ALLEN COTTON SEED!

This is a LONG STAPLE COTTON, the value of which is a Commercial Fact, *Apr 6, 24* sells for from 1 to 3 cents per pound more than common cotton, same grade. Planters in this section have

Sold Their Entire Crops This Season at 11 1-4c.

All round, and some made and gathered by convict labor and others by hired labor. Refer to the Buyers and Factors of Memphis and New Orleans. Outside its superior value, as a plant, it deserves all merit,

MAKES MORE TO THE ACRE, FILLS WELL,

Is Easily Gathered From a Large Five Lock Boll,

Yet Does Not Fall Out and Waste

by bad weather. They are all the go in the Memphis Cotton District, where Improved Cotton is appreciated. Experiments this season on the Brazos River prove their equal success in Texas. Address,
