Preachers

I was converted on the night of Sept. 11, 1896 at about 9 o'clock P.M. under a brush arbor near the Indian Creek school house. Rev. S.W. Slaughter and Rev. J. L. Clough. I was baptized in Walter Whatley's tank by Rev. J. L. Clough. (This place is called Briggs Valley now) my Grandmother, J. T. Jewell was present, also Mrs. Laura Russell. I well remember the joy that came into my heart when Jesus came and forgave me my sins. I remember how brightly the moon shone that night when Grandma Jewell, Mrs. Laura Russell & I drove slowly, in a one horse buggy, to Bro. Sledge Whatley's to spend the night (Grandmother). I remember very distinctly laying awake till late in the night, praising God and rejoicing. Oh, that everybody could be a Christian. (Josiah R. Locke)
