👍 **The Granary Girls *Wild Roses*** (Good Grains Music 2830) Second album from the Minnesota-based duo, Patty Kalak and Jodi Ritter. Self-composed tunes as well as Tim Harrison's *Down To The River* and Billy Ed Wheeler's *Coal Tattoo*. Loads of fiddle, banjo and acoustic guitar underpin these finely observed, traditionally-flavoured songs of social conscience, love and prairie life. www.granarygirls.com
