Yours of a late date at
hand & I hasten to reply
I W. Grier ^{was} a Member of C &
E of the 20th Regiment of S. C
Volunteers Under Capt Cowan
I M Keith was Colonel of the Regt
My recollection is that he was a
Member of that C & until the Sur-
render He was a Member of the
Band in that Regt but was still
a Member of C & E during his
Service in the Band
I hope the above will give satisfact^{ion}
& convince the Camp that he was
a Confederate Soldier

If further information is necessary
write me & I will take pleasure
in giving any information I can
