

Bell's Addition to San Angelo

20
17 7-10
ACRES

Remember there are four streets, 100 feet wide, commencing at Main Street and continuing through Bell's Addition, East San Angelo, the coming residence locality. Nowhere else in San Angelo are such advantages to be had.

Size of lots are 50x272 and 50x190 feet, platted to streets 100 feet wide and 20 foot alleys.

Get a home where you can have flowers, a garden, abundance of water and fertile soil. Easy terms. Public school only few blocks distant.
