shall
expect a visit from you if ever
you come out to see your
Dear Sister-in-law again -

Snow Snow every where has been snow-
ing for the last week - the first train
came in from Denver on the new
rail road last evening -

the boys around the store all send
regards to you they are all going
crazy over a new mining camp
in Idaho all expect to go in the
spring - Ella wants me to tell you
she won the China tea set that
was in the show case in the store
it was raffled off New Years eve - she
threwed the highest number and won
the set.

Love to all from Ella and Ed
