Dear Mrs Hart:

No I do not know Mrs Gracy well
though I have met her.

I do know Mrs Harry Valen very well
isnt she some kin?

In the Buchanan line of my grandmother
on my fathers side - I find Smiths-Gracys
and I think there must be some connection
away back in Tenn -

Mrs. Gracy Senior is a first cousin to
my sister-in-law (Maggie Pickle) Mr Lee Costley's
husband (she used to live next door to a lady in Dallas
who was kin to Mrs. ^{Dwight} Gracy (I now forget her name)
I liked her so much (a lovely woman)

I think she was a Miss Cheek?

Yes I had a nice Ymas but overdid
myself and had to go to bed with flu
so it was sometime before I could get out

With best wishes I am

Cordially yours

Budie Linens Pickle
