TO: Delegates of the 1988 General Conference

Dear Delegate,

By now you should have received the full report of the Hymnal Revision Committee to the 1988 General Conference, and have begun your study of our work.

To assist you in interpreting the report, please find enclosed an audio companion, which will introduce some of the hymns, psalms, service music and prayers contained in the proposed revision. The listing of selections, with page numbers which you may want to keep for future reference, is given on the reverse side of this letter.

Should you have any questions or comments about either the report or the audio companion, you may direct them to the Editor, Dr. Carlton R. Young, 201 8th Avenue, South, Nashville, Tennessee 37202.

I look forward to worshipping with you at the General Conference, utilizing material from the proposed hymnal and worshipbook.

Every good wish.

Sincerely,

Rueben P. Job

Hymnal Revision Committee 201 Eighth Ave., South P.O. Box 801 Nashville, TN 37202

On Jan. 2, 1987, I wrote concerning a duplicate payment for luncheon at the meeting of the Hispanic Consultation at South Gate United Methodist Church on Dec. 12, 1986.

Since I have not received a reply to this letter, I suggest that we straighten out the matter as follows:

I am submitting a new statement to take the place of the one dated Dec. 16, 1986. The church's share of the expense on this statement comes to \$40.08. I am giving check #346518 for \$40.08 to the church.

My expenses come to \$9.70. I am returning check #346514 for \$39.45 to you with this letter. Please issue me a new check for \$9.70.

I am sorry for any inconvenience this has caused your office.

Yours truly,

Gertrude C. Suppe

Hymnal Revision Committee 201 Eighth Ave., South P.O. Box 801 Nashville, TN 37202

Thank you for the two checks in payment of the expenses of the meeting Dec. 12, 1986 at South Gate United Methodist Church, 8605 State St., South Gate, CA 90280.

Unfortunately, you have made a duplicate payment for the luncheon. Mrs. Strangfield, who prepared the luncheon, charged \$4.25 per person, for a total of \$29.75. I advanced her this payment, not knowing how long the might have to wait. I included this in the part of the statement payable to me.

According to the letter of 12/23/86 from Dr. Young, the Committee paid \$5.00 per person, but included the payment in the check to the church.

Either my check should be \$29.75 less, and I will collect it from the church; or the luncheon payment should not be included in the church's payment. If the larger amount is being paid for the luncheon, either the church or I can give the difference to Mrs. Strangfield.

I will hold both checks until I here how you want to handle this matter. I enclose a copy of the original statement. Thank you,

Yours truly,

Gertrude C. Suppe

Dear Gertrude,

Thanks for your careful preparation of our work last week. It was a great meeting, and we're off to a good start with the Hispanic hymns to be included in the new hymnal.

Please find enclosed our check in the amount of \$39.45, made out to you, and an additional check in the amount of \$40.08, which is payable to Southgate United Methodist Church. This latter amount includes lunch for 7 persons.

I look forward to seeing you next month.

Cordially,

Carlton R. Young, Editor CRY/1s

Dr. Carlton R. Young Hymnal Revision Committ 201 Eighth Avenue, South P.O. Box 801 Nashville, TN 37202

Dear Sam:

Thanks again for including me in the meeting last week. I really enjoyed working on the music. I told the people who had decorated the sanctuary how much theygroup liked it, and they were very much pleased.

George Lockwood's addresses are:

Menlo Park UMC, 116 N. Westmoreland, Tucson, AZ 85705 (602) 884-0203

2755-A W. Ankham Road, Tueson, AZ 95745

Information couldn't give me a telephone number for this address. There is an answering machine at the church, according to Raquel.

I am including a bill for the local expenses, and a copy of the new second verse to "Mantos y Palmas". You remember that I discovered that my oringinal translation of this verse did not reflect what the Spanish says. I feel that the new translation is a faithful one.

I didn't get down the list of the 40 or so songs we are still considering, because I was busy with other things at that time. If I could have the list, I will try to have the primary sources (and others) of many of these songs ready for the meeting Jan. 30.

Looking forward to working with all of you then,

Sincerely,

Gertrude Suppe

P.S. Raquel's son was hurt in a car accident last night. He hit his head on the windshield and has a cut on his leg. He is in the hospital, and she wants us to pray for him.
