College Hymn.

Benediction.

O God, Our Help In Ages Past

O God, our help in ages past, Our hope for years to come, Our shelter from the stormy blast, And our eternal home.	A thousand ages in thy sight Are like an evening gone; Short as the watch that ends the night Before the rising sun.
---	---

Under the shadow of thy throne Thy saints have dwelt secure; Sufficient in thine arm alone, And our defence is sure.	Time, like an ever-rolling stream, Bears all its sons away; They fly, forgotten as a dream Dies at the opening day.
---	--

Before the hills in order stood Or earth received her frame, From everlasting thou art God, Through endless years the same.	O God, our help in ages past, Our hope for years to come, Be thou our guard while troubles last, And our eternal home! Amen
--	--

O College Mother, Beautiful

(College Hymn)

O College Mother, Beautiful,
Our hearts go out to thee
We raise our voices in a prayer
For thy prosperity.
O College Mother, Beautiful,
Long be thy life and blest,
May God crown all thy nights and days
With love and joy and rest.

O College Mother, Beautiful,
Thy skies of vaulted blue
Call to thy sons and daughters all
Forever to be true.
True to the State they love so well
The land that gave them birth,
True to their glorious heritage
The fairest land on earth!

O College Mother, Beautiful,
Thy arches and thy towers
Thy halls and roofs and corridors
For evermore are ours.
We love thy fields of cotton white;
Thy grasses and thy grains,
Thy canyons and thy terraces,
Thy fertile upland plains.

O College Mother, Beautiful,
We love thy words of truth,
Deep graven in thy brick and stone
To guide the ways of youth.
Long may thy finger point the way
That earnest youth should tread,
And may the blessings of the free
Be ever on thy head.
