I got the impression from what
Mother wrote that you did not get the
papers regularly that were sent to you,
so of late I had sent very few - but
I will set them going again now so
that you may have a chance to read

while you are rest. Centennials and
Politics are the main items you will
find in them. Will try to write you

again soon - Give my love to Wright
and tell him that by 1st July I will probably
be able to give him half of a wide bed
and will keep the windows open and give
him a chance to get used to sleeping in
a house, by easy stages.

Your loving brother

Co-partnership

Theo. T. Melvin
Att'y at Law
117 Broadway
N. Y. C.

Articles of Agreement made and
entered into this Twenty first day of September
one thousand eight hundred and seventy one.
Between Herbert Reed, of East New York,
Kings County, State of New York of the first
part, and John W. Moor, of Brooklyn in
the same County and State, of the second part.
Witnesseth that the said parties hereto
have covenanted and agreed, and by these
Presents do covenant and agree to join
themselves together and to become and be
co-partners in trade upon the terms and
conditions following to wit.

First

It is hereby covenanted and agreed between
the parties hereto that the firm name of
said co-partnership shall be, Reed and Moor,
and that the business which shall be car-
ried on by said firm shall be the manufac-
turing of Reeds Bathing Powder, and the
packing of spices, and that the said busi-
ness shall be carried on and done in East
New York, in the County and State aforesaid.

Second

It is hereby further agreed that the said
co-partnership shall continue until the full
end and term of six years next ensuing the
day of the date of this Agreement.

Fourth

And in case of such dissolution aforesaid it is hereby mutually agreed that the said party of the first part is to be paid and is to receive and take the other one half of said residue of said capital after making the payments hereinbefore mentioned, and the other one half of said stock, and all the trademarks, copyrights, and the good will of said business is to become and be the property of the party of the first part.

Fifth

But in case the said party of the second part at the expiration of said one year should desire to continue said co-partnership, then it is mutually agreed between the parties that the same shall continue until the said full end and term of six (6) years from the date hereof, and in such case the party of the second part shall at the expiration of said one year pay over unto the party of the first part the sum of Twelve hundred and fifty dollars as compensation and purchase money to said party of the first part, for a full one half interest in all and singular the trademarks, copyrights, good will, and stock on hand used in said business, and the parties shall upon such payment benigmate

then and from thenceforth become and be each the owner of one half of all the assets, stock on hand, copyrights, trademarks and good will of said business, and shall each be entitled to one half of the profits made.

Sixth

And the said party of the first part hath contributed all the stock now on hand at his factory in East New York, and his copyrights, trademarks and the good will of the business now carried on by him, as capital to said co-partnership.

Seventh

And the said party hereto of the second part hath contributed the sum of Five hundred dollars in cash as capital to the said co-partnership, the receipt of which is hereby acknowledged.

Eighth

and it is hereby mutually agreed between the parties hereto that they shall each receive one half of the profits made in said business and shall each bear one half the losses. Provided however, that the party of the second part shall receive in each and every week at all events the sum of Fifteen (15) dollars, during the first year ^{after the first day of January 1872.} of the continuance of said firm, and the whole amount of said several sums of

Fifteen dollars so actually received by him shall at the end of said year be charged to the firm and deducted from the amount of profits found to be made and earned by said firm, and the said parties are not to and will not draw out of said firm any sum on account of profits whatsoever until the expiration of said one year. and if said co-partnership should continue until the full end and term of six years as aforesaid then the parties shall each be entitled to draw out the share of profits to wit. one half thereof to each, to which under this Agreement they are entitled, quarter yearly, but in no case shall the capital be infringed upon or impaired by either partner during the continuance of said firm, and upon the dissolution thereof at the end of said six years aforesaid the whole assets of every nature and kind shall be equally divided between the parties.

Now

And the said party of the first part doth hereby covenant and agree that he will use his skill, and knowledge, and his secrets of manufacture of the Articles dealt in by said firm, particularly of the manufacture of Reed's baking powder, in the busi-

ness and to the benefit of said firm.

Term

And the said party of the second part doth hereby covenant and agree that he will use his skill and knowledge, and will give the whole of his time and attention to said co-partnership business after January 1st 1872.

Eleventh

And it is hereby mutually agreed between the parties that the said party hitherto of the second part is to have entire and sole charge and control of the finances, and of all moneys, and claims belonging to said co-partnership and is alone to sign all checks, notes, or other papers binding said firm for the payment of money, by said firm, and is to have the charge and control of, and is to keep, the books of account of said co-partnership and is to make all collections of money, and he is to keep the control of and to take charge of the same.

Twelfth

And it is hereby further mutually covenanted and agreed between the parties that neither of the said parties hitherto will at any time during the continuance of said co-partnership make, sign, or endorse any note, bill

of exchange, or obligation to pay money, of
any kind whatsoever in the name of, or
on behalf of said firm.
