JONES PRESIDES OVER MAMMALOGISTS' MEETING

After presiding over the 54th annual meeting of the American Society of Mammalogists in Binghamton, N.Y., over the weekend, Dr. J. Knox Jones Jr., dean of the Graduate School at Texas Tech, is leading the American delegation to the International Theriological Congress in Moscow June 6-12.

Dean Jones is president of the American Society of Mammalogists. With him at the national meeting were Dr. Dillard C. Carter, associate dean of the Graduate School; Dr. Hugh H. Genoways, curator of mammals, The Museum; Dr. Robert L. Packard, professor of biology; Dr. Robert J. Baker, associate professor of biology; and research associate Ira Greenbaum.

Packard and Baker are directors of the national association and Baker is editor of feature articles for the Journal of Mammalogy and Genoways is managing editor. Jones, Carter and Packard also are chairmen of standing committees.

With Jones on the trip to Moscow as invited participants by the Russian scientists are Carter, Genoways and Baker.

MCLAUGHLIN ELECTED

Charles M. McLaughlin, associate director of The Museum of Texas Tech University, was elected president of the Texas Museums Association

HOLIDAY SCHEDULE FOR 1974-75 ANNOUNCED

The legal holidays for Texas Tech University for the 1974-75 academic year are:

Labor Day - Monday, Sept. 2, 1974

Thanksgiving Day - Thursday, Nov. 28, 1974

Christmas Day - Wednesday, Dec. 25, 1974

New Year's Day - Wednesday, Jan 1, 1975

Memorial Day - Monday, May 26, 1975

Independence Day - Friday, July 4, 1975

Johnson's Birthday - Wednesday, Aug. 27, 1975

Wednesday afternoon preceding Thanksgiving - Nov. 27, 1974

Friday following Thanksgiving - Nov. 29, 1974

Monday preceding Christmas Day - Dec. 23, 1974

Tuesday preceding Christmas Day - Dec. 24, 1974

Thursday following Christmas Day - Dec. 26, 1974

Friday following Christmas Day - Dec. 27, 1974

Monday preceding New Year's Day - Dec. 30, 1974

Tuesday preceding New Year's Day - Dec. 31, 1974

Monday of Spring Break - March 24, 1975

Friday afternoon preceding Memorial Day - May 23, 1975

REGENTS APPROVE RESOLUTIONS AFFECTING FUTURE OPERATION OF PROPOSED HOSPITAL

The Board of Regents of Texas Tech University and the Texas Tech University School of Medicine held a special meeting at the Dallas-Fort Worth Airport Friday May 31 and approved three resolutions affecting

the future operation of a proposed hospital to be constructed by the Lubbock County Hospital District.

The hospital is to be constructed south of the Texas Tech University School of Medicine and will be used by TTUSM as a teaching hospital.

Resolutions approved by the board would:

1) Allow for the construction of a Flint-type street of four traveling lanes from 19th Street at Indiana Avenue north to the Tech Freeway and then northwest and north, just east of the Medical School and Teaching Hospital to Fourth Street in the approximate vicinity of where Joliet Avenue, if extended to the north, would intersect Fourth Street. This proposed street will be a minimum of 55 feet wide with four lanes of traffic with turn lanes.

2) Provide the hospital with parking space as needed for up to 1,000 cars;

3) Provide the hospital with 20 acres of expansion space with the added provision that this area can be used for building either by the hospital district or TTUSM dependent upon mutual consent. If the university should elect to build on any of that area it would give the Lubbock County Hospital District 60 days notice during which time the LCHD could elect whether it desires to use the land for expansion. If the district elects to expand its facilities, the university would make appropriate conveyances. If the district does not elect to expand its facilities, the university could proceed with its construction plans.

TICKETS ON SALE FOR COACHES ALL-AMERICA

Tickets for the Coaches All-America football game at Jones Stadium at 7:30 p.m. June 22 have been placed on sale at the Texas Tech athletic ticket office on a first-come first-served basis. Priority for Texas Tech faculty and staff expired at the end of May.

Tickets are priced at \$7.00, \$5.00 and \$2.00. Another record crowd is expected and most of the leading collegiate football players who finished their college careers last year will participate in the nationally-televised sports spectacular.

BARNETT URGES POLICY TO CONSERVE PAPER

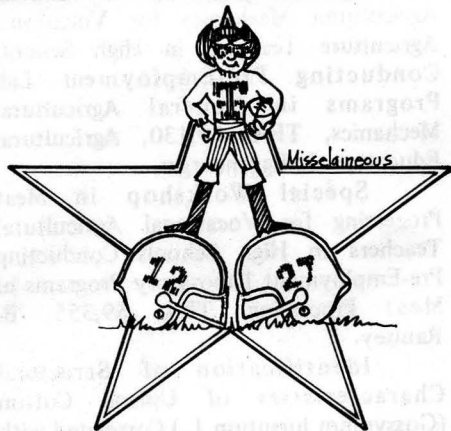

Texas Tech Executive Vice-President Glenn E. Barnett has endorsed paper conservation policies prescribed by Texas Gov. Dolph Briscoe and urges compliance on the part of all Texas Tech personnel.

Gov. Briscoe's message said "the entire country is experiencing a critical paper shortage...paper products are extremely difficult to obtain and prices have escalated."

The Governor pointed out that copying and duplicating on both sides of paper would cut costs of paper, filing and mailing by 50 per cent and binding by 90 per cent and space for filing by 50 per cent.

Dr. Barnett's five-line message was printed on an 8½ by 11 university letterhead and drew an anonymous response written at the bottom of the sheet which said, "This could have been typed on a 3x5 index card."

Editor's Note: A message on the back of a used index card would have been even better!

REQUISITIONS ASKED BY PURCHASING OFFICE

The State Board of Control is requesting all requisitions for all equipment including computer and data processing and other office equipment, farm equipment or vehicles, etc., to be paid from 1974-75 appropriated state funds to be in their office by June 15, 1974.

It is requested that you submit your requisitions to the Purchasing Office promptly to assure proper contract coverage.

Requisitions of this type to be financed from other than appropriated funds are also requested at this time. Questions should be directed to the Purchasing Office.

NEW APPOINTMENT

Mrs. Ruan Pearson was named special assistant to the Office of the President, effective April 29. Her previous experience has been with media and municipal employment.

OAS FELLOWSHIPS

Competition for advance study fellowships offered by the Organization of American States under its Regular Training Program ends June 30, and candidates for research fellowships must apply at least six months in advance of the date on which research should begin. Application forms and additional information are available from Dr. Harley D. Oberhelman, director of the Latin American Area Studies Program, 742-1197, who said application processing will be expedited to meet the June 30 deadline.

EXHIBITS

OUR ONLY WORLD, color photographs from the Environmental Protection Agency's Documerica collection -- The Museum, through June 30

TREASURE OF THE MONTH, Korean art treasures from the collection of Mrs. S.L. Kim -- The Museum

ART STUDENTS' EXHIBITION -- Art Department Teaching Gallery

BUDGET AND PERSONNEL OFFICERS FOR TTUSM

Gary R. Johnson has been appointed director of Budget and Finance and Charles Fennessy director of Personnel for the Texas Tech University Health Sciences Centers. Johnson comes from the University of California at San Diego where he was assistant to the vice chancellor for Health Sciences. Fennessy comes from the Medical University of South Carolina at Charleston where he spent a year as assistant director of Personnel Services and five years as director.

GRANTS AWARDED

Clavine Alkaloid Biosynthesis, PHS, \$11,607, Chemistry Department, J. Anderson.
Cumulants in Discrete Time Kalman Filtering and Control, ONR, \$18,316, Electrical Engineering, S. Liberty.
Characterization of Malignant Cell Variants, HEW, \$47,509, Medical School, K. Morrow.
Sorption of Organic Vapors in Polyisobutylene, Polystyrene, and Poly (4-methylpentene-1), American Chemical Society, Chemical Engineering, \$13,600, D. Bonner.
Acute and Chronic Effects of Sulfonylureas on Myocardial Contractility and Metabolism in the Presence and Absence of Ischemia and Infarction, Upjohn Co., \$15,000, Medical

School, M.Crass.
Special Workshop in General Agricultural Mechanics for Vocational Agriculture Teachers in High Schools Conducting Pre-Employment Lab Programs in General Agricultural Mechanics, TEA, \$9,130, Agricultural Education, L. Eggenberger.
Special Workshop in Meat Processing for Vocational Agricultural Teachers in High Schools Conducting Pre-Employment Laboratory Programs in Meat Processing, TEA, \$9,355, B. Ramsey.
Identification of Structural Characteristics of Upland Cotton (Gossypium hirsutum L.) Correlated with Low Incidence of Byssinosis, USDA, \$17,160, Biology, P. Morey.

Pilot Study of Land Use Classification for Portions of Lubbock County, South Plains Association of Governments, \$1,000, Park Administration, E. Fish.
Theoretical and Experimental Investigation of Buried Concrete Structures, AFOSR, \$15,000, Civil Engineering, J. Smith.
Cardiopulmonary Function of Taurine and Metabolites, American Heart Association, \$7,000, Medical School, J. Lombardini.
Investigation of Insecticides, Stauffer Chemical Company, \$750, Horticulture, C. Ward.
Zinc Bacitracin Levels in Steer Finishing Rations, Commercial Solvents Corp, \$4,480, Animal Science, L. Sherrod.

CALENDAR

(To place an event in the calendar, send data on subject, time and place to the Office of Information Services)

JUNE 5	Classes begin Panel discussion on economics, Dr. Robert Rouse, moderator, KTXT-TV, 6 p.m.	JUNE 13	"A Condition of Shadow," Jerry Rockwood in a characterization of Edgar Allen Poe, University Center ballroom, 8:15 p.m.
JUNE 7	Fine Arts Quartet (Artists Series), University Center, 8:15 p.m. "South Plains Artists" with guest photographer Jerry Rooker, KTXT-TV, 6:30 p.m.	JUNE 14	"South Plains Artists" with guest artist Rheata White of Muleshoe, KTXT-TV, 6:30 p.m.
JUNE 8	Monthly Orthopaedic X-Ray & Indications Conference, TTUSM, Drane Hall, 8 a.m. "Exploration of Earth," Moody Planetarium, 3 p.m.	JUNE 15	"Exploration of Earth," Moody Planetarium, 3 p.m. Clinical Conference (TTUSM), Rm. 169, Drane Hall, 9 a.m.-noon. Voice recital, Deborah Kerr, soprano, Rm. 1, Music Bldg., 8:15 p.m.
JUNE 9-15	Ranch Appraisal Short Course, sponsored by Dept. of Agricultural Economics, Wiggins Complex, all day	JUNE 16-20	Eminent Domain Short Course, sponsored by Agricultural Economics Dept., Wiggins Complex, all day
JUNE 9	Ranch Headquarters tours, The Museum, 2-4:30 p.m.	JUNE 16	Ranch Headquarters tours, The Museum, 2-4:30 p.m. "Exploration of Earth," Moody Planetarium, 3 p.m.
JUNE 10	"Exploration of Earth," Moody Planetarium, 3 p.m. "Blacks: A Closer Look," KTXT-TV, 6 p.m. "The Durango Project," KTXT-TV, 6:30 p.m.	JUNE 17-21	Museum's historical costume collection, KTXT-TV, 4:30p.m.
JUNE 10-11	Conference on Longitudinal Methodology, sponsored by Research & Training Center in Mental Retardation, Textile Research Center, 1:15 p.m. daily	JUNE 17	World Nutrition Workshop, Home Economics Bldg. "Blacks: A Closer Look," KTXT-TV, 6 p.m. "Autistic Children," KTXT-TV, 6:30 p.m.
JUNE 10-21	Summer Orchestra Camp, Music Bldg., all day	JUNE 18	Flute recital, Mary Cauble, Rm. 1, Music Bldg., 8:15 p.m. "Water for the Southwest," KTXT-TV, 6:30 p.m.
JUNE 10-14	"The Chicken Little Comedy Show, Part 2" (video tape), University Center, all day	JUNE 19	Theresa Treadway-Carroll, mezzo-soprano (Affiliate Artist), University Center Ballroom, 8:15 p.m. Movies: "House of Wax" and "Comedy of Terrors," Stangel-Murdough Pit, 9 p.m.
JUNE 10-29	Applied Linguistics & Methodology Short Course Foreign Languages-Mathematics Bldg., 1:20 - 4:20 p.m. daily		
JUNE 11	"Open Door to Education: Project L.E.A.P. KTXT-TV, 6:30 p.m.		
JUNE 12	Movie: "The Reivers," Stangel-Murdough Pit, 9 p.m.		

NOTABLE QUOTES

"Only he deserves power who every day justifies it." - Dag Hammarskjold.
Submitted by Dr. Karl Selin, Visiting Professor of Electrical Engineering, who will receive from FYI a campus photo suitable for framing.

VOL. 5, NO. 2, JUNE 19, 1974

VISITING UNIVERSITY PROFESSOR CHOSEN

Dr. Frederick H. Hartmann, special academic advisor to the president of the Naval War College, Newport, R. I., has been appointed a Visiting University Professor at Texas Tech in the Department of Political Science for the 1974-75 academic year.

Hartmann also is the Alfred Thayer Mahan Professor of Maritime Strategy at the Naval War College. He will teach at least one course in international relations or U.S. foreign policy in the Department of Political Science each semester and "because of the broad interests of Prof. Hartmann in international politics and foreign policy, he should be an invaluable resource person for lectures, consultation, etc., in these areas for the university as a whole," said Dr. Jack W. Hopkins, professor and chairman of the Department.

GRANTS AWARDED

Teaching Public Sector Collective Bargaining to Northern Texas Unions and Managements, USDL, \$24,698, Business Administration, D. Barnum.

The Development of a Sorbent Dispersal, Retrieval and Incineration System Using Cotton Wasties to Combat Oil Pollution, US Coast Guard, \$89,219, Chemical Engineering, J. Halligan.

Fault Analysis in Electronic Circuits and Systems, ONR, \$20,000 Electrical Engineering, R. Saeks.

West Texas Regional Alcoholism Training Program, Texas Commission on Alcoholism, \$67,394, Psychology Department, D. Chatfield.

Utilization of Cottonseed Concentrate Produced by a Liquid Cyclone Process, Plains Co-op, \$3,000, Food and Nutrition, M. Harden.

Range and Wildlife Management Research in South Texas, P.H. Welder Foundation, \$4,800, Range and Wildlife Management Department, B. Dahl.

DEVELOPMENT GRANTS

Patrick H. Welder, Victoria, \$4,800, Range and Wildlife Management research in South Texas.

Dr. Clara Tucker, Baton Rouge, La., \$10,002.33, Endowed Graduate Fellowship, Home Economics.

American Chemical Society, Washington, D.C., \$7,600, Research-Sorption of Organic Vapors.

50TH ANNIVERSARY CALENDAR PLANNED

A special calendar of 50th Anniversary events for the 1974-75 year is being prepared for publication. If any segment of the university complex is planning an activity which will be designated a 50th Anniversary event, notice should be given the Office of Information Services which keeps the official calendar listing. Cards for listing calendar events may be obtained by telephoning Information Services, 2-4136.

GOOD TICKETS AVAILABLE

Prospects are that another record crowd will attend the Coaches All-America football game at 7:30 p.m. Saturday, June 22, in Jones Stadium.

However, there are still available choice tickets on the west side of the stadium (the shady side) at \$7.00, according to the Texas Tech University ticket office. Other tickets are available at \$5.00 and \$2.00.

JY RANCH BUNKHOUSE TO BE DEDICATED

The JY Ranch bunkhouse, built in the late 19th Century to serve the Masterson spread in King and Knox counties, will be dedicated in Ranch Headquarters ceremonies at 11 a.m. Saturday, June 22.

The historic rock bunkhouse will stand as one of 20 buildings authentically restored at the Ranch Headquarters adjacent to The Museum of Texas Tech University.

John F. Lott will make the dedication and R.B. Masterson III of Guthrie will make the response for the Masterson family. He is the grandson and namesake of R.B. Masterson Sr., and he will use his father's pocket knife to cut the leather thong to open the bunkhouse for public viewing. Ed Lowrance of San Antonio purchased the King County land on which the bunkhouse was built and donated the structure to the Ranch Headquarters. Moving and restoration were made possible by a \$15,000 memorial gift from descendants of R. B. Masterson Sr.

1974-75 DIRECTORY

Check lists containing names and numbers for the faculty and staff listings in the 1974-75 Campus Telephone Directory have been mailed to deans, department chairmen and campus offices.

Promptness in returning these to the Office of Information Services will help to insure accurate and complete coverage of departments in the forthcoming book. The deadline for accepting additions and revisions to the Faculty and Staff Section is July 19.

YEAR-END PROCEDURE FOR REQUISITIONS ANNOUNCED BY BOARD OF CONTROL

The State Board of Control has requested the following YEAR-END PROCEDURE for submitting requisitions:

Fiscal Year-1974 (current year)
State Board requisitions must reach the Board of Control by July 17 to enable the Board to process all orders by August 31. Any requisitions reaching that office after that date will be assigned Fiscal Year-1975 order numbers.

Fiscal year-1975 (new year)
requisitions may be submitted to the Board any time prior to September 1, 1974, for purchases to be delivered and invoiced after September 1, 1974.

Equipment rental orders are not automatically renewed at the end of the fiscal year. Fiscal Year-1975 open market requisitions and/or contract orders for rentals must be submitted to and processed by the Board of Control prior to the beginning of the new fiscal period.

It requested that all requisitions be submitted to the Purchasing Office promptly to assure placement of all orders.

Requisitions of this type to be financed from other than appropriated funds are also requested at this time.

Questions should be directed to the Purchasing Office.

SUMMER REPERTORY TICKETS AVAILABLE

A special season ticket rate of \$5 is available to members of the faculty and staff for the summer repertory to be performed at the University Theatre.

The presentations will be performed in a specially constructed intimate theatre arranged entirely on the stage area of the University Theatre. The three-quarter-round arrangement will be used.

The programs begin June 28 and will continue through July 12. The productions will be "Bus Stop," "My Three Angels," and "The Roar of the Greasepaint-The Smell of the Crowd."

AMANDES TAKES LEAVE

Law School Dean Richard B. Amandes will take a year's leave of absence for the 1974-75 academic year. Prof. Richard Hemingway will serve as acting dean while Amandes serves as a visiting professor at Gonzaga University School of Law in Spokane, Wash., and at Southwestern University School of Law in Los Angeles. Dean Amandes also plans to complete some writing with a co-author, Superior Court Judge George Revelle of Seattle.

ENROLLMENT DECLINES

The enrollment for the first term of the summer session at Texas Tech showed a decline of 320 from last year's figure.

The official 1974 first summer term total is 8,013 as compared to 8,333 for last year.

EXHIBITS

OUR ONLY WORLD, color photographs from the Environmental Protection Agency's Documerica collection -- The Museum, through June 30

TREASURE OF THE MONTH, Korean art treasures from the collection of Mrs. S.L. Kim -- The Museum

ART STUDENTS' EXHIBITION -- Art Department Teaching Gallery

RESTORATION-PRESERVATION CONFERENCE JUNE 21-22

A regional conference on historic preservation and restoration will be held at The Museum of Texas Tech University June 21-22 by the Texas Historical Commission and the Ranch Headquarters.

It is the first conference of its kind to be held by the commission outside the Austin area. It will deal not only with the importance of America's western frontier but also with the detail of craftsmanship in restoration.

It is open to the public at a pre-registration fee of \$17.50, including a chuckwagon lunch, a company supper and prairie party.

FACULTY PAPERS

Dr. B. J. Fallon, associate dean for Graduate Studies, "The Art of Followship (What Happened to the Indians?)"

Dr. B. J. Fallon, "Study Your Way to Success in College!"

Dr. B. J. Fallon, "200 Tips to Students on How to Study."

WORKSHOP SCHEDULED ON STATUS OF WOMEN

Dr. Rocco Errico of San Antonio, an internationally known teacher and scholar of Aramaic--the Language of Jesus--will be one of the speakers at "The Constitutional, Social and Political Status of Women" summer workshop at Texas Tech July 16-20.

Another headliner will be Rep. Sarah Weddington, an Austin attorney and the first female state representative from Travis County.

The workshop will be offered by the Home Management Section of the College of Home Economics.

Dr. Errico's address will be delivered the night of July 17 and it is open to the public. Dr. Jane Coulter, home and family life professor, is coordinator of the workshop.

LIBRARY HOURS

The University Library will be open this summer during the following hours:

Monday through Thursday, 8 a.m. to 11 p.m.

Friday, 8 a.m. to 5 p.m.

Saturday, 8 a.m. to 2 p.m.

Sunday, 2 to 11 p.m.

DANFORTH ASSOCIATES

Dr. and Mrs. J. Wilkes Berry have been named Danforth Associates at Texas Tech. They were among 144 college and university faculty members and their spouses appointed Danforth Associates this year.

"The program serves to encourage the humanizing of the educational process in colleges and universities," said Robert Rankin, vice president of the foundations.

ORDER OF THE COIF APPROVED FOR TECH

The Texas Tech School of Law has been approved for a chapter of the Order of the Coif, the only national legal honor society in the United States.

The school becomes the 56th of the nation's 175 law schools to be approved for a chapter and the third in Texas. Law Prof. J. Hadley Edgar directed the preparation of the petition for membership in the society.

CALENDAR

(To place an event in the calendar, send date on subject, time and place to the Office of Information Services)

JUNE 19-20 Annual School Business Services Workshop, University Center, all day.

JUNE 19 Panel discussion on economics, Dr. Robert Rouse, moderator, KTXT-TV, 6 p.m.
Movies: "House of Wax" and "Comedy of Terrors" Stangel-Murdough Pit, 9 p.m.
"Housing in East Lubbock," Alvin Alleyne, host, KTXT-TV, 9 p.m.

JUNE 20-21 Second Topical Conference on RF Plasma Heating, Law School, all day.

JUNE 21-22 Seminar: Ranch Architecture & Interiors, The Museum, all day Friday & until noon Saturday

JUNE 21 Summer Orchestra Camp concert, University Center, 7:30 p.m.
South Plains Artists, John Lacy, host, KTXT-TV, 6:30 p.m.

JUNE 22 JY bunkhouse dedication, Ranch Headquarters, 11 a.m.

"Exploration of Earth," Moody Planetarium, 3 p.m.

JUNE 23 Ranch Headquarters tours, The Museum, 2-4:30 p.m.

"Exploration of Earth," Moody Planetarium, 3 p.m.

JUNE 24-28 "The Chicken Little Comedy Show, Part 3" (video tape), University Center, all day

JUNE 24-28 Workshop: Nutrition & the Adolescent, Home Economics Bldg.

JUNE 24-28 Workshop: Magazine Layout & Design, Journalism Bldg., 8 a.m. to 5 p.m. daily

JUNE 24 - Workshop: Career Education, College of Education

JULY 12 Rm. 354, B.A. Bldg. 9 a.m. to noon daily

JUNE 24 - Workshop: Techniques of Supervision, Home Ec. Education, The Museum, 9 a.m. - noon daily

JULY 12 "Time's Lost Children," film concerning the autistic child, KTXT-TV, 6:30 p.m.

JUNE 24 Theresa Treadway-Carroll, mezzo-soprano (Affiliate Artist), Lubbock City-County Library, 3 p.m.

JUNE 25 "Open Door to Education: Bilingual Education," KTXT-TV, 6:30 p.m.

JUNE 26 Movie: "Sometimes a Great Notion," Stangel-Murdough Pit, 9 p.m.

JUNE 28 "South Plains Artists," John Lacy, host, KTXT-TV, 6:30 p.m.

"Bus Stop," University Theater, 8:15 p.m.

JUNE 29 "Exploration of Earth," Moody Planetarium, 3 p.m.

"My Three Angels," University Theater, 8:15 p.m.

JUNE 30 Ranch Headquarters Tours, The Museum, 2-4:30 p.m.

"Exploration of Earth," Moody Planetarium, 3 p.m.

"The Roar of the Greasepaint -- The Smell of the Crowd," University Theater, 8:15 p.m.

JULY 1 "Bus Stop," University Theater, 8:15 p.m.

JULY 2 "H.M.S. Pinafore," dinner theatre, University Center, 6:30 p.m.

"My Three Angels," University Theater, 8:15 p.m.

JULY 3 "H.M.S. Pinafore," dinner theatre, University Center, 6:30 p.m.

"The Roar of the Greasepaint -- The Smell of the Crowd," University Theater, 8:15 p.m.

NOTABLE QUOTE

"Character is that which reveals moral purpose, showing what kind of things a man chooses or avoids ... Character determines men's qualities, but it is by their actions that they are happy or the reverse." -- Aristotle

VOL. 5, NO. 3, JULY 3, 1974

"PINAFORE" CONTINUES THROUGH SATURDAY

Final performances will be July 3, 5 and 6 for the Music Theatre's production of "H.M.S. Pinafore," the Gilbert and Sullivan operetta which is being presented as a dinner theatre attraction in the University Center ballroom.

A buffet-style dinner is being served, beginning at 6:30 p.m., with performances starting at 8 p.m. Tables may be reserved, if desired, for groups of six to eight persons. Tickets are \$3.95 each, including buffet. They are on sale in the University Center or may be reserved by calling 742-4151.

MANNING IN SPAIN

History Prof. Thomas G. Manning of Texas Tech will address the fifth Scientific Symposium of the International Committee on the History of Geological Science.

CREDIT UNION DECLARES DIVIDEND FOR HALF-YEAR

The Texas Tech Federal Credit Union has declared a dividend rate of 6 1/4 percent for the first six months of 1974. The credit union serves all members of the staffs and faculties of Texas Tech University and Lubbock Christian College and their immediate families.

SHORTAGE OF CYLINDERS

All suppliers of liquid and compressed gas point to a critical short supply of cylinders, according to the Office of Accounting and Finance. New cylinders ordered from the manufacturer cannot be delivered in less than 18 months.

This, coupled with normal cylinder loss due to age, failure to pass test, and other factors, has caused a very serious need for users to return empty cylinders if service is to be sustained.

Some suppliers have reduced their free time while others are threatening to withhold delivery of a cylinder unless an empty can be picked up.

Prompt return of empty cylinders will not only help to insure uninterrupted service but also will save demurrage charges against your account.

For proper credit to your account, cylinders should move in and out through the Central Warehouse.

MURRAY REAPPOINTED BY NIXON TO SECOND TERM ON SCIENCE BOARD; CONFIRMATION AWAITED

President Richard Nixon has reappointed Texas Tech University President Grover E. Murray to a second six-year term on the National Science Board. The only other Texan reappointed was Dr. Norman Hackerman, president of Rice University.

The appointments are subject to confirmation by the Senate. Appointments to membership on the board usually are limited to one six-year term.

The National Science Board is the policy making body for the National Science Foundation. The Foundation has an annual budget of more than \$700 million which is allocated to individuals, corporations, businesses, universities, and other groups who are expected to advance the quality of life through contributions of new knowledge in science and technology.

Upon notification of his reappointment, Dr. Murray expressed the view that America's scientific and social problems, including the energy crisis, pollution and transportation, can be solved by good management and a better application of science and technology than the nation has had in the past.

"I express great confidence that the National Science Board will move ahead aggressively with its intention to survey the total range of research now underway in this nation," Dr. Murray said, explaining that such a survey would

PERSONNEL CHANGE

Mrs. Raul (Margarita) Gutierrez's employment as a secretary in the Office of the President will begin July 8. She will succeed Mrs. Ray (Austella) Berry whose resignation will become effective later this month.

REGISTRATION FOR SECOND SUMMER TERM JULY 15

Registration for the second summer term at Texas Tech University is scheduled for July 15 in the Coliseum. Faculty registration workers are requested for duty from 7:15 a.m. to 6:15 p.m.

Registration materials for the second summer term are being distributed from the second floor conference room of West Hall. The materials include permits, student schedule cards, and deans' instructions.

Second summer term classes begin on the morning of July 16. The second term ends Aug. 24.

DODSON NAMED TO BOARD

Carlton B. Dodson, Texas Tech University's resident legal counsel, has been elected to the Executive Board of the National Association of College and University Attorneys. Dodson attended the national conference of the organization in Chicago last week.

be useful in the management, coordination of efforts and exchange of information.

"The Foundation has the responsibility for much of the nation's program of basic research," Murray said, "but in addition the Board has the responsibility of evaluating the state of science in this nation and the relationship of the United States' status to that of scientific communities of other nations."

DEFERRED COMPENSATION PROGRAM NOW AVAILABLE

The initial open enrollment for the Deferred Compensation Program for Texas Tech employees will be conducted during the month of July, according to the Personnel Office.

This voluntary program was approved by the 63rd Legislature and is offered as a supplement to existing benefit programs such as the Teacher Retirement System, Optional Retirement Program and Tax-Sheltered Annuity Program, said Charles B. Strawn, Director of Personnel.

A major difference between the tax sheltered annuity program and the deferred compensation program, he said, is that the former limits the amount of monthly salary that may be tax sheltered to approximately 20 per cent whereas the latter will allow almost 100 per cent.

Both programs defer tax until benefit payments are received; both are in addition to a retirement program; both offer fixed and variable annuity options and both reduce monthly take home pay by the amount of contribution to the program.

Employees who enroll by July 31, 1974, will be included in this program effective Sept. 1. Application forms must be received in the Payroll Section, Room 42, Administration Building no later than 5 p.m. Wednesday, July 31. Texas Tech will schedule a second enrollment this fall with a November 30, 1974, deadline.

If you wish additional information concerning this program, complete the interest card which is being mailed to you by the Personnel Office and return it to that office, Room 42, Administration Building.

JOBS FOR PROGRESS

The Personnel Office announces that 15 trainees in the Jobs for Progress, Inc., program are now working in various offices on the Texas Tech University campus. They are not employees but are gaining work experience to complement training in office skills offered by Jobs for Progress, Inc. The training program began June 27 and lasts about two weeks. This is a cooperative effort to assist disadvantaged persons. Included are 11 Mexican-Americans, three Blacks and one Oriental.

CALENDAR

		JULY 17	Movie: "On A Clear Day You Can See Forever," Stangel-Murdough Pit, 9 p.m.

UNIVERSITY CALENDAR

Faculty and staff members are reminded that it is the responsibility of the sponsoring agencies to see that events are recorded on the University Calendar which is maintained by Information Services.

Scheduled events should be submitted to Information Services in writing as far in advance as planning will permit. The form printed in this issue of FYI may be used, and calendar cards in the same form will be distributed soon to department chairmen for use in placing events on the calendar.

Before selecting dates for an event, individuals may phone Information Services (2-4136) to learn what conflicts might occur on the dates chosen.

The university calendar is published on a continuing basis in FYI, and the publication of semester calendars is planned for August and January. Many events have already been scheduled for the fall of 1974 and for next year and early listing is encouraged to avoid conflicts.

A calendar listing does not provide facilities, funds, approval or permission for an event. These must be arranged through regular channels of responsibility.

It is the responsibility of the sponsor to coordinate an event with the Office of the President whenever the President's participation is appropriate.

Please complete and return to the Office of Information Services.

For Your Information

A Newsletter to the Faculty and Staff of the TEXAS TECH UNIVERSITY COMPLEX

Published the first and third Wednesdays of each month by the Office of Information Services, 220 Administration Building. Special editions published when required. Items should be submitted before 9 a.m. on the Friday preceding the week of publication.

VOL. 5, NO. 4, JULY 24, 1974

REGENTS MEETING IN AMARILLO

Regents of Texas Tech University and the Texas Tech University School of Medicine will meet Aug. 2 at 8:30 a.m. in the Pavilion of the Amarillo Medical Center. Following a morning Board session there will be groundbreaking ceremonies for the TTUSM Panhandle Regional Area Health Education Center.

YEAR-END PROCEDURE FOR SPOT AND STATE CONTRACT REQUISITIONS

In order for all Spot and State-Contract requisitions to be processed before the end of the year, the Purchasing Office must have all requisitions for the current budget, expiring August 31, 1974, in its office no later than August 12, 1974.

Any requisitions received after that date will be assigned a 74-75 budget order number.

MAMMALOGISTS TO MEET AT TEXAS TECH IN 1976

The 1976 annual convention of the 3,800-member American Society of Mammalogists will be conducted at Texas Tech University. Dates for the session are June 20-23 of that year, according to Dr. J. Knox Jones Jr., dean of the Graduate School at Texas Tech and the retiring president of the society.

The Texas Tech meeting of this oldest and largest society in the world devoted to the study of mammals is its second to be held in Texas. The mammalogists met at Texas A&M University in 1970.

DOYLE WILLIAMS HONORED

Dr. Doyle Z. Williams, professor of business administration and coordinator for the Area of Accounting in the College of Business Administration, has received the Outstanding Chapter President's Award of the Texas Society of Certified Public Accountants (CPA).

The award was in recognition for his service as president of the Lubbock chapter of the Texas Society of CPAs, 1973-74, and for "outstanding achievement and contribution to the accounting profession."

ANNIVERSARY CALENDAR

A special Calendar of 50th Anniversary Events, 1974-75, is being compiled and will be published by the 50th Anniversary Activities Committee through the Office of Information Services Publications Bureau. Any significant event related to Texas Tech University can be submitted for listings on this calendar, but none can be accepted for listing after Aug. 2. Listings should be submitted—in writing with the name of the event, the location, the time, and the sponsors listed with their telephone numbers—to Information Services, Campus.

FOOTBALL TICKETS

All single game tickets, for football games at home or away, will go on sale Aug. 5 at the Athletic Ticket Office which is open from 9 a.m. to 6 p.m. Monday through Friday, Saturdays 9 a.m. to 12 noon.

All persons who have an Addressograph campus listing will receive information soon after Aug. 15 regarding season tickets. Those eligible for faculty and staff rates may order season tickets to be picked up after Sept. 1 at the Ticket Office, according to Ticket Office Manager Ruth C. Sturtz.

SUMMER REGISTRATION AT 6,129; MORE COMING

A total of 6,129 students had registered for the second summer term at Texas Tech July 22, but the figure was expected to be increased by students enrolling in the Texas Tech University Center at Junction.

Enrollment for the second summer term last year was 6,220. The term ends Aug. 24 and the fall semester officially begins Aug. 27, with registration scheduled to begin Aug. 28.

KRISTIANSSEN HONORED

Dr. Magne Kristiansen of the electrical engineering faculty has been awarded a North Atlantic Treaty Organization (NATO) Senior Fellowship in Science.

One of 40 such fellowships, it will allow him to study during the summer of 1975 at two of Europe's major plasma research centers, one in Germany and the other in France. He will return to Lubbock in time for the 1975 fall semester.

EARLY REGISTRATION CONFERENCES GOING

More than 3,600 entering freshmen, most of them accompanied by one or more parents, will register for the fall term at Texas Tech University during the six early registration conferences.

The first of the two-day conferences began this week and they will continue at the rate of two a week through Aug. 9. They are scheduled for Tuesdays and Wednesdays and Thursdays and Fridays of each week for three weeks.

They are being conducted in Hulen-Clement residence halls with housing for the students and parents in the Wiggins Complex.

TECH DADS MEET TO SET GOALS

Goals, plans and current projects were topics of discussion at the annual summer meeting of the executive committee of the Texas Tech Dads Association July 15 in the School of Law building.

A goal for a 15 per cent membership increase for next year; dates for Dads Day through the next four years; and plans for this year's Dads Day Oct. 19, were set.

Nearly one-third of the necessary monies have been pledged or received in the association's Endowment Fund for Scholarships Drive, the committee was told. Plans were discussed for a multi-phase continuation of the drive.

NEW OFFICERS ELECTED BY FOUNDATION BOARD

The Texas Tech University Foundation Board of Directors has elected Willard Paine, president of the Bank of the West, as chairman for the coming year, succeeding A. C. Verner, president of the First National Bank, who held two terms.

Lubbock oilman R. P. (Bob) Fuller was named vice-chairman and Edward R. Smith, Lubbock attorney, was re-elected secretary.

The Foundation directors heard reports by Texas Tech President Grover E. Murray and Dean of Engineering John R. Bradford and toured the Textile Research Center at the June 27 meeting.

PURCHASING DIRECTOR

Gerald L. Pyle, former director of the Purchasing Department at the University of Texas System Cancer Center at M. D. Anderson Hospital and Tumor Institute in Houston, has been appointed director of Purchasing for the Texas Tech University Health Sciences Centers.

He also has worked as business manager and administrative assistant in the Department of Surgery at the University of Wisconsin at Madison.

GRANTS AWARDED

Solid waste use for energy generation, Governor's Energy Advisory Council, \$16,500, Chemical Engineering, Jim Halligan

Identification and evaluation of deaf-blind retarded, TEA, \$21,000, Research and Training Center in Mental Retardation, G. Bensberg

New approaches to real problems for local governments, Coordinating Board, \$46,000, Educational Television, D. M. McElroy

Research into the uses and holding patterns of land in the urban-rural fringe areas of Texas cities, State Board of Control/Texas A&M, \$10,000, Agricultural Economics, T. Bell

Project Next Step, Merck Co., Foundation, \$20,000, College of Education, J. Dyson

An engineering analysis of the respiratory and total dust problems associated with cotton textile processing operations, Cotton, Inc., \$9,000, Chemical Engineering Department, B. Bethea

The initiation and development of the cotton fiber, Cotton, Inc., \$5,000, Biology Department, J. Berlin

Improving production potential and efficiency of beef cows, Plains Co-op Oil Mill, \$2,875, Animal Science Department, L. Thompson

Second topical conference on RF plasma heating, Atomic Energy Commission, \$2,000, Electrical Engineering Department, M. Kristiansen

Changing mating patterns among the Papago Indians, NIH, \$34,948, Anthropology, N. Lamb

Research and Training Center in Mental Retardation, HEW, \$158,771, G. Bensberg

Allied Health Advanced Traineeship grant program, HEW, \$28,400, Food and Nutrition Department, S. Yang

The use of prescribed fire in habitat management for quail in Mesquite-Tobosa plant communities, USDA, \$10,000, Range and Wildlife, H. Wright and J. Flinders

Movement of people from urban to wildland areas, USDA, \$5,000, Industrial Engineering and Park Administration, C. Burford and J. Mertes

Establishment of environmental tree and shrub plantings on critical sites in urban recreation areas, USDA, \$5,000, Agronomy Department, R. Stevens, R. Fewin, B. Allen

An evaluation of two coyote census techniques, Department of Interior, \$7,000, Range and Wildlife, D. Quinton

Interactions between DNA and skin-sensitizing coumarins, HEW, \$11,143, Chemistry Department, P. Soon-Song

Synovial fluid lysosomal glycosidases as a method for the evaluation of inflammatory joint disease, Smith Kline Foundation, \$9,884, Medical School, B. Bartholomew

Predoctoral medical preceptorship grant, HEW, \$6,183, Medical School, L. Wolcott

Instructional scientific equipment program, NSF, \$1,400, Industrial Engineering, S. Panwalkar

Instructional scientific equipment program, NSF, \$8,100, Electrical Engineering, J. Prabhakar

Extending rehabilitation services to the multiply handicapped, HEW, \$50,798, Research and Training Center, G. Bensberg

College library resources program, --Title II, HEW, \$4,235, Library, R. Janeway

Prenatal parent education and family relations, HEW, \$15,614, Psychology Department, R. Cogan

Family medicine training grant program, HEW, \$315,164, Medical School, S. Garrett

Defense plasma heating and radiation generation, AFOSR, \$3,758, Electrical Engineering, M. Kristiansen

Health professions start-up assistance grant program, HEW, \$520,000, Medical School, R. Lockwood

Evaluation of EL 917 for feedlot performance, Eli Lilly & Company, \$3,750, Animal Science, L. Sherrod

VOL. 5, NO. 5, AUG. 7, 1974

TTUSM REGENTS BREAK GROUND FOR ACADEMIC CENTER IN AMARILLO

Regents of the Texas Tech University School of Medicine broke ground Friday, Aug. 2, for a Panhandle Regional Academic Health Center building to be located within the Amarillo Medical Center, between High Plains Baptist Hospital and the Psychiatric Pavilion.

The building will house the extension of the Texas Tech University Health Sciences Centers to the Panhandle region and serve as a focal point for the educational efforts of TTUSM in its affiliated institutions throughout the Panhandle. Work will include clinical training for junior and senior medical students and for residents. As a multipurpose facility, it will complement and supplement existing health education efforts in the region. It was designed to meet regional needs in medical, nursing and allied health education and to provide a place for continuing education support for health care professionals.

Prior to the groundbreaking, regents accepted the gift of 5.2 acres of land on which the building will be constructed. The gift was made by the Amarillo Area Foundation.

Regents awarded the contract for the building to Reid and Gary Strickland Company of Amarillo. The facility is to be completed within about 18 months at an approximate cost of \$1.5 million.

At the meeting TTUSM regents also:

Approved a revised Medical Service, Research and Development Plan for the Texas Tech University School of Medicine;

Approved affiliation agreements with Highland Hospital, West Winds Care Center and Lakeside Nursing Homes, all of Lubbock, Medical Center Hospital of Odessa and Ralls Nursing Home in Ralls, and authorized the board chairman to execute a contract with R.E. Thomason General Hospital in El Paso, continuing its affiliation agreement with TTUSM beyond Aug. 31;

Heard a report from Dr. George S. Tyner who commented that students are admitted to TTUSM on the basis that balances cognitive data with humanistic values, that a common factor among students having difficulty with first year studies was a gap of time between their last college work and the date on which they entered medical school, and that 17 per cent of TTUSM's student body represents minority ethnic groups and 22 per cent are women -- both percentages above the national average for medical schools.

Regents were the guests of the Amarillo Chamber of Commerce at a reception the evening of Aug. 1 and guests of the Amarillo Area Foundation at a luncheon Aug. 2.

REGENTS ELECT NEW OFFICERS

Clint Formby, a Texas Tech alumnus of Hereford, was elected to succeed Bill E. Collins of Lubbock as chairman of the Texas Tech Board of Regents at the board's meeting Friday, Aug. 2, in Amarillo. Dr. Judson Williams of El Paso was elected to succeed Formby as vice chairman. Collins had served two terms as chairman and a resolution expressing appreciation for his services was passed unanimously.

GEORGE S. TYNER NAMED TTUSM DEAN

George S. Tyner, M.D., has been named dean of the Texas Tech University School of Medicine with the appointment made effective Aug. 5. President Grover E. Murray made the announcement.

Dr. Tyner succeeded University Prof. William W. Frye, M.D., who consented in May 1973 to serve until the appointment of a new dean.

Dr. Tyner, an ophthalmologist, had been serving as associate dean for education and student affairs within the medical school.

He has been a member of the TTUSM faculty since 1971, the year before the first students were admitted. His prior academic appointments were with the University of Pennsylvania and the University of Colorado medical schools. At Colorado he was associate dean of the School of Medicine and assistant to the university's vice president for Medical Affairs.

He received his bachelor's and M.D. degrees from the University of Nebraska in his home state. His graduate work and residency were performed at the University of Pennsylvania Medical School.

University Professor Frye, who very capably and ably served as dean during the search period, will continue in a viable role with Dean Tyner and Dr. Richard A. Lockwood, vice president for Health Sciences Centers, said Dr. Murray.

ABEL NAMED DIRECTOR OF INFORMATION SERVICES

Wallace Abel has been named director of the Office of Information Services and a member of the Mass Communications Department faculty.

Abel's career has spanned corporate public relations, newspaper work, magazine writing, college teaching and consulting. His appointment was announced by Dr. Clyde E. Kelsey Jr., vice president for Development and Information Services.

Bea Zeeck, who has been serving as interim director, and Jerry D. Kelly, manager of the Information Services Publications Bureau, have been named assistant directors.

UNIVERSITY REGENTS APPROVE GENERAL STUDIES DEGREE PROGRAMS

The Texas Tech University Board of Regents, meeting Friday, Aug. 2, in Amarillo approved two new degree programs offering bachelor's and master's degrees in general studies. Both programs will be forwarded for consideration by the Coordinating Board, Texas College and University System.

The programs are expected to appeal to students seeking broad academic opportunities and more flexibility in their studies. The Graduate School will administer the master's degree program and the College of Arts and Sciences the bachelor's degree program if they meet the approval of the Coordinating Board.

Regents also:

Approved a contract which will provide irrigation water for the Texas Tech University Center at Amarillo, allowing the center to take up to 4.5 million gallons of treated sewage effluent per day from the city of Amarillo and Iowa Beef Processors, Inc., at a price varying with the commodity market and with the costs expected to be covered by increased productivity of the land;

Accepted the \$710,167 bid of M.W. Turner Construction Company for renovation within the Agriculture, Animal Science and Agricultural Engineering buildings;

Gave authorization to receive bids on renovation and air conditioning for instructional space within the Administration Building, to serve the needs of the College of Education;

Gave authorization to receive bids for Phase II of university greenhouses construction;

Approved a master plan for the development of centralized facilities at the university's Lubbock County farm and gave authorization to proceed with working drawings for the site and for new buildings;

Named Tisdell and Adling, Lubbock architects and engineers, as project architects for the development of plans and specifications for the Home Economics Building addition Phase II;

Approved the retention of the firm of Carter and Burgess Engineers of Fort Worth to study and recommend the routing of a new access road by the Lubbock County Hospital and the School of Medicine from the Tech Freeway northward to 4th Street and to determine the safest and most efficient plan, and agreed to pay the cost of the study;

Approved, pending a review of insurance, an agreement with Ski Lubbock Sports to teach skiing for credit;

Approved, with minor amendments, the 1974 Student Code.

GRANTS AWARDED

Efficacy of furazolidone in the prevention of bacterial enteritis as reflected in growth and feed conversion in swine, Norwich Pharmacal Company, \$10,035, Animal Science, L. Tribble

Personal property taxation of cattle in West Texas feed lots, Texas Cattle Feeders Association, \$800, Agricultural Economics, J. Graves.

Operation of a center for the development of home economics instructional materials, TEA, \$52,098, Home Economics Education, C. Bell

Special workshop for teachers of

coordinated vocational-academic education and home economics vocational education for the handicapped, TEA, \$24,239, Home Economics Education, C. Bell

Studies on an edogenous hypotensive factor, American Heart Association, \$7,500, Medical School, L. Lutherer

Brain blood flow and acid-base equilibrium, American Heart Association, \$7,500, Medical School, D. Davies

Archeological and historic site survey Buffalo River, Arkansas, National Park Service, \$1,000, Park

Administration, J.W. Kitchen

Head Start regional training office, HEW, \$52,500, Home and Family Life, E. Wallace

Design criteria for tornado resistant structures at the Pantex site, AEC, \$18,000, Civil Engineering, J. McDonald

Health professions special project grant program, HEW, \$100,000, Medical School, J. Dyson

Model executive order 11593 survey and inventory, National Park Service, \$28,000, Park Administration, J.W. Kitchen

MANLEY, CANNELL HEAD SPECIAL EDUCATION

Dr. Max Manley and Dr. Robert Cannell have been appointed area chairman and assistant area chairman, respectively, of Special Education effective Sept. 1.

The appointments were announced by Dr. Robert H. Anderson, dean of the College of Education. Dr. Bruce Mattson, who has served as area chairman for several years, has asked to be relieved of that assignment as of Aug. 31.

BLACK APPOINTED TO ADVISORY PANEL

Dr. Craig C. Black, director of The Museum, has been appointed to the Museum Advisory Panel of the National Endowment for the Arts.

The panel advises the National Council on the Arts and the endowment on requests for grants by and for museums from the endowment.

EXHIBITS

BRASS RUBBINGS from ancient tombs in England, by Mrs. Joseph B. Bailey -- The Museum, through Aug. 25

PAINTINGS by Millard Sheets -- The Museum, through Aug. 25

Basketball, University of Mississippi at Lubbock, 7:35
p.m.
DEC. 29 "Star of Bethlehem," Moody Planetarium, 3 p.m.

NOTABLE QUOTE

"A university is not simply
the depository of the ages, but
something more difficult and
honorable: a creating source. It
believes in the imagination as a
family believes in a child, as a new
thing, an exciting hope, an
unpredictable risk." -- Paul Engle

Submitted by Dr. W.R.
McDonald, Associate Professor of
English, who will receive from FYI
a campus photo suitable for
framing.

For Your Information

A Newsletter to the Faculty and Staff of the TEXAS TECH UNIVERSITY COMPLEX

Published the first and third Wednesdays of each month by the Office of Information Services, 220 Administration Building. Special editions published when required. Items should be submitted before 9 a.m. on the Friday preceding the week of publication.

VOL. 5, NO. 7, Sept. 4, 1974

MASTER PLAN FOR NEXT DECADE FOR TEXAS TECH ORDERED BY REGENTS

A "Master Plan for Texas Tech University and its components for the next ten years," will be developed as guidelines for the university's development under the direction of the Board of Regents.

The plan "would include, among other things, projections and plans on realistic enrollment figures, physical plant in terms of what will be needed long range as well as what is needed now, degree programs which would include deletions as well as additions and outreach expansion."

President Grover E. Murray said a "Committee of 50," concurrent with the 50th Anniversary of Texas Tech, consisting of a broad-based group of people in the public sector, will be selected. Dr. Leonard Ainsworth, associate vice president for Academic Affairs, will serve as staff officer.

The study will be conducted during a six- to eight-month period beginning about Oct. 1, with provisions for ample input by the faculty, staff and student body.

The Institutional Self-Study conducted in 1972 and the Visiting Committee Report of Texas Tech University dated April 1973 will be used in the deliberations.

WILLIAMS RE-ELECTED TO ASSOCIATION OFFICE

Dr. Doyle Z. Williams, professor of Business Administration and coordinator for the Area of Accounting, has been re-elected for a second term to the post of director of Education of the American Accounting Association.

He also will serve on the association's 10-member Executive Committee. Dr. Williams also was named chairman of the Standing Committee on Accounting Education which determines educational policy for the association.

FACULTY CLUB INVITES NEW MEMBERS TO JOIN

The Texas Tech Faculty Club invites all eligible persons who were not 1973-74 members to join now. Those eligible are employed by the Texas Tech University Complex as faculty, an officer of the administration, or in a professional position in a non-academic department.

Annual dues of \$15 should be paid by Oct. 1 and no memberships are accepted after Nov. 1 from persons eligible before that date. Until Oct. 1 service is open to all prospective members on a cash basis. Service after Oct. 1 is available only to dues paid members on a credit basis.

To apply for membership, complete the form below and mail with a check to Raymond Green, Faculty Club, Campus. Checks should be made payable to the Faculty Club.

REORGANIZATION MERGES RESEARCH AND GRADUATE EDUCATION THRUST

President Grover E. Murray has effected a reorganization which merges the research effort of the university with its thrust in graduate education.

Dr. J. Knox Jones Jr. has been appointed vice president for Research and Graduate Studies for the TTU Complex, and Dr. Orlo E. Childs has been appointed University Professor with

responsibility for special teaching and for certain other activities.

Childs has been vice president for Research and Special Programs. Jones has been associate vice president for Research and dean of the Graduate School. Jones will continue as dean of the Graduate School.

Dr. Childs will devote his full attention to teaching and to special activities important to a broad spectrum of the public and the campus community. Dr. Jones' responsibilities will increase in the area of research, an integral part of a university's activities and an especially important element of graduation.

"We are merging our research effort with its thrust in graduate education because the two are inextricably linked," Dr. Murray said. "This reorganization will allow us to allocate our resources as wisely as possible to achieve eminence in research and to enhance our growing reputation in graduate education."

TYNER NEW DEAN

George S. Tyner, M.D., has been appointed dean of the School of Medicine. As dean, Dr. Tyner is the chief administrative officer and academic head of the school, working with associate deans in Lubbock, Amarillo and El Paso, where there are Regional Academic Health Centers, and with the policy boards of the various health institutions with which TTUSM has affiliation agreements.

PERRY HEADS ADMISSIONS

Dr. Floyd Perry Jr. has been named dean of admissions in addition to his position as associate vice president for Academic Affairs.

"The combination of the assignments," Dr. William R. Johnson, interim vice president for Academic Affairs, said, "is in keeping with the university's policy to place more emphasis on making potential students of the state aware of the unusual educational opportunities at Texas Tech. Dr. Perry will be concerned with expanding this aspect of the university's activities in inviting students who ordinarily would attend an institution of higher education and those students, particularly of minority groups who may not have opportunity to pursue a college or university education, to consider Texas Tech as their college.

The appointment fills the Admissions vacancy created by the resignation of Dr. Floyd Boze a year ago.

GRADUATE SCHOOL

Dr. James V. Reese, associate professor of history, has been appointed associate dean of the Graduate School and Dr. Marilyn E. Phelan has been promoted to associate dean of the Graduate School.

Dr. Reese' responsibilities will be divided between the Graduate School and the History Department.

STUDY ABROAD DEADLINE

The deadline for 1975-76 Graduate Study Abroad applications under the Mutual Educational Exchange (Fulbright-Hays) program and by foreign governments, universities and private donors is Oct. 15, 1974.

Dr. David M. Vigness, Social Science Building, Room 119, is the Fulbright program adviser at Texas Tech.

PHELAN APPOINTED

Dr. Marilyn Phelan, associate dean of the Graduate School, has been appointed by the Secretary of Defense to the Air Force Institute of Technology Subcommittee of the Air University Board of Visitors.

EXHIBITS

NAKED CLAY, American Indian Plainware -- The Museum, through Sept. 29
 WESTERN ARTIFACTS -- University Center, Sept. 9-14
 TREASURE OF THE MONTH, Metal Enamelling from the collections of Betty Bennett and Donna Reed -- The Museum, through Sept. 23
 THE CLIFFORD B. AND AUDREY JONES COLLECTION -- The Museum, through Sept. 29
 EARLY PRINTING IN WESTERN EUROPE -- Library Foyer, through Sept. 28
 FLATLAND FANDANGLE -- Library Foyer, Sept. 3-13
 RICHARD ASH, PRINTMAKER -- Art Department Teaching Gallery, through Sept. 25

FELKNER TO HOUSTON

Prof. Ira C. Felkner of the Department of Biological Sciences will spend the year as a visiting professor at the University of Texas Graduate School of Biomedical Sciences in Houston. He will do research related to cancer.

Dr. Felkner will collaborate with Dr. Thomas S. Matney, associate dean of the Houston institution, and with a group of researchers led by Dr. Charles Shaw of M.D. Anderson Hospital.

LIBRARY ANNOUNCES RECORDS SERVICE

Texas Tech's Library, in conjunction with the Interuniversity Council of the North Texas area, has contracted with the Ohio College Library Center in Columbus for the use of its on-line computer system for bibliographic records. More than 200 libraries are members of the network.

The primary data base consists of the U.S. Library of Congress' MARC tapes, with members of O.C.L.C., such as Yale University Library, Ohio State University Library, University of Pennsylvania Library, and the U.S. National Library of Medicine adding their bibliographical records to the base.

Not only is shared cataloging information available with catalog cards received from O.C.L.C., but the system will soon be able to manipulate information concerning acquisition of materials and accounting procedures.

Serials, records and inter-library loan searching are also available. Manual records can be eliminated with the use of the cathode ray tube terminals.

With the terminals operational, faculty and students will find useful almost instantaneous response to bibliographic and inter-library loan searching, Charlotte Hickson, catalog librarian, said.

FISCAL YEAR DOCUMENTS NEEDED BY SEPT. 6

To aid the closing of the university's books for the fiscal year 1973-74 and the opening of fiscal year 1974-75, the office of the Director of Accounting and Finance asks that documents such as departmental bills and vouchers related to the year-ending be submitted by 12 noon, Sept. 6.

Comments and questions concerning the requirement should be directed to W.W. Hart, at 742-3297.

Dr. Grover E. Murray, president of Texas Tech, will address the faculty and staff of the university at the annual fall meeting at 4 p.m. Monday, Sept. 23, in the University Center Ballroom.

All faculty and staff are invited to attend.

DISTINGUISHED ALUMNI WILL BE RECOGNIZED IN CEREMONY OCT. 18

A college president, a university dean, a Texas Supreme Court associate justice and the executive director of one of the nation's most prestigious engineers' institutes will be recognized as "distinguished alumni" Oct. 18.

Recipients at the eighth annual Distinguished Alumni dinner will be Dr. William M. Pearce, Jr., president of Texas Wesleyan College and former executive vice president of Texas Tech; Dr. John R. Bradford, dean of the College of Engineering at Texas Tech since 1955; Associate Justice James G. Denton of the Supreme Court of Texas since 1970; and Joe B. Alford, executive director since 1968 of the American Institute of Mining, Metallurgical and Petroleum Engineers.

The dinner will be in the University Center Ballroom at 7 p.m. Friday, Oct. 18, according to Wayne James, executive director of the association, sponsor of the event. It is open to the public and tickets may be obtained from the office of the Ex-Students Association on campus at \$5 per person.

AG AWARENESS DAY TO BE OBSERVED NEXT MONDAY

Monday, Sept. 23, has been designated "Ag Awareness Day," and several programs have been scheduled by the Agricultural Sciences Student Council and the Lubbock Agricultural Club.

A documentary, "The Now South," will be shown at 9:30 and 11:30 a.m. in the University Center, and it will be shown again after a 6 p.m. triticate pancake supper in the University Center cafeteria.

Charles G. Scruggs, executive editor of Progressive Farmer and a member of the Board of Regents, will speak at the evening meeting.

URBANSKY TO BE HONORED AT LAND USE SYMPOSIUM

A major symposium on Land Use Planning, Design and Management will be held at Texas Tech Sept. 26-27 in conjunction with an appreciation dinner honoring Horn Prof. Elo J. Urbansky who is retiring at the end of this year.

Urbansky is chairman of the Department of Park Administration, Landscape Architecture and Horticulture.

GOALS FOR CHAIRS, PROFESSORSHIPS, FELLOWSHIPS FOR NEXT DECADE ANNOUNCED BY TTU PRESIDENT

Addressing the Texas Tech University Foundation Board, Dr. Grover E. Murray announced a schedule of goals which calls for three endowed chairs by 1980 and two more by 1985 and six endowed professorships in the next five years.

He also cited needs for faculty development, help for junior faculty members to complete their advanced degrees, and 20 endowed graduate fellowships over the next five years.

Until the university accumulates enough endowed fellowships, annual graduate fellowships will be needed as an interim measure. The deans feel the university must have five of these in the next five years.

The five endowed chairs would cost at least \$2.5 million and the endowed professorships \$600,000. The cost of a loan program for faculty development will run \$20,000 to \$40,000 a year and \$200,000 is needed to implement and continue that project.

The endowed graduate fellowships will require \$50,000 each to produce \$3,500 to \$4,000 in income at today's interest rates. Twenty fellowships come to \$1 million. The annual graduate fellowships require \$4,000 each. Ten a year for the next five years amounts to \$200,000.

The matter of faculty development, Dr. Murray said, is vital to establishing a proper environment for greatness. As with all professionals, university professors need opportunities to broaden themselves, to retool by updating their knowledge, and to engage in meaningful, relevant research, Dr. Murray said. The deans are aware of these needs and some already have moved in this direction.

In the area of junior faculty members, some thought has been given to a loan arrangement which allows a percentage of a loan to be forgiven for each year of teaching after returning to Tech from such a leave.

The university needs a single, centralized media center to order and store special films, slides and recordings. It would have the capability of designing and making charts, graphs and other visual aids and would be able to generate and "pipe" electronic transmittals into audio-visual rooms in each college.

ENDOWED CHAIR IN PATHOLOGY ESTABLISHED IN SCHOOL OF MEDICINE

The May Owen Chair in Pathology has been established at the School of Medicine. The announcement of the first endowed chair in the Medical School was made at the fall meeting of the Texas Tech University Foundation Board Saturday (Sept. 14).

The chair honors Dr. May Owen of Fort Worth, the only woman who has served as president of the Texas Medical Association (TMA) and a recipient of TMA's highest honor, the Distinguished Service Award.

The chair was made possible by Dr. Owen's personal generosity combined with the support of her friends in the medical profession.

A reception for Dr. Owen followed the business meeting of the foundation board in the University Center and a portrait of the Fort Worth pathologist was unveiled. The portrait will hang in the School of Medicine.

REGENTS MEET SEPT. 27

The Board of Regents for Texas Tech University and the School of Medicine will meet at 8:30 a.m. Friday, Sept. 27 in the Board Room.

It will be the first meeting since Clint Formby has assumed the chairmanship and Judson Williams the vice chairmanship.

WHAT MAKES A GREAT UNIVERSITY?

*An outstanding faculty engaged in teaching, research and in public service—the ultimate in the "community of scholars."

*A wide ranging curriculum so organized that the body of knowledge is divided into easily observable disciplines, which create intellectual ferment and together seek to meet the challenges of the future.

*First class physical facilities that establish a proper environment and incentive for greatness. This includes not only bricks and mortar, but equipment as well—computers, laboratories, and many other items.

*Outstanding students who can reap the rewards of the previous three conditions.

—Grover E. Murray, President
Texas Tech University
Meeting of TTU Foundation Board
Sept. 14, 1974

EXHIBITS

NAKED CLAY, American Indian Plainware -- The Museum, through Sept. 29

TREASURE OF THE MONTH, Metal Enamelling from the collections of Betty Bennett and Donna Reed -- The Museum, through Sept. 23

TREASURE OF THE MONTH, Glassware from the collection of Charles L. Walker -- The Museum, Sept. 24-Oct. 28

THE CLIFFORD B. AND AUDREY JONES COLLECTION -- The Museum, through Sept. 29

EARLY PRINTING IN WESTERN EUROPE -- Library Foyer, through Sept. 28

RICHARD ASH, PRINTMAKER -- Art Department Gallery, through Sept. 25

HOST FAMILIES NEEDED FOR INTERNATIONAL STUDENTS

There is a need for host families for international students at Texas Tech. There are more than 500 such students from 66 countries.

Volunteers for the Host Family program are asked to call Mrs. Jim Tripp at 792-7837 or Mrs. Charles Bengé at 799-5716.

DANFORTH, RHODES, WHITE HOUSE APPLICATIONS SOUGHT

Applications are sought by the President's Commission on White House Fellows, the Rhodes Scholarships program and the Danforth Foundation.

The President's Commission on White House Fellows is accepting applications for the 20 available fellowships to be granted for the 1975-76 year. Applications must be postmarked no later than Dec. 2, 1974. Additional information may be obtained from the office of the Vice-President for Academic Affairs.

Inquiries about the Danforth Fellowships, to be awarded by the Danforth Foundation of St. Louis, Mo., in March 1975 are invited, according to Dr. James W. Culp, associate dean, College of Arts and Sciences, campus representative of the foundation.

Elections to Rhodes Scholarships will be held in all states in December 1974. Scholars-elect will enter Oxford University in October 1975. Applications should be sent to the Secretary of the State Committee as early as possible in October, and in any case not later than Oct. 31, 1974. Dr. David M. Vigness, SSC 119, is the campus representative of the Rhodes Scholarship program.

50TH ANNIVERSARY FALL CONVOCATION WEEK

A 50th Anniversary Fall Convocation Week will be observed at Texas Tech Oct. 14-19. Alvin Toffler, author of *Future Shock*, will be the speaker for the All University Convocation at 8 p.m. Thursday, Oct. 17, in the Municipal Auditorium.

The week will begin with a symposium on "Frontiers of The Semi-Arid World," sponsored by the International Center for Arid and Semi-Arid Land Studies and arid land centers at the universities of California, Arizona and Nevada. Lecturers will include Edwin S. Hills, University of Melbourne, and M.P. Petrov, Leningrad State University.

Each of Texas Tech's six colleges and the Law School also will have special convocations Oct. 17 and 18. Each of these is open to the public, and there is no charge for any of the lectures.

In conjunction with the 50th Anniversary Fall Convocation Week, several special events have been scheduled, including the Ex-Students Distinguished Alumnus Awards Banquet, Dads Day, dedication of the Peter Rogers Mural in The Museum, and a gridiron contest between the University of Arizona and Texas Tech at Jones Stadium.

CALENDAR

(To place an event in the FYI calendar, send data on subject, time and place to the Office of Information Services)

SEPT. 18 "Economics," Dr. Robert Rouse, moderator, KTXT-TV, 6 p.m.
"Consumer perspective," Home Management Dept., KTXT-TV, 6:30 p.m.

SEPT. 19-21 Pest Control Operators Short Course, KoKo Inn, 9 a.m. daily

SEPT. 19 "The Right of Privacy," Sam Dash, Municipal Auditorium, 7:15 p.m.
"Education of the Chicano: The Road Ahead," KTXT-TV, 9:30 p.m.

SEPT. 20 Film: "The Godfather," University Center, 6 & 9:15 p.m.
South Plains Artists, KTXT-TV, 9:30 p.m.

SEPT. 21 "Secrets of the Sun," Moody Planetarium, 3 p.m.
Football, New Mexico at Albuquerque, 7:30 p.m. (MST)

SEPT. 22 Ranch Headquarters tours, 2-4:30 p.m.
"Secrets of the Sun," Moody Planetarium, 3 p.m.
"Ancient and Modern Values in Politics," Gerald F. Else, Peder Christiansen, Carolyn Jordan and William Armstrong, KTXT-TV, 4 p.m.
Film: "The Godfather," University Center, 7 p.m.

SEPT. 23 Ag Awareness Day events, University Center: "The Now South" documentary, at 9:30 a.m. and 11:30 a.m.; Pancake supper, 6 p.m., with Charles Scruggs, guest speaker, and presentation of "The Now South." Faculty and staff meeting, University Center ballroom, 4 p.m.
"Blacks, A Closer Look," KTXT-TV, 6 p.m.
"Attitudes of Mexican-Americans & Anglos," KTXT-TV, 6:30 p.m.

SEPT. 24-26 Junior Varsity Football, SMU at Lubbock, 7:30 p.m.
Training program on Vocational Evaluation of Mentally Retarded and Multiply Handicapped, Engineering Center, 8:45 a.m. to 5 p.m. daily

SEPT. 25 "Creature Called Man," Anthropology Dept., KTXT-TV, 6 p.m.
"Consumer Perspective," Food and Nutrition Dept., 6:30 p.m.

SEPT. 26-27 Land Use Planning, Design and Management Symposium honoring Elo J. Urbanovsky, 1:30 p.m. (26th) to 12 noon (27th), Municipal Auditorium; dinner honoring Prof. and Mrs. Urbanovsky, 7:30 p.m. (26th), University Center ballroom

SEPT. 26 "Education and the Chicano," KTXT-TV, 9:30 p.m.

SEPT. 27 Board of Regents, Administration Bldg.
Film: "Class of '44," University Center, 7 & 9:15 p.m.
South Plains Artists, KTXT-TV, 9:30 p.m.

SEPT. 28 Ex-Students Association Board Meeting, University Center, 9 a.m.
"Secrets of the Sun," Moody Planetarium, 3 p.m.
Football, Texas at Lubbock, 7:30 p.m.

SEPT. 29 Ranch Headquarters tours, 2-4:30 p.m.
"Secrets of the Sun," Moody Planetarium, 3 p.m.
"The Man in the Street," Mary Louise Brewer, Charles Hardwick, Pete Laney and Louise Cummins, KTXT-TV, 4 p.m.
Film: "Class of '44," University Center, 7 p.m.

SEPT. 30 "Frontiers of the Semi-Arid World," with ICASALS Dir. Frank B. Conselman, KTXT-TV, 6:30 p.m.
Junior Varsity football, TCU at Lubbock, 7:30 p.m.

VOL. 5, NO. 9, Oct. 2, 1974

REGENTS CHAIRMAN CLINT FORMBY STRESSES ACADEMIC EXCELLENCE; EMPHASIZES TEACHING ROLE

(Editor's Note: The text of the statement made by Board of Regents Chairman Clint Formby Sept. 27 is available upon request of the Office of Information Services.)

Clint Formby presided for the first time Friday as the chairman of the Texas Tech Board of Regents and accepted for the board "a commitment of excellence" at the university.

Formby emphasized the role of the university in teaching.

"The main arena and purpose should be to teach," he said, "to provide students at Texas Tech an experience in learning that will prepare them for their future in whatever endeavor they may choose."

The quest for knowledge does encourage research in a university such as this, and it does encourage many related activities and goals. None of these should take priority over teaching, however, according to Formby.

He placed the responsibility for quality education upon students as well as faculty.

"I think we should ask the student to be responsive to the faculty in providing a true atmosphere of learning,

seeking knowledge, questioning, reading, debating, studying. It's not a one-way street."

During their meeting the regents also heard from Student Association President Bill Allen that student priorities list academics as "numero uno for the entire year," because if the learning environment is good, other problems will be solved naturally.

Dr. William Johnson, interim vice president for Academic Affairs, reported a total enrollment of 21,927, with substantial increases at the undergraduate level and a small increase at the graduate level. Last year's enrollment was 21,510.

The regents also:

- * Heard an extensive report from the Advisory Committee of the Textile Research Center and a request for a \$1 million expansion of the facility to expand its studies of Texas natural fibers, leading to development of a textile industry in this area representing \$10 to \$11 billion in economic activity;

- * Received from Dean Robert H. Anderson of the College of Education the first copies of the college's new journal, "The Texas Tech Journal of Education;"

- * Received the first copies of the Board of Regents' 50th Anniversary Brochure recording in photographs and text the development of the university decade by decade;

- * Passed resolutions recognizing the achievements and service of former Presidents Dossie M. Wiggins, E.N. Jones and R.C. Goodwin, all of whom are expected to participate in the 50th Anniversary Convocation Oct. 17;

- * Approved revised schematic plans for Department of Food Technology facilities and authorized that contract documents be prepared and bids received for renovations and additions to the Agriculture Building;

- * Approved the appointment of Bill Cantrell, architect, as project architect for a visitors' orientation building to serve the Ranch Headquarters, and agreed to permit eventual construction of that building just outside the northwest corner of the 12-acre plot originally designated for the outdoor exhibit;

- * Approved the appointment of Dr. Carl H. Stem of the College of Business Administration faculty as consultant to the Office of the Assistant Secretary for international affairs, U.S. Treasury Department.

During the board meeting, Chairman Clint Formby presented on behalf of the regents a framed resolution to Regent Bill E. Collins who served two terms as chairman. The resolution recognized Collins' achievements and dedicated service.

The regents agreed to hold their Nov. 15 meeting in San Angelo, home of Regent Frank Junell who also has served two terms as chairman.

TTUSM REGENTS HEAR PROGRESS REPORTS ON PROPOSED NEW HEALTH SCIENCES SCHOOLS

The Texas Tech University School of Medicine Board of Regents, meeting Sept. 27, heard reports on:

- * Progress toward schools of pharmacy, veterinary medicine and nursing (the school of pharmacy proposal -- which involves a cooperative effort with Texas Tech University -- going next month before the State Coordinating Board, the veterinary medicine school having been approved by the CB, and the school of nursing in planning phases designed to develop it to reinforce existing programs in the area);

- * Academic affairs, including the comment that 610 applicants want to enter next July 1, with four having been accepted through early decision;

- * Construction of the medical school including the information that the 5,700 tons of steel in the building which cost \$500 a ton when purchased would cost more than \$900 a ton now, the requirement that more than 100 contracts will have been let before construction is complete, and occupancy of upper and lower floors will be possible by August, 1976.

The regents also:

- * Participated in groundbreaking ceremonies for the Lubbock County Hospital to be constructed adjacent to TTUSM and heard former Gov. Preston Smith review the political work which preceded the establishment of the Hospital District and the School of Medicine;

- * Reaffirmed its willingness to work toward a shared services agreement with the Lubbock County Hospital District;

- * Passed a resolution honoring May Owen, M.D., of Fort Worth, whose financial assistance has made possible the May Owen Chair in Pathology, the first endowed chair in TTUSM;

- * Granted promotion to Dr. Abraham Flemenbaum, from assistant professor to associate professor of psychiatry.

REESE NAMED DEAN OF CONTINUING EDUCATION

Dr. C. Thomas Reese has been appointed dean of Continuing Education of the Texas Tech University Complex.

He will be responsible for programs at the undergraduate and graduate levels, evening and weekend classes, paraprofessional training, workshops and seminars for the University, the Museum and the School of Medicine.

For the past year he has been a fellow of the Academic Administration Internship Program of the American Council on Education. During that time he was assistant to the president of the University of Virginia. Prior to his leave for the fellowship, he was associate dean of the School of Law at Texas Tech.

AAUP MEETING OCT. 7

The Texas Tech chapter of the American Association of University Professors (AAUP) will hold its first luncheon meeting of the new academic year at 12:05 p.m. Oct. 7 in the Mesa Room of the University Center. The business meeting will start at 12:30. All faculty are invited. Issues and strategies for the 1974-75 academic year will be discussed.

FULBRIGHT-HAYS DEADLINE

The deadline for filing applications for grants for graduate study abroad offered under the Mutual Educational Exchange Program (Fulbright-Hays) and by foreign governments, universities and private donors is Oct. 15.

Candidates must be U.S. citizens at the time of application, hold a bachelor's degree or its equivalent by the beginning date of the grant, have language ability commensurate with the demands of the proposed study projects, and good health.

Application forms and further information may be obtained from Dr. David M. Vigness, Social Science Building Room 119.

FILE IS DISCONTINUED

The Library has announced that its Reserve Department no longer keeps a file of examination papers from any of the academic departments on campus.

EXHIBITS

HIGHLIGHTS OF TECH'S FIRST 50 YEARS -- Library foyer, through Oct. 31

FACULTY ART -- Art Department Teaching Gallery, through Oct. 26

QUILTS ARE A COMFORT -- The Museum, Oct. 5 - Nov. 3

ALEXANDER CALDER PAINTINGS -- The Museum, Oct. 12-27

OPERATION IDENTIFICATION -- Library, Oct. 1-30

TREASURE OF THE MONTH, Glassware from the collection of Charles L. Walker -- The Museum, through Oct. 28

LAB THEATER EXHIBIT -- Library, Oct. 6-22

HISTORIC LANDMARK PRESERVATION -- Government Document Case, Library, through Oct. 31

ADAMCIK ON COMMITTEE

Dr. Joe A. Adamcik, associate professor of chemistry, has been elected to a three-year term on the Policy Committee of the Council of the American Chemical Society. The Council Policy Committee is the executive committee of the council of the society. He currently is chairman of the Committee on Constitution and Bylaws.

ENROLLMENT PERIOD

Texas Tech has scheduled an open enrollment period for its various group insurance programs from Monday, Oct. 21, to Friday, Oct. 25, 1974. Faculty and staff are urged to use this opportunity to obtain professional counseling from company representatives.

Eligible employees may enroll or re-enroll as well as increase or otherwise change their plan of coverage during this period. Location of booths will be announced later.

REDUCED TICKET PRICES

Subscription tickets at reduced prices for five Artists Events have been announced.

The events include Alirio Diaz, Accademia Monteverdiana, the Gewandhaus Orchestra, Pippin, and Claude Kipnis Mime Theatre.

Six plans ranging from \$20.25 to \$11.25 are available. Additional information may be obtained from the University Center Ticket Booth, 742-3380.

MATH PROFESSORS CHOSEN

Dr. Dalton Tarwater, chairman of the Department of Mathematics, has been named a visiting lecturer and Dr. John T. White, associate professor of mathematics, a consultant for the Mathematical Association of America. Their services will be made available to two- and four-year colleges.

SPECIAL EDITION

VOL. 5, NO. 9-A, Oct. 2, 1974

President Murray Emphasizes Academic Progress In Address To Faculty, Staff

President Grover E. Murray, in his State of the University address Sept. 23, stressed the importance of interaction between students and faculty on a personal basis.

"Flexible and dynamic programs and excellent instruction, more than anything else, will attract and retain students," he said.

The President spoke on a variety of subjects including academic programs, finances and facilities. He called attention to enrollment increases but said this is no time for complacency. Recruiting and retaining good students are both important, he said.

"We as a faculty must continue to stress interaction between the student and the professor on a personal basis.

"I'm sure we're going to see a period of strong support and aggressive action by the Board of Regents in behalf of improvement of educational opportunities, academic programs, new programs, new thrusts in the next few years," he said.

He announced the appointment of a Committee of 50 -- concurrent with the 50th Anniversary. Members, chosen from a wide variety of backgrounds throughout the state, will study where the University Complex should be 10 years from now. Dr. C. Len Ainsworth, associate vice president for Academic Affairs, will be staff officer. The first meeting is scheduled for late October.

Editor's Note: This special edition of For Your Information is devoted almost wholly to the report on the "state of the university" by President Grover E. Murray, Monday, Sept. 23.

In academic development, Dr. Murray said it is necessary to take a broad perspective in planning and to integrate, when possible, several segments of the complex to avoid duplication and to utilize best the available expertise.

"To this end we continue to promote interdisciplinary programs involving qualified personnel from the several branches of the complex. It is our hope that wise uses of our resources, both physical and intellectual, will result in growth that will command nationwide respect for accomplishments both in teaching and research."

The fact that the faculty turnover rate nationwide has declined, Dr. Murray said, implies the need for careful recruiting and makes more critical the granting of tenure.

"The recognition and the rewards for meritorious faculty performance also is a key element," he noted in emphasizing the need for merit salary increases.

In the future, he observed, there will be an emphasis on continuing

education, encouraging individuals to be life-long learners.

The appointment of Dr. C. Thomas Reese as dean of Continuing Education with complex-wide responsibility, is a reflection of this new emphasis, according to the President.

Dr. Murray pointed out that Texas Tech is no longer a one-campus institution. It has Regional Academic Health Centers -- branches of the medical school -- in Amarillo and El Paso as well as university centers at Amarillo and Junction. Dr. William Oden, former director of the Center at Junction, has on his own request returned to full time teaching and research. Fredy Briggs has been appointed director of the Junction center, and academic programs will be coordinated through the Office of Academic Affairs.

To assess existing strengths, identify areas of need and establish priorities for development, Dr. Murray said, each department or program within the complex will be reviewed on a regular 10-year cycle, with the department or program asked to conduct its own internal review at five-year intervals. Reviews have been completed for 13 departments.

The university can take pride in its growing reputation for research, Dr. Murray noted.

"In recognition of our growing research effort, which we recognize as vital in its relationship to enlightened teaching, we realize that something needs to be done to mitigate the ever-growing costs of research programs."

He said the university complex will seek means to provide complementary support, over and above that provided by appropriated funds to those departments with significant ongoing programs.

Tech's international academic interests are continuing to expand, Dr. Murray said, noting that the university has programs in Yugoslavia, Mexico, Peru, Antarctica, Kenya and Libya, as well as significant interests in the Sahel in West Africa and in Poland.

The President stressed the university's request to the Legislature for consideration of money for merit pay raises, not provided in the appropriation this year. Except in a few cases, he said, merit increases were not possible this year. All staff and faculty making less than \$15,000 will receive a 6.8 per cent across-the-board increase, and those making over \$15,000 will receive a 3.4 per cent increase. Forty per cent of the staff and selected faculty will receive merit raises or will be upgraded in classification.

The budget requests for the complex include:

	1976	1977
University	\$47,800,000	\$50,700,000
Museum	973,698	618,808
Medical School	26,600,000	29,000,000
Total	\$77,000,000	\$81,000,000

NON-FACULTY SALARY ADMINISTRATION PLAN

Texas Tech's salary administration plan for the 1974-75 fiscal year is made up of numerous programs designed to continue to attract and retain qualified employees. There are four parts to the present plan that have already been implemented or are in the process of being implemented.

I. Statutory Increase - The Legislature mandated that all employees have their August 31, 1974, salaries increased by 3.4 percent for the 1974-75 fiscal year. These increases were incorporated into the Budget and will be received by the employees in their checks for work performed in September.

II. Minimum Wage Adjustments - Phase II - When the Budget for 1974-75 was prepared last Spring, a Reserve for Minimum Wage Law Adjustments was included to (1) increase all salaries to the new minimum and, (2) retain an equitable salary relationship between job classifications. The new minimum wage, which

became effective May 1, 1974, has been implemented. In order to remedy somewhat the salary compaction caused by increasing the salary on some positions and not on others, salary ranges for some job classifications were adjusted upward, effective September 1, 1974.

III. Upgrading of Classifications - At its meeting on August 2, 1974, the Board of Regents allocated \$100,000 for both Texas Tech University and Texas Tech University School of Medicine for use in upgrading certain classifications where recruitment and retention had been particularly difficult. Each Vice President was asked to identify specific problems within his area of responsibility and those classes which were most critical to the University's operation were upgraded in salary. Employees in the

Continued

NON-FACULTY SALARY ADMINISTRATION PLAN

classifications which were upgraded may receive a salary increase effective September 1, 1974, based on merit recommendations.

- IV. Anniversary Merit Increases - Included in the 1974-75 Budget is a reserve for non-faculty anniversary merit increases. Funds are available to permit recognition of approximately 40 percent of the non-faculty personnel who are most outstanding. Employees are eligible for review of their performance on the anniversary date of their last increase or one year after initial employment.

At the present time, there is considerable discussion of an additional increase for all State employees on February 1, 1975. This increase is subject to action by the Legislature when it convenes in January, 1975.

DOUBLE LOG CABIN DEDICATION PLANNED

The Fifth Annual Meeting of the Ranch Headquarters Association will begin at 9:30 a.m. Saturday, Oct. 5. Highlight of the day will be the dedication of the Hedwig Hill Cabin, typical of cabins built by German immigrants in the Hill Country of Texas.

The meeting is open to members only, and memberships may be purchased at The Museum Oct. 5 or by writing the Ranch Headquarters prior to that date. They cost \$5 for an individual, \$10 a couple, \$12.50 a family. Organizational rates are \$25 each.

WEAVER TO JUDGE PLAYS

Prof. Richard Weaver, director of the University Theater, has been appointed to a three-year term as Southwest Region chairman for the American College Theater Festival VII Student Playwriting Awards. He will serve for three academic years.

He also has been appointed adjudicator for the Texas American College Theater Festival for this academic year.

GRANTS AWARDED

Determination of seismicity in area of Texas Water plan, TWDB, \$1,400, Geosciences, D. Shurbet

Special Services program, HEW, \$75,000, College of Education, G. Kaprosy

Contrast materials and the blood-brain barrier, HEW, \$20,308, School of Medicine, P. Sterrett

Studies in wind engineering, NSF, \$63,000, Civil Engineering, K. Mehta and J. Minor

An investigation of pulsed molecular lasers in the 10-20 micron range, Los Alamos Scientific Labs, \$7,304, Electrical Engineering, M. Gundersen

Nutritive value of different sorghum grain types for ruminants, K.S. Eng., Inc., \$85, L. Sherrod

Base association in base-promoted elimination reactions, American Chemical Society, \$10,000, Chemistry Department, R. Bartsch.

Rehabilitation counselor training program, HEW, \$94,402, Psychology Department, F. Lawlis

Investigation of design parameters for high acceleration cockpit reclining seats, AF, \$30,640, Industrial Engineering, M. Ayoub

Immunochemical studies on fungal polysaccharides, HEW, \$38,601, Medical School, K. Lloyd

Histamine action on heart muscle and its receptor, HEW, \$18,295, Medical School, M. Hughes

X-ray laser (stimulation of Kossell

lines by "Hot Spot" radiation), AFOSR, \$47,680, Physics Department, K. Das Gupta

Analysis of unstable optical resonators, AFOSR, \$2,065, Electrical Engineering, J. Reichert

Clinical study MK-231 in osteoarthritis, Merck, Sharp & Dohme, \$39,100, Medical School, Bartholomew

Efficient production of port-antibiotics for swine, Pfizer & Co., \$2,000, Animal Science Department, L. Tribble

Institutional constraints and conjunctive management of water resources in West Texas, OWRR, \$8,029, Geography Department, O. Templer

Attitudes and public participation on the High Plains toward groundwater planning and management institutions, OWRR, \$7,735, Animal Science Department, F. Baird

Search for bacteriophages active on N. Gonorrhoeae, NIH, \$16,624, Medical School, R. Jones

A genetic study of adaptation in "Belgica Antarctica (Diptera: Chironomidae)", NSF, \$8,400, Biology Department, W. Atchley

Correlation of physical and chemical properties with optimum herbicide application rates, Ciba-Geigy Corp., \$2,500, Agronomy, B. Allen

Investigation of insecticides, various, \$7,100, Entomology, C. Ward

Design criteria for tornado resistant structures at the Oak Ridge Plant site, Union Carbide Corp., \$15,500, Civil Engineering, J. McDonald

Evaluations of damage caused by the tornadoes of April 3-4, 1974, National Oceanic and Atmospheric Administration, \$10,000, Civil Engineering, J. Minor.

Research and Training Center in Mental Retardation, HEW, \$110,000, Research and Training Center, G. Bensberg

An investigation into the present status of the Texas Kangaroo rat, U.S. Dept. of Interior, \$2,992, Biology Department, R. Packard

Computer applications to medically underserved, HEW, \$160,002, Medical School, B. Rowley

Title VI Higher Education Act, HEW, \$10,000, College of Education, R. Anderson

Title VI Higher Education Act, HEW, \$7,395, College of Education, R. Anderson

Undergraduate psychiatry training grant, PHS, \$21,335, Medical School, B. Barnes

NEW QUARTERS WORK WELL FOR CONTINUING EDUCATION

More office and work space, two conference rooms and a testing room are included in newly renovated quarters for the university's Division of Continuing Education.

The division now is located in Buildings X-14 and X-15 across from the Municipal Auditorium.

The conference rooms may be used for workshops and short courses by campus departments, according to D.M. McElroy, director. The testing room provides a better atmosphere for correspondence students taking final examinations than did the old quarters. Parking is more accessible and the division's service capabilities have been expanded by the move, he said.

A Newsletter to the Faculty and Staff of the TEXAS TECH UNIVERSITY COMPLEX

CORRECTION: STAFF SALARY INCREASES NOT AS REPORTED LAST WEEK

Staff and faculty salary increases were incorrectly reported last week. Legislative appropriations for this year provided increases as follows:

- (1) All faculty members receiving less than \$15,000 a year for the 1973-74 academic year have received a minimum 6.8% increase for the 1974-75 academic year. Those above \$15,000 received a minimum 3.4% increase.
- (2) Non-faculty personnel have received a 3.4% increase on the salary they were receiving as of August 31, 1974 without regard to salary level.

Last week it was erroneously reported that the \$15,000 salary level difference applied to staff. It does not.

Selected faculty members have received merit increases in addition to the above and it is planned that approximately 40% of staff members will receive merit increases on their employment or last increase anniversary dates.

Some non-teaching personnel in addition have received increases as a result of the upgrading of classifications.

VOL. 5, NO. 10, Oct. 16, 1974

ARID LANDS MEET NEARS CLOSE

The Llano Estacado, the plain on which Lubbock is located, will be the focal point Thursday (Oct. 17) of the ICASALS-sponsored symposium, "Frontiers of the Semi-Arid World," at The Museum.

Topics and speakers will range from "Pre-Columbian Conditions and the Lubbock Lake Site," by Dr. M. Elizabeth King, curator of Anthropology, The Museum, to "The Future of the Llano Estacado," by Dr. W. Curry Holden, emeritus professor of History. Dr. Donald E. Green, professor of History, Central State University, Edmond, Okla., will speak on "Irrigation on the Texas High Plains: Past, Present, and Future."

The session begins at 9 a.m. Luncheon will be served at the Ranch Headquarters at 12:30. Bob Nash, representing the Llano Estacado Corral of Westerners, will be the luncheon speaker.

Other speakers from Texas Tech will be Dr. David M. Vigness, session chairman; Drs. Ernest Wallace, R. Sylvan Dunn, Seymour V. Connor, Philip Johnson, Dale W. Zinn, and Frank B. Conselman.

The week-long symposium will conclude Saturday with field trips. Details may be obtained through ICASALS, 742-6140.

SEMINAR ON MOTORS

A non-credit seminar on electric motors and motor controls will be conducted by Dr. Darrell Vines, professor of electrical engineering, beginning Oct. 21.

The applications oriented course will meet four times weekly for three weeks: 7:30 to 8:30 a.m. Monday, Tuesday, Wednesday and Thursday, in Room 211 Electrical Engineering Bldg. A programmed learning text will be provided at a cost of \$10 each.

Many engineering students and some faculty and building operations personnel are expected to attend. Only Tech-related personnel are invited.

FALL CONVOCATION WEEK CONCLUDES WITH SCHEDULE OF EVENTS THURSDAY, FRIDAY AND SATURDAY

Alvin Toffler, author of "Future Shock," will speak at the all-university convocation at 8 p.m. Thursday, in the Municipal Auditorium to keynote the series of lectures and other events of Fall Convocation Week Oct. 14-19.

The Three-day Guest Lecture Series will start at 10 a.m. Thursday with the College of Agricultural Sciences Convocation in the University Theater. Sterling Wortman, vice president of the Rockefeller Foundation, will discuss "Food, Resource Use and International Agriculture."

Other convocations:

College of Business Administration at 9 a.m. Friday, W.D. Eberle, executive director of the Council on International Economic Policy, University Theater, on

"The United States' Position in International Trade."

College of Arts and Sciences at 9 a.m. Friday, Frank E. Vandiver, provost of Rice University, Municipal Auditorium, on "Humanism in the Modern University."

College of Education, 1 p.m. Friday, James G. March, best known for his work in organization theory, University Theater, on "Education and the Pursuit of Optimism."

College of Engineering, 1 p.m. Friday, Joe B. Alford, executive director of the American Institute of Mining, Metallurgical and Petroleum Engineers, Municipal Auditorium, on "Technology Assessment-What It Is and What It May Mean to America."

College of Home Economics, 3 p.m. Friday, Grace Richardson, manager of Consumer Affairs, Consolidated Edison, and William J. McGanity, M.D., University of Texas Medical Branch, University Theater. Miss Richardson will discuss "Challenges for Consumers and Consumerism." McGanity's subject is "Nutrition and Your Health."

School of Law, 7 p.m. Friday, Charles Meyers, Stanford University faculty, and Corwin W. Johnson, University of Texas Law School, University Theater. Meyers will speak on "Policy Issues of Ground Water Withdrawals and Inter-basin Transfers" and Johnson on "Water and Land Use Planning."

ALUMINUM CYLINDERS RECALLED BY KAISER

Kaiser Aluminum has announced the "possibility of violent rupture under certain conditions" of some of its 5-, 10-, 15-, and 20-pound capacity carbon dioxide cylinders and is recalling them.

The cylinders stamped "S.P. 5091" are being recalled. The stenciled characters appear along with other symbols in the neck area of the cylinders.

Texas Tech personnel with such equipment in their department should check it, according to the office of the Director, Environmental Health and Safety. Cylinders bearing the designated characters should be depressurized immediately and not refilled.

The Central Warehouse will pick up the cylinders after they have been depressurized.

LILLY WINS DESIGNATION

Claude C. Lilly, assistant professor of insurance, has been designated a Chartered Property Casualty Underwriter (CPCU). He was one of 663 to receive the professional insurance designation at conferment ceremonies in Atlanta, Ga.

He was one of three people in the nation who passed all of the examinations at one time.

ENROLLMENT PERIOD FOR BENEFITS ANNOUNCED

Faculty and staff are reminded that an open enrollment period for University Group Insurance Programs and Tax Sheltered Annuities (provided under Section 403.b of the Internal Revenue Code) is scheduled starting Oct. 21.

Representatives of the several underwriters of these University Group Programs will be available in the Personnel Office, Room 42, Administration Building, and the west lobby in the University Center from 9 a.m. to 5 p.m. Monday, Oct. 21, through Friday, Oct. 25.

Employees who did not enroll in insurance programs when they were employed, or who enrolled and subsequently dropped their coverage, will have another opportunity to enroll during this time. Open enrollment also presents the opportunities to drop or add dependents, change volume of coverage, as well as make other changes. No action is required by faculty and staff who do not wish to make changes in their present coverage.

Permanent Life Insurance has not been offered for several years. Interested faculty and staff are urged to take advantage of this opportunity to convert part or all of their term life insurance into permanent life insurance.

An additional opportunity is available to obtain tax sheltered annuities. A number of faculty and staff have found this program to be advantageous since it enables them to channel a part of their present salary into an annuity without paying current income tax on that part.

ROSS WINS HONORS

Dr. Billy I. Ross, chairman of the Department of Mass Communications, was named "Educator of the Year" by the Tenth District, American Advertising Federation.

The district includes Texas, Oklahoma, Arkansas and Louisiana.

EXHIBITS

HIGHLIGHTS OF TECH'S FIRST

50 YEARS -- Library foyer, through Oct. 31

FACULTY ART -- Art Department Teaching Gallery, through Oct. 26

QUILTS ARE A COMFORT -- The Museum, through Nov. 3

ALEXANDER CALDER PAINTINGS -- The Museum, through Oct. 27

OPERATION IDENTIFICATION -- Library, through Oct. 30

TREASURE OF THE MONTH, Glassware from the collection of Charles L. Walker -- The Museum, through Oct. 28; Famous Autographs, Oct. 30-Dec.1

LAB THEATER EXHIBIT -- Library, through Oct. 22

HISTORIC LANDMARK PRESERVATION -- The Library, through Oct. 31

PRESIDENTS-EMERITUS ARE HONORED BY COUNCIL

The three living presidents-emeritus of Texas Tech University were cited for their "distinguished service to the university" by the President's Council Tuesday (Oct. 15).

They are Dr. D.M. Wiggins, a director of the Texas Commerce Bank, Lubbock, Tech president from 1948 to 1952; Dr. E.N. Jones of Dallas, president from 1952 to 1959; and Dr. R.C. Goodwin of Gainesville, Fla., president from 1959 to 1966, the immediate predecessor of President Grover E. Murray.

Dr. Murray made the presentations at a banquet at the Lubbock Country Club.

UNITED WAY NEEDS HELP FROM YOU-AND NOW!

Less than \$25,000 has been contributed to United Way at Texas Tech as of Tuesday, Oct. 15, with time running out. That's 62 per cent of the Texas Tech goal of \$40,000. A total of 1,172 persons have made commitments.

Last year faculty and staff at the university gave \$34,691.08, 96.28 percent of a goal of \$35,000. More than 1,500 persons gave.

More than 2,000 faculty and staff have not yet made a contribution. If each gave only 50 cents per agency supported by the United Way, their contributions would total more than \$30,000.

If the 30 agencies made individual drives, you likely would get 30 separate solicitations during the year. That you don't need nor want. The United Way needs your support. The campaign ends Oct. 25.

CALENDAR

(To place an event in the FYI calendar, send date on subject, time and place to the Office of Information Services)

OCT. 14-18	Symposium: "Frontiers of the Semi-Arid World," The Museum	OCT. 25	Film, "Skin Game," University Center, 7 & 9:15 p.m.
OCT. 17-18	50th Anniversary Guest Lecture Series		Recital, James Barber, violin; Thomas Redcay, piano, University Center, 8:15 p.m.
OCT. 17	All University Convocation, Alvin Toffler, speaker, Municipal Auditorium, 8 p.m.	OCT. 26	Football, SMU at Dallas, 2 p.m.
OCT. 18-19	Starving Artists Show, University Center		"The Maya: Children of the Sun," Moody Planetarium, 3 p.m.
OCT. 18	Distinguished Alumnus Banquet, University Center ballroom, 7 p.m.	OCT. 27	"The Maya: Children of the Sun," Moody Planetarium, 3 p.m.
	Dads Association "House of Hospitality," University Center Coronado Rm., 7:30 p.m.		Film, "Skin Game," University Center, 7 p.m.
OCT. 18-22	"Play It Again, Sam," Laboratory Theater, 8:15 p.m. daily except Oct. 19 when performances will be at 7 p.m. and 9:30 p.m.	OCT. 29	Flute recital, Michael Stoune, University Center ballroom, 8:15 p.m.
OCT. 19	Dads Day: Registration Coffee, 9-11 a.m.; Association business Meeting, 11:15 a.m.; Dads Luncheon, 12:15 p.m., all in University Center; Mothers Luncheon, Wall-Gates Cafeteria, 12 noon		Art Seminar: "Hugo van der Goes," Rabbi Alexander Kline, The Museum, 10 a.m.
	Reception and dedication of Peter Rogers mural, The Museum, 2 - 3:30 p.m.	OCT. 31	Organ recital, Jerry Brainard, First United Methodist Church, 8:15 p.m.
	"The Maya: Children of the Sun," Moody Planetarium, 3 p.m.	OCT. 31	Halloween Carnival, University Center
	Film, "Up the Sandbox," University Center, 7 & 9:15 p.m.	NOV. 2	Intercollegiate Rodeo, Municipal Coliseum, 8 p.m.
	Football, Arizona at Lubbock, 7:30 p.m.	NOV. 2	
OCT. 20	Ranch Headquarters tours, The Museum, 2-4:30 p.m.		Football, Rice at Houston, 2 p.m.
	"The Maya: Children of the Sun," Moody Planetarium, 3 p.m.	NOV. 3	"The Maya: Children of the Sun," Moody Planetarium, 3 p.m.
	Film, "Up the Sandbox," University Center, 7 p.m.		"Butch Cassidy and the Sundance Kid," University Center, 7 & 9 p.m.
OCT. 21	Junior Varsity Football, Baylor at Waco, 7:30 p.m.		Organ recital, Michael Chibbett, First United Methodist Church, 8:15 p.m.
OCT. 22	Art Seminar: "Roger van der Weyden," Rabbi Alexander Kline, The Museum, 10 a.m.		"The Maya: Children of the Sun," Moody Planetarium, 3 p.m.
OCT. 23-25	Free University registration, University Center	NOV. 4	"Butch Cassidy and the Sundance Kid," University Center, 7 p.m.
OCT. 23	Accademia Monteverdiana concert, University Center ballroom, 8:15 p.m. (Artists Series)	NOV. 5	Gewandhaus Symphonic Orchestra, Municipal Auditorium, 8 p.m.
OCT. 24	International Fair, University Center		Dairy Industry Conference, Holiday Inn Parkway
	Brass Percussion Ensemble, Rm. 1, Music Bldg., 8:15 p.m.		Art Seminar: "Hugo van der Goes," Rabbi Alexander Kline, The Museum, 10 a.m.
			Recital, Arthur Follows, cello; Lora Ching, piano, The Museum, 8:15 p.m.

NOTABLE QUOTE

"For yesterday is but a dream, and tomorrow is only a vision; but today well lived makes every yesterday a Dream of Happiness and every tomorrow a Vision of Hope." -- From the Sanskrit

Submitted by Charles E. Houston, Professor Emeritus of Electrical Engineering, who will receive from FYI a campus photo suitable for framing.

VOL. 5, NO. 11, Nov. 6, 1974

HOMECOMING EVENTS WILL HIGHLIGHT WEEKEND

Ex-students and alumni of Texas Tech return to the campus this weekend (Nov. 8-9) for homecoming which will feature the return of the traditional parade.

(See calender in this issue for time and place of most homecoming events.)

The awards luncheon at 12:15 p.m. Friday will recognize recipients of Top Techsan awards. The awards will be presented to four staff members for exceptional service to the university.

The recipients, along with new association officers and faculty and staff who have retired during the past 12 months will be honored at an afternoon reception.

A complete schedule of events will be available at the registration desk for ex-students and alumni.

RETIRING IN 1975?

Texas Tech faculty and staff who plan to retire in 1975 should request an estimate of benefits from the Teacher Retirement System (TRS) now, according to Prof. Haskell Taylor, chairman of the Committee for Retired Faculty and Staff.

Persons interested in benefit information should use form TRS 18, "Request for Estimate of Retirement Benefits." Information provided by this form enables TRS to prepare an accurate estimate of benefits which the member may expect upon retirement. Actual application for retirement (TRS30) would then be made at a later date.

AWARD GOES TO HOLDENS

Dr. and Mrs. William Curry Holden have been presented the Ruth Lester Award for Meritorious Achievement in Historic Preservation by the Texas Historical Commission.

REGENTS MEET NOV. 15

The Board of Regents for Texas Tech University and the Texas Tech University School of Medicine will meet at 8:30 a.m. Friday, Nov. 15, in the St. Angelus Room of the Central National Bank in San Angelo.

San Angelo is the home of regent Frank Junell who has served two terms as chairman. Junell is chairman of the board of Central National Bank in San Angelo.

INSURANCE REP AVAILABLE

Faculty and staff members are reminded that a representative of Blue Cross is on campus the first Wednesday of each month to answer questions and provide assistance. He will be available in person or by telephone (2-1112) in the Personnel Office Wednesday afternoon, Nov. 6.

MUSIC THEATER PRESENTS "CARMEN" NOV. 15-16

The Texas Tech Music Theater will present "Carmen," featuring Theresa Treadway, Tech's affiliate artist, in the title role, Nov. 15-16 in the Lubbock Municipal Auditorium.

Tickets are available at the office of the Music Department and all seats are reserved for both performances. Prices are \$3.50, \$2.50 and \$1. Reservations may be made by telephoning 742-1121, and tickets may be ordered from the Department of Music, P.O. Box 4239.

SCHOLARSHIP RECIPIENTS, DONORS TO BE HONORED AT ANNUAL PIG ROAST

Donors and recipients of more than \$25,000 in scholarships will be honored at the annual Pig Roast of the College of Agricultural Sciences at 6 p.m. Thursday (Nov. 7).

The Pig Roast this year will commemorate the late Howard Alford; and the first two recipients of Howard Alford scholarships will be recognized.

A permanent endowment fund has been created by friends of Alford in his memory.

FACULTY, STAFF REMINDED OF OPEN ENROLLMENT

The month of November has been designated as an open enrollment for the Deferred Compensation Program, according to a reminder to staff and faculty by the Personnel Office.

Group meetings have been scheduled at various locations on campus to explain the program. Representatives of the various companies authorized to underwrite the program will be in attendance at each meeting.

Application forms received in the Payroll Section, Room 42, Administration Building, on or before Nov. 30 will become effective Jan. 1.

ALPHA PI MU HONORED

The Texas Tech chapter of Alpha Pi Mu, industrial engineering honor society, has been named the outstanding chapter in the nation for the 1973-74 academic year.

SCHOOL OF PHARMACY AND HOME EC PROGRAM OKAYED BY COORDINATING BOARD

A new School of Pharmacy and a doctoral program in home economics for Texas Tech have been approved by the Coordinating Board, Texas College and University System.

Dr. Grover E. Murray, Texas Tech president, emphasized that the approval for the School of Pharmacy was only that, and that the school's actual establishment would have to await funding by the Texas Legislature.

The Graduate School, however, can begin accepting applications immediately from candidates for the doctorate in home economics. Most of the courses already are being offered, although a few core courses will not be offered until next fall.

The new School of Pharmacy, scheduled to begin operation in 1976, will offer a program leading to a Bachelor of Science degree in Pharmacy. The first two years of the curriculum will consist of prescribed pre-professional courses already in existence at Texas Tech. Following this will come three professional education years within the School of Pharmacy.

HEATING, COOLING OFF FOR PERIOD DURING HOLIDAYS

The Central Heating and Cooling Plant will be shut down for a 48-hour period sometime between Dec. 22 and Jan. 1.

Tentative plans call for the shut-down on Dec. 23-24, but exact dates will depend upon weather and the status of critical research projects.

The shut-down is necessary to tie the new addition of the Central Heating Cooling Plant to the campus system. During the 48-hour period, the only buildings with heat will be the X-buildings with gas fired furnaces and the only buildings with air conditioning will be those with individual window units or spaces cooled with individual building units. Compressed air used for heating/cooling control purposes will also be shut off.

Anyone desiring more information may call Building Maintenance at 742-3276.

DIRECTORIES AVAILABLE

Texas Tech University campus telephone directories may be purchased from the Bookstore. They are priced at 50 cents per copy.

Departments should buy their supply directly from the Bookstore. The directories may be purchased by submitting the account number to which they will be charged.

**UNITED WAY CAMPAIGN
EXTENDED ON CAMPUS**

The United Way campaign is being extended through this week on campus. The total contributed and pledged is slightly below the total for last year and several thousand dollars below the goal of \$40,000 which Texas Tech had set for itself. The total as of Friday, Nov. 1 was \$34,335.

"We had decided, after considerable study, that we should normally expect to raise a few thousand dollars more this year than last, in order to take into account the inflation dollar loss each of the 30 United Way agencies are experiencing," The Texas Tech United Way Cabinet said in a memorandum to faculty and staff.

Employees who have not contributed still may make contributions or pledges through their department head or supervisor or deliver them to the Budget Office in the Administration Building.

FILE FOLDERS SCARCE

The Purchasing Office advises that file folders continue to be in short supply, with delivery time up to six months. Also, the cost is increasing rapidly. Everyone is urged to check his file cabinets and salvage folders for reuse.

EXHIBITS
"CARMEN" -- Library foyer, through Nov. 16
COLORPRINT USA -- Art Department Teaching Gallery, Nov. 10-29
ROPE SCULPTURE by Bill Lockhart -- The Museum, Nov. 10-Dec. 8
TREASURE OF THE MONTH, Famous autographs -- The Museum, through Dec. 2
SHELLS: SYMMETRY AND SCIENCE -- Library, through Nov. 31
SHELLS: GOVERNMENT RESEARCH -- Library document case, through Nov. 31
HOMECOMING TROPHIES -- Library foyer, through Nov. 8
MEXICAN BALLET -- Library, through Nov. 7

**SYSTEMS AND PROCEDURES
OFFICE IN NEW LOCATION**

The Office of Systems and Procedures has moved to Room 7, Administration Building. Dan Williams is director of the office and Mrs. Peggy James is responsible for the Operating Systems and Procedures Manual. Correspondence and inquiries dealing with the manual should be directed to Mrs. James.

HONORS AND AWARDS

Dr. James C. Caldwell, associate professor of accounting, has received the Richard S. Claire Award of Beta Alpha Psi, national honorary and professional accounting fraternity.

Dr. Julian Biggers, chairman of the Educational Foundations and Services Area in the College of Education, has been installed as president-elect of the Texas Association of Counselor Education and Supervision. He will assume the presidency next year.

Dr. Claude C. Lilly, professor of business administration, has been named chairman of a new National Association of Life Underwriters Committee. The committee will attempt to encourage a stronger relationship between the academic community and the practitioners. It is anticipated the first meeting will be held in the West, possibly at Texas Tech.

Mrs. Genette Henderson, an employee in the Internal Audit Department, has received the American Institute of Certified Public Accountants Elijah Watt Sells Award for outstanding achievement. The awards are presented to CPA candidates who take all four sections of the Uniform Certified Public Accountant Examination at one time and receive the highest grades.

CALENDAR

(To place an event in the FYI calendar, send data on subject, time and place to the Office of Information Services)

NOV. 7	Pig Roast, Aggie Pavilion, 6 p.m. Films: "Grand Hotel" and "Shanghai Express," BA Lecture Hall, 7 p.m.		
NOV. 8	"Fiesta Folklorico," Municipal Auditorium, 8 p.m. Ex-Students Association Executive Board, University Center, 10 a.m. Ex-Students Association Awards Luncheon, University Center, 12:15 p.m. Ex-Students Association Council, University Center, 2 p.m. Reception honoring Ex-Student Association officers, Top Techsans and recently retired faculty and staff members, Ex-Student Building, 3:30 p.m. Century Club Dinner, University Center, 6:30 p.m. Bonfire and pep rally, north of Wiggins Complex, 7 p.m. Ex-Students Association dance, KoKo Palace, 9 p.m.	NOV. 12	"The Maya: Children of the Sun," Moody Planetarium, 3 p.m. Art Seminar: "Hieronymos Bosch," Rabbi Alexander Kline, The Museum, 10 a.m.

VOL. 5, NO. 12, Nov. 20, 1974

FACULTY COUNCIL MEETING

The faculty Council will meet at 3 p.m. Tuesday, Nov. 26, in the University Center Ballroom. The meeting is open to all members of the faculty. Dr. Grover E. Murray, university president, will preside.

OPTIONAL RETIREMENT PROGRAM DEADLINE

New full-time faculty, appointed effective Sept. 1, 1974, are reminded that the deadline to choose the Optional Retirement Program is noon, Wednesday, Nov. 27. If no action is taken within the 90 days provided, a faculty member is determined to have chosen to remain a member of the Teacher Retirement System, according to the Personnel Office.

The opportunity to participate in the Optional Retirement Program is a one-time decision and will not be available again.

A few full-time administrative and professional staff members also have this same option under the same conditions and with the same deadline. Part-time faculty who were increased to full-time status for the first time Sept. 1, 1974, also are eligible.

Each eligible member is urged to compare the provisions of the Teacher Retirement System and the Optional Retirement Program. Selecting a retirement system is an important decision with long term consequences that justifies a member's informed and considered judgment. Additional information may be obtained by calling 742-1114.

Members who decide to change to the Optional Retirement Program need to insure that their enrollment forms are delivered to the Payroll Section, Room 42, Administration Building, before the Thanksgiving holidays.

TECH PROFESSORS ELECTED BY STATE DIETITIANS

Assistant Prof. Margarette Harden of the Department of Food and Nutrition has been installed as president of the Texas Dietetic Association (TDA).

Assistant Prof. Helen Brittin, also of Food and Nutrition, has assumed the chairmanship of the association's Education Section. Both Profs. Harden and Brittin are registered dietitians.

CAROL OF LIGHTS PROGRAM SCHEDULED DECEMBER 6

The traditional Carol of Lights program, heralding the Christmas-New Year's holiday season, will be presented Dec. 6 in the Science Quadrangle.

The lights outlining buildings near the center of the campus will burn from dusk until midnight from Dec. 6 through Jan. 2.

TECH REGENTS TO HEAR CONSULTANTS' REPORT ON INDIANA DEC. 10; TRC REQUEST TO BE STUDIED

The Board of Regents set a tentative date of Dec. 10 to receive a report from consultants on how Indiana Avenue should be extended across the campus.

Regent A.J. Kemp Jr. suggested the meeting be held jointly with the Lubbock City Council, and Chairman Clint Formby of the Board of Regents said the meeting would be open to the public.

The board also ordered a staff

RECENTLY RETIRED STAFF AND FACULTY RECOGNIZED

Twenty-seven recently retired faculty and staff were given special recognition at the annual Century Club dinner.

They were employees who have retired within the last 12 months and whose employment was as long as 10 years.

They were, with the number of years: Charles Ernest Houston, 42; Mrs. Anna Burt Gibson, 41; Mrs. Jean Ayres Jenkins, 39; Dr. James William Davis, 36; Dr. Mary Sue Carlock, 31; Miss Quanah Lewis, deceased, 28; Ira Lawson Williams, 22; I.C. Lankford Jr., 21; Dr. Morris Wallace, 19;

Mrs. Dorothy Taft Garner and Mrs. Alma Margaret Smith, 18; Mrs. Ruth Christy Parrott, 17; Mrs. Lois Louise Wheeler, 15; Mrs. Lillian Jo Lewis and Miss Dixie Boyd, 14; Mrs. Mary Maxine Daly, Mrs. Macie Faye Mathis, and Salvador Ortiz Rangel, 13;

Mrs. Margaret Patten Applegate, William Taft Blevins, Mrs. Mattie Katherine Nelson, Mrs. Imogene Valentine Waynick, and Mrs. Clair Dean Ray Westbrook, 12; Mrs. Daisy Beatrice Billings, 11; Mrs. Mary Alberta Blaylock, Jim Bob Hoover, and Mrs. Alma Ruth Meier, 10.

FIVE TOP TECHSAN STAFF AWARD WINNERS HONORED

Five staff employees who received the 1974 "Top Techsan" Staff Awards were recognized by the Ex-Students Association at a luncheon Nov. 8.

They are: Harry Arthur, associate director of the Textile Research Center; Gaines Scott, general services foreman, Warehouse; Miss Gerie L. Pirkey, chief accountant in Research Accounting and Reporting; Mrs. Nancy Lance, accounting clerk in charge of stadium options in the Athletic Department; and Cliff Stogner, shop foreman for the Tech Press.

WILLIAMS "DISTINGUISHED"

Dr. Doyle Z. Williams, chairman of Accounting, participated in the Homecoming Week Distinguished Alumni Program at Northwestern State University (NSU) of Louisiana at Natchitoches.

He was selected as the 1974 Department of Accounting "Distinguished Alumnus" of NSU.

study of a Textile Research Center (TRC) request for a \$1 million expansion program.

In other business, the board:

*Heard Dean Robert H. Anderson of the College of Education report on progress, plans and needs of the college.

*Heard student leaders report that a large percentage of teachers have agreed to allow student evaluation of their teaching to be published next spring.

*Awarded a \$744,300 contract for a food technology addition to the College of Agriculture Building.

*Awarded three contracts totaling \$206,587 for Phase II of the University Greenhouse.

*Approved changing the name of the Veterinary Science Building to Animal Science Building.

*Approved revised schematic plans, and authorized revising the contract and receipt of bids for the recreational swimming pool.

SCHOOL OF MEDICINE

Dr. Richard Lockwood, vice president for Health Sciences Centers, told regents, sitting as the governing body for the School of Medicine, that academic programs are being geared to help fill medical needs lacking in the community.

He said several new faculty members are specialists in areas which have not been available in West Texas medical services.

Specialists in physiatry (the science of treatment of diseases primarily by physical therapy), in diseases of the retina, and in acute problems among newborn babies are now on the Medical School staff.

MOTOR POOL HAS VEHICLES FOR DEPARTMENTAL USE

The University Motor Pool has two vehicles available for daily rental to university departments: a 1974 Chevrolet eight-passenger 2x2 Carryall, and a 1974 Chevrolet eight-passenger 4x4 (4 wheel drive) Carryall.

Departments wanting to use the vehicles should send a written request to the University Motor Pool, Physical Plant building, stating dates, type of vehicle and purpose of the trip. Requests must be signed by the department head, and only staff and faculty members are authorized drivers.

Since the use is on a first come-first served basis, it is strongly recommended the requests be submitted as far in advance as possible.

Rates for the 2x2 Carryall are \$6 per day and 3 cents per mile without gasoline or 9 cents per mile with gasoline; for the 4x4 Carryall \$8 per day and 4 cents per mile without gasoline or 12 cents per mile with gasoline.

Additional information is available from the Motor Pool at 2-7171 or 2-3208.

J. KNOX JONES ELECTED TREASURER OF OTS

Dr. J. Knox Jones, Jr., vice-president for Research and Graduate Studies and dean of the Graduate School, has been elected treasurer of the Organization for Tropical Studies (OTS).

He was elected at a meeting of the Board of Directors of OTS in San Jose, Costa Rica, Nov. 8-9. He previously served as a member of the Executive Committee of the board.

OTS is a consortium of 28 institutions of which Texas Tech is one of the institutional members.

COLLEGE OF PHYSICIANS ADMITS BUESSELER, TYNER

John A. Buesseler, M.D., vice-president for Health Affairs, and George S. Tyner, dean of the School of Medicine, have been admitted to fellowship in the College of Physicians of Philadelphia.

The College of Physicians of Philadelphia was founded in 1787, the first learned society of its type in the United States.

COMPUTER SERVICE HOURS

Computer Services has extended operating hours on an experimental basis, adding four hours to the Saturday schedule. The Saturday operating hours now are from 10 a.m. to 7 p.m.

EXHIBITS

COLORPRINT USA -- Art Department Teaching Gallery, through Nov. 29

ROPE SCULPTURE by Bill Lockhart -- The Museum, through Dec. 8

TREASURE OF THE MONTH, Famous autographs -- The Museum, through Dec. 2

SHELLS: SYMMETRY AND SCIENCE -- Library, through Nov. 30

SHELLS: GOVERNMENT RESEARCH -- Library document case, through Nov. 30

CAXTON IN RETROSPECT -- Library, through Nov. 30

KILLION IS HONORED

Prof. Dean Killion, director of bands, was honored as a "distinguished alumnus" of the University of Nebraska at Lincoln at Masters Week ceremonies Nov. 14-16.

He was among 11 "distinguished alumni" honored at a banquet and a reception. He also spoke to several classes during the three days of programs.

WORK AVAILABLE

The International Programs Office has a list of students available for baby-sitting and yard work. Call Jennie Anderson, 742-3391.

ANTHROPOLOGISTS MEET IN MEXICO CITY

Drs. W. J. Mayer-Oakes, A.M. Coelho Jr., P.A. Dennis and N.P. Hickerson of Tech's Department of Anthropology are slated to chair sessions and present papers at the American Anthropological Association meeting in Mexico City Nov. 20-25.

Dr. David Rodnick, professor of sociology, also will chair a session at the meeting.

Leigh Caskey, graduate student in anthropology, will present a paper during the meeting.

MEIGS, KILLION, BREWER RECEIVE MUSEUM AWARDS

The West Texas Museum Association presented action awards for outstanding cultural achievements to Dr. Mary Louise Brewer, who retired as associate professor of English this year, Dean Killion, director of bands at Texas Tech; and artist John Meigs of San Patricio, N.M.

William D. Armstrong was elected president of the association, succeeding F. William Holder. Other officers elected were L. Edwin Smith, vice-president; Mrs. W. D. Blankenship, secretary; and Bill Edd McLaughlin, treasurer.

VOL. 8, NO. 13, Dec. 11, 1974

MURRAY ADDRESSES MEETING OF FACULTY COUNCIL; THREE AMENDMENTS TO CHARTER ARE PRESENTED

President Grover E. Murray, presiding over the Faculty Council fall meeting, discussed recent developments in higher education across the nation.

"In one way or another, higher education is under attack from many quarters for many reasons," Murray said. "If one peruses the history of this nation, one cannot help but conclude that higher education has played a substantial role in contributions to the nation and in the development of this nation."

"We all have a goal here," he said, "of giving students the best possible training for future life we can give them, teaching them to think, helping them to learn, broadening their horizons and making them better citizens for what has become a very complex and rapidly changing world. If we don't do that, we are doomed to fail; and we will lose the viability and vitality which have permitted higher education to make such a major contribution to the development and sustenance of this nation."

Dr. Charles Hardwick, chairman, Faculty Council Executive Committee, presented a proposal for the Texas Tech Academic Excellence Fund. Approved by the council, the fund will be developed and used in pursuit of the university's goal for excellence.

The Continuing Education Committee of the council was recognized for performing its duties with distinction. Members of the committee will receive copies of a letter of commendation from the Executive Committee.

Petitions for changes in the Faculty Council Charter were presented for action at a later meeting.

They were:

An amendment to Article II, Section 2, would allow no department or academic area to be represented by more than one member on the Executive Committee.

NEW DEANS APPOINTED IN BUSINESS ADMINISTRATION

Dean Jack D. Steele of the College of Business Administration has announced appointments and administrative changes "to recognize the major thrusts of the college."

The thrusts are in the areas of educational programs, research and administration.

Prof. Carl H. Stem has been appointed associate dean for the college and he will work closely with the dean's office.

Other appointments to associate deanships are Carlton Whitehead, professor of management, for graduate studies; Tom Dock, associate professor of information systems and quantitative sciences, for research; and Haskell Taylor, professor of accounting, for administration. All will continue to teach in their areas.

Until the recent appointments, there was only one associate dean, Dr. Robert D. Amason, who has resigned that position to return to full-time teaching in the Area of Marketing.

An amendment to Article III, Section 5, would prohibit members of the Executive Committee from serving consecutive terms. Members would be eligible for reelection to the committee after a one-year interim.

An amendment to Article III, Section 4, would create a ratio of non-tenured to tenured members of the Executive Committee not greater than the ratio of non-tenured members of the voting faculty.

Amendments become effective after ratification by the President and approval by the Board of Regents.

Dr. Orlo E. Childs suggested the Faculty Council instruct the Executive Committee to respond with letters of commendation to each of the committees with outstanding service.

COOLING, HEATING OFF FOR PERIOD DURING HOLIDAYS

The Central Heating and Cooling Plant will be shut down for a 48-hour period sometime between Dec. 22 and Jan. 1.

Tentative plans call for the shut-down on Dec. 23-24, but exact dates will depend upon weather and the status of critical research projects.

The shut-down is necessary to tie the new addition of the Central Heating Cooling Plant to the campus system. During the 48-hour period, the only buildings with heat will be the X-buildings with gas fired furnances. The only buildings with air conditioning will be those with individual window units or spaces cooled with individual building units. Compressed air used for heating-cooling control purposes also will be shut off.

Anyone desiring more information may call Building Maintenance at 742-3276.

SOUVENIR PROGRAMS

The Office of Information Services has a number of programs remaining from the Convocation Commemorating the Fiftieth Anniversary of Texas Tech University. Persons who want programs as souvenirs are invited to order them by calling 2-4136. Additional programs have been die cut so that they can be used for paper covers. These bear the 50th Anniversary seal and have a hole cut in them to reveal the paper title.

TECH OFFICES TO CLOSE FOR CHRISTMAS HOLIDAYS

The administrative offices at Texas Tech will close at 5 p.m. Friday, Dec. 20, and remain closed until 8 a.m. Thursday, Jan. 2, for the Christmas holiday.

Residence halls close at 10 a.m. Saturday, Dec. 21, and will reopen for occupancy for the spring semester at 10 a.m. Tuesday, Jan. 14. Spring semester registration is scheduled for Jan. 15-18. Classes begin at 7:30 a.m. Monday, Jan. 20.

PURCHASE OF PEACH BOWL TICKETS FOR YOUNG FANS IN ATLANTA AREA URGED

Tickets to the Peach Bowl football game between Texas Tech and Vanderbilt are on sale at the Texas Tech Athletic Office during regular business hours, 9 a.m. to 5 p.m. They are priced at \$6.00 and \$7.50.

Tech supporters who wish to help the university sell the tickets allotted to it are encouraged to buy blocks of tickets and send them to boys' and girls' clubs, children's homes, disabled veterans' organizations and others in the Atlanta area who likely would not be able to obtain tickets otherwise.

Firms, businessmen, faculty and staff, and others are invited to make such purchases and the Tech Athletic Office will handle arrangements for delivering the tickets to Atlanta for distribution to recipients.

TEXAS TECH HITS 93.5% OF UNITED WAY GOAL

The Texas Tech faculty, staff and student body contributed \$37,434.11 to the United Way during the annual fall campaign, reaching 93.5 per cent of its goal of \$40,000.

This year's total was up from \$34,691.08 for 1973 and the number of contributors was up from 1,528 in 1973 to 1,692 in 1974.

Groups with total contributions over \$1,000 included: Arts and Sciences, \$8,117; General Administration, \$5,058; School of Medicine, \$4,378; Engineering, \$3,373; Retired Faculty, \$2,162; Education, \$1,835; Agricultural Sciences, \$1,799; Business Administration, \$1,775; Physical Plant, \$1,741; Auxiliaries, \$1,718; and Home Economics, \$1,691.

GET YOUR SCHEDULES IN

The next issue of **FOR YOUR INFORMATION**, Jan. 8, 1975, will be the spring semester calendar. Faculty and staff are encouraged to list their events with the Office of Information Services, Room 218, Administration Building, telephone 2-4136, as soon as possible, in any event no later than Thursday, Dec. 2.

EXHIBITS

TREASURE OF THE MONTH,
Madonnas from the collection of
Margarette Harden -- The
Museum, through Dec. 30

**ANNUAL JURIED
WATERCOLOR SHOW** -- The
Museum, Dec. 15 -- Jan. 12

MADONNAS IN ART -- Library
foyer, through Jan. 2

**BOOKS FOR CHRISTMAS
GIVING** -- Government
Document Case, Library,
through Jan. 2

**UKRAINIAN CHRISTMAS
CARDS** from the collection of
W.T. Zyla -- Library, through
Jan. 2

KTXT-TV PRODUCTIONS NOW IN FULL COLOR

KTXT-TV (Channel 5) broadcast its
first locally originated color program
Nov. 26.

Color production equipment was
installed at the campus station through a
grant from the Educational Broadcasting
Facilities Program of the Department of
Health, Education and Welfare.

The station began broadcasting in
1962. Capabilities for rebroadcast of
network originated color programs were
added to the station in 1969.

BLUE CROSS TO PROVIDE CUSTOMER SERVICE

Blue Cross has agreed to provide a
"customer service representative" to
answer questions and provide assistance
to all Texas Tech faculty and staff,
according to the university Personnel
Office.

Mrs. Cuyleen Jones has been
designated as the person who will serve in
that capacity. Her office is in Room 211,
Court Place Building, Texas Avenue and
Main Street, in downtown Lubbock,
telephone 763-7094.

She also will be on campus in the
Faculty and Staff Benefits Office, Room
42, Administration Building, on the first
and third Wednesday afternoon of each
month. When on campus she may be
reached at 2-1112.

Her next visits will be Dec. 18 and
Jan. 2. The second date is a Thursday,
since Wednesday, Jan. 1, is a university
holiday.

REGIONAL COORDINATOR

Sidney McQueen, assistant
director, Activities, University Center, has
been appointed coordinator of Program
Development for the 75 member colleges
and universities of Region 12, Association
of College Unions, International. Region
12 includes schools in Texas, Arkansas
and Louisiana.

INTERNATIONAL STUDENTS AVAILABLE FOR SITTING

The International Programs
Office has a list of international
students who will be available for
house-sitting positions during the
Christmas break.

Since residence halls on
campus are closed for the duration
of the semester break, from
Saturday, Dec. 21, until Tuesday,
Jan. 14, the international students
who live in residence halls need
temporary off-campus housing.

Additional information may
be obtained from Jennie Anderson
or Beverly Boucher at 742-3391.

LUCHSINGER SELECTED

Dr. Louise Luchsinger of the
marketing faculty in the College of
Business Administration has been named
the first executive director of the newly
organized 1,000-member Allied
Association of Southern Business
Associations.

She has completed a one-year term
as president of the Southern Marketing
Association. The new Allied Association
of Southern Business Associations
includes the Southern Management
Association, the Southern Risk and
Insurance Association and the Southern
Marketing Association.

VOL. 5, No. 15, Jan. 22, 1975

SPECIAL HOURS HELP PART-TIME STUDENTS

Some 302 persons registered as part-time students for the spring semester during a special registration conducted by the Division of Continuing Education.

Registration was extended to 8 p.m. Jan. 6-10 and 13-14 to reach people whose work otherwise would have prevented them from registering, according to D.M. McElroy, director of Continuing Education.

"Almost 40 per cent of the part-time students who registered indicated they would not have registered if the special hours had not been available," McElroy said. Many of the registrants--73 of 187 asked--said they would not have registered had not the special hours been provided. Projected over the total registration figure, it was estimated 116 enrolled because of the special registration.

A full-page listing of night courses in the local newspaper, news releases, public service announcements on radio and television were used to publicize the special registration.

"This semester was the first time a full page listing of night courses in the local newspaper was used," McElroy said. "That, in combination with the other media announcements, has helped bring our special registration figures up from 112 last fall and 22 last spring to this year's 302."

MUSEUM ANNOUNCES GIFT OF SHARP PAINTING

The Museum of Texas Tech has announced the gift of a Joseph Henry Sharp painting.

"The gift of Sharp's 'Old Tribal Chants' is a major contribution," Museum Director Craig C. Black said, "to what we anticipate will be one of Texas' finest collections, 'The Artist in the West'."

The painting will be shown with other major works belonging to The Museum in a new gallery now in the planning stages.

"Old Tribal Chants" was given from the Novadean and Fred T. Hogan Collection. The Hogans, longtime residents of Midland, have an outstanding art collection and within it are represented the artists of the Taos Society of Artists.

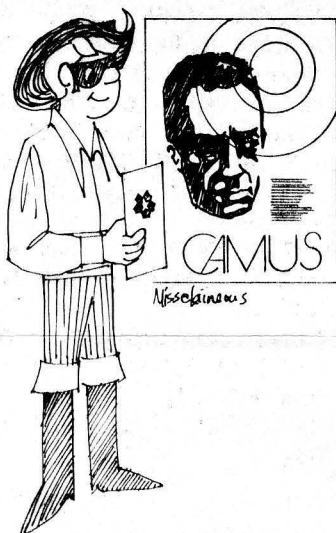

SOCIAL SECURITY TAXES INCREASE FOR SOME

Social security taxes increased Jan. 1, for employees whose annual salaries are more than \$13,200, according to Rex Jasper, head of the Payroll Department.

The increase is caused by the increase in the wage base on which social security taxes are computed from \$13,200 to \$14,100.

The rate of the tax has not changed.

For employees earning more than \$14,100 and who earned more than \$13,200 in 1974 the social security taxes for 1975 will be \$52.65 greater than those paid for 1974.

COMPARATIVE LITERATURE SYMPOSIUM BEGINS TODAY

"Albert Camus' Literary Milieu: Arid Lands" is the theme of Texas Tech's Eighth Annual Comparative Literature Symposium to be held Jan. 22-24. Sessions begin at 2 p.m. and 7 p.m. Wednesday and at 8:30 a.m. and 2:30 p.m. Thursday and Friday in the University Center Ballroom.

President Murray will speak on "Perspectives of the University" at Wednesday's afternoon session. The evening lecture will be presented by Dr. Haskell M. Block, City University of New York, whose topic will be "Spiritual Regeneration in the Work of Camus."

Thursday's program will include lectures by Dr. Jerry L. Curtis of Rice University, Dr. Anna Balakian of New York University, Dr. Patricia Hopkins of Texas Tech, and Dr. Brian T. Fitch of the University of Toronto.

Friday's speakers will be Dr. Tom Bishop of New York University, Dr. Marilyn Schneider of the University of Minnesota, Dr. Phillip Rhein of Vanderbilt and Dr. Vivian Davis and Dr. Theodore Klein of Texas Tech.

Works by Camus and playwright Eugene Ionesco will be presented at a theatrical and musical performance at 3:45 p.m. Wednesday in the University Theater. Other highlights will include an exhibit of Camus' manuscripts, first editions and photographs in The Museum, and an exhibit of visiting lecturers' works in the Bookstore.

A GOOD STUDENT . . .

Is the most important person ever to enter this institution.

Is not dependent upon us. We are dependent upon the student.

Is never an interruption of our work. He is the purpose of it. We are not doing him a favor by serving his needs. He is doing us a favor by giving us the opportunity to do so.

Is not an outsider of our business. He is the mainstay of it.

Is not a cold statistic. He is a flesh and blood human with feelings and emotion like your own.

Is not someone to argue or match wits with, but to courteously and dependably serve.

---Submitted by Wendell Tucker.

ACADEMIC SUBCOMMITTEE OF "50" HOLDS MEETING

The Academic Subcommittee of the Committee of Fifty, a long range advisory group named to work with the university during its Fiftieth Anniversary Celebration, held its organizational meeting Jan. 13.

The subcommittee heard reports and presentations by Dr. William R. Johnson and Dr. Samuel Curl of Academic Affairs, Dr. J. Knox Jones Jr. of Research and Graduate Studies, and Dr. Thomas A. Langford of the Graduate School. President Grover E. Murray also addressed the group.

Members of the subcommittee are William H. Baker, publisher of the Laredo Times; Dr. Robert L. Clinton, president of Western Texas College, Snyder; Dr. Hortense Dixon, vice president for Urban Programs, Texas Southern University, Houston; Dr. William Pearce, president of Texas Wesleyan College, Fort Worth; Ed Irons, superintendent of schools, Lubbock; Karen Johnson, legal counsel, West Texas State University, Canyon; Wendell Mayes, Austin radio station executive; and Dr. W.J. "Dub" Waldrip, Lubbock, manager of the Spade-Renderbrook ranches.

STRAWN NAMED HEAD OF FACULTY, STAFF BENEFITS

C.B. Strawn, director of Personnel since 1970, has been promoted to director of Faculty and Staff Benefits.

His new assignments include responsibility for long term planning, analysis, and evaluation of university benefit programs; counseling faculty and staff concerning group insurance programs; teacher and optional retirement, tax sheltered annuities, deferred compensation programs, and coordinating benefits programs.

Wendell Tucker, associate director of Personnel since 1969, has been named interim director of Personnel. During his more than 12 years service at Tech, he has served in positions of increasing responsibility in all areas of the classified, professional and administrative personnel program.

REGISTRATION NEARS 20,000 FOR SPRING

A total of 19,770 students had enrolled for the spring semester at the close of regular registration Sat., Jan. 18. The figure includes 11,343 men and 8,427 women.

Students will be able to register through Jan. 31, the 10th day of classes.

Pass/fail declarations and student initiated drops and adds begin today, according to D.M. Peterson, registrar.

PAYROLL SECTION OPEN SATURDAY, FEB. 1

Texas Tech employees may pick up January pay warrants between 8 a.m. and noon, Saturday, Feb. 1, in the Payroll Section, Rm. 42, Administration Bldg.

LIBRARY RECEIVES TENT SHOW PLAY MATERIALS

Joe McKennon of Fletcher, N.C., whose company of dramatic players toured West Texas in the years following World War II, has presented to the Library of Texas Tech a collection of plays, parts, typewritten notes and directors' scripts.

The gift provides resource material needed for authentic reproductions of the vintage plays, according to Dr. Clifford Ashby, director of a project for reviving the old time tent show as part of Lubbock's observance of the national bicentennial in 1976.

More than 125 plays, including some dating back to the early 1900's, are represented in the catalogue of titles.

REGENTS MEET JAN. 31

The Board of Regents for the Texas Tech University School of Medicine will meet at 8:30 a.m. Friday, Jan. 31. The meeting for the University Complex is scheduled to begin at 1:30 p.m.

EXHIBITS

THE WORK OF ALBERT CAMUS:
Manuscripts, First Editions and Photographs -- The Museum, through Jan. 31

WORKS BY CAMUS SCHOLARS --
The Bookstore, through Jan. 31

MEXICAN MASKS from the Cordry Collection -- The Museum, through Mar. 2

KITCHEN TOOLS OF THE PAST -- The Museum, through Feb. 10

DIXON BENNETT SHOW -- Art Department Gallery, through Feb. 2

"BEYOND REALITY" (art and drama) -- Library, through Jan. 31

RECENT ACQUISITIONS OF RARE EDITIONS -- Library, through Jan. 31

STUDENT ART -- Main Hall, Art Bldg.

MORE SHOWS FOR UFO HIT AT PLANETARIUM

Ticket sales will begin at 1:30 p.m. Saturdays and Sundays through February for "UFOs-Modern and Ancient" at the Moody Planetarium of The Museum.

Sellout crowds at regular performance time have caused the Planetarium staff to increase performances. Showings will begin as soon after 1:30 p.m. as ticket sales warrant.

ROBBERT PRESIDES

Dr. Louise Buenger Robbert, associate professor of history at Texas Tech, presided over a sectional meeting of the American Historical Association (AHA) in Chicago in late December.

With Dr. Frederic C. Lane, emeritus professor at Johns Hopkins University and former president of the AHA, Dr. Robbert chaired a joint session with the Economic History Association on "The Mediterranean in Economic History: (Fernand) Braudel's Synthesis Twenty-Five Years Later."

For Your Information

A Newsletter to the Faculty and Staff of the TEXAS TECH UNIVERSITY COMPLEX

Published the first and third Wednesdays of each month by the Office of Information Services, 220 Administration Building. Special editions published when required. Items should be submitted before 9 a.m. on the Friday preceding the week of publication.

VOL. 5, No. 16, Feb. 5, 1975

DR. MURRAY ASKS INPUT FOR COMMITTEE 50

The Committee 50, an advisory group to focus long-range plans, has begun its efforts to help Texas Tech University plan its future for the next decade. The committee was chosen in relation to the institution's Fiftieth Anniversary.

In a series of discussions with faculties of the schools and colleges, President Grover E. Murray is inviting input from individuals and campus groups.

"The committee is concerned with identifying appropriate special activities of the University as well as considering what ought to be its basic educational mission," said Dr. Len Ainsworth, Associate Vice President for Academic Affairs and staff officer for the committee. Items which are appropriate for Committee 50 consideration may be communicated directly to Dr. Ainsworth. "Contributions from the faculty should be in my hands soon to insure their inclusion in data being provided to the committee."

Questions should be directed to Dr. Ainsworth (742-6214). With help of a faculty committee, he is devising a questionnaire to survey faculty and students regarding their goal priorities for the future.

The external committee represents a cross-section of interests throughout the state.

The membership includes:

Dr. Eugenio Aguilar, Jr., dentist, El Paso; Dr. W.W. Akers, professor, Rice University, Tech Distinguished Engineer; Herbert Allen, business executive and civic leader and former Texas Tech Board member, Houston; Dr. Marvin L. Baker, president of South Plains College, Levelland; W.F. "Pete" Baker, attorney, president of Ex-Students Association, Abilene; William H. Baker, publisher of the Laredo (Texas) Times;

Glen Biggs, banker and civic leader, San Antonio; Amon G. Carter, Jr., publisher of the Fort Worth Star-Telegram; C.A. "Buzz" Cash, chief executive officer, Diamond-Shamrock Oil, former Tech board member, Amarillo; William W. Caudill, architect, Houston; V.A. "Bill" Clements, rancher and civic leader, Longview; Dr. Robert L. Clinton, president, Western Texas College, Tech doctorate, Snyder; Morgan J. Davis, former chief executive of Humble Oil & Refining, Houston;

Joe Dealey, executive of Dallas Morning News; Dr. Hortense Dixon, professor and vice president for Urban Programs, Texas Southern University, Tech doctorate, Houston; William C. Donnell, rancher, Marathon; Dr. Charles B. Dryden, past president of the Texas Medical Association, Wichita Falls; James Harold Dunn, corporation executive, Amarillo; Charlye O. Farris, attorney, Wichita Falls; Dr. Otto Fridia, assistant superintendent, Dallas Independent School District; C. Everett Fulgham, banker and former resident of Lubbock, Hot Springs, Ark.;

Continued on back page

REGENTS APPROVE INDIANA PROPOSAL

The Texas Tech University Board of Regents Friday (Jan. 31) accepted the recommendations of the engineering firm of Carter and Burgess reserving right-of-way for three lanes in each direction along Indiana Avenue across the campus and the building of two of those lanes in each direction at this time.

REGENTS GIVE APPROVAL TO SCHOOL OF NURSING

The Board of Regents of the Texas Tech University School of Medicine approved a proposal to establish a school of nursing. The proposal will be forwarded to the Coordinating Board.

The school is expected to relieve a current shortage of practitioners at all levels of nursing care in the South Plains region and to meet the demands for additional nursing care resulting from the expected increase in the number of hospital beds and ambulatory care facilities.

The proposals would establish four levels of training: nurses aide, licensed vocational nurse, the associate degree nurse qualified as a Registered Nurse, and the nurse with a bachelor's degree. The proposal does not include graduate work.

This allows a person to enter or leave the program at any point with a degree of qualification. It also permits people in the field to increase their skills.

NEW DEPARTMENT HEAD...

In a report on academic affairs, Dr. George Tyner, dean of the Medical School, announced an unrestricted award of \$25,000 from the Eli Lilly Foundation.

Dr. Tyner also announced the appointment of Dr. Thomas Nicholas as the new chairman of the Department of Family Practice. Dr. Nicholas, formerly of the University of Colorado School of Medicine at Denver, is working part time in Lubbock until he fulfills previous commitments in Colorado and Wyoming.

Dr. Tyner also announced that the school is changing the basis of its program to four years, while leaving the option for students with good academic credentials to change to a three-year course at the end of their freshman year.

Regents approved an agreement of affiliation with the Army Reserve which designates local hospitals affiliated with the School of Medicine to be designated "station hospitals" for purposes of reserve service requirements.

Army reservists on the faculty of the School of Medicine will be able to serve their weekend and annual training obligations at home.

CHARTER DAY FEB. 10

The third annual Charter Day observance is scheduled at 4:30 p.m. Monday (Feb. 10) in The Museum. Visiting University Professor Frederick H. Hartmann will deliver the Charter Day remarks.

Outstanding faculty and students will be recognized. Faculty, staff, students and the public are invited. A pre-program reception will begin at 4 p.m.

The Regents authorized the administration to employ the firm to prepare contract documents and to receive bids at the earliest possible date on the Indiana project.

They also authorized the administration to accept a bid provided it is no higher than the estimated \$688,000.

In other action, the Board adopted a resolution recognizing the distinguished service of Regents R. Trent Campbell, Frank Junell and Charles E. Scruggs whose terms expired at the end of January.

The Regents authorized the administration to request an increase in the transmitting power of KTXT-FM. They approved a request to the Federal Communications Commission to increase power from the present 10 watts to 1,000 watts stereo.

DEPARTMENTAL CHANGES APPROVED BY REGENTS

The Board of Regents approved four departmental changes within the university.

The board:

*Voted to forward to the Coordinating Board a request to establish a Department of Family Management, Housing and Consumer Science. The College of Home Economics would separate the Home Management Section from the Department of Home and Family Life to establish the new department.

*Approved a request to establish a Department of Entomology in the College of Agricultural Sciences and to join the departments of Agricultural Engineering and Food Technology to form the Department of Agricultural Engineering and Technology. Both items must have the approval of the Coordinating Board.

*Approved changing the name of the Department of Agronomy to the Department of Plant and Soil Sciences.

NEW DIRECTORS APPROVED FOR TTUSM FOUNDATION

The Board of Regents for the Texas Tech University School of Medicine approved 12 new members and reappointment of nine present members to the school's Foundation Board of Directors.

New members are Max Caraway, W.R. Collier, Dale H. Johnson, Harry H. Jung Jr., Jesse Mattox, Craig McDonald, Robert McKelvey, W.G. McMillan, Pat McNamara, Robert Moore, M.D., Lowell Slocum and Morris Underwood.

Members reappointed were Marshall Formby and A.C. Verner and the following medical doctors: O. Brandon Hull, Royce C. Lewis, James R. Matthews, Norman A. Monk, James G. Morris, Robert J. Salem and Emmet Shannon.

Terms of all of them expire Dec. 31, 1977.

Dr. Ernest Gloyna, dean of Engineering, University of Texas at Austin, Tech alumnus; Dr. Norman Hackerman, president of Rice University; Mike Irish, first assistant to the state district attorney, Lubbock, Tech alumnus; Ed Irons, superintendent of schools, Lubbock; Karen Johnson, legal counsel for West Texas State University, Canyon, Tech alumnus; Erik Jonsson, business executive and civic leader, Dallas; Glen Jordan, president of the State National Bank, El Paso; B.J. Kellenberger, president of Shenandoah Oil Company, Fort Worth;

John T. King, president, Huston-Tillotson College, Austin; Steve

"Tio" Kleberg, rancher, Tech alumnus, Kingsville; J.C. "Pepe" Martin, mayor of Laredo; Wendell Mayes, radio executive and Tech alumnus, Austin; Dr. Abner V. McCall, president of Baylor University, Waco; Larry Meyers, assistant to Sen. Lloyd Bentsen, Washington D.C.; James H. Milam, attorney, Lubbock; Dr. Bernice M. Moore, executive vice president, the Hogg Foundation for Mental Health, Austin; Dr. Joseph Painter, M.D., Houston;

Dr. William M. Pearce, president, Texas Wesleyan College, Distinguished Tech alumnus, Fort Worth; Mart Pederson, businessman, Tech alumnus,

former president of Dads Association, El Paso; Miss Betty Perot, EDS Center, Dallas; Robert Pfluger, rancher, San Angelo; James Plyler, superintendent of schools, Tyler; Joe Ramirez, Lubbock businessman; Emil C. Rassman, Midland attorney; Dr. Ed Schmidt, president of Texas Medical Association, Pecos; John Ben Shepperd, Odessa attorney and civic leader;

Ronnie Sizemore, former mayor of Corpus Christi, businessman; Jay Alan Thompson, attorney, former president of the Student Association, San Antonio; Roy Tolk, president of Southwestern Public Service Company, Amarillo; A.C. Verner, president of First National Bank of Lubbock, civic leader; Dr. W.J. "Dub" Waldrip, manager of Spade-Renderbrook Ranches, Lubbock; S.B. Whittenburg, former editor, Amarillo Globe-News; and Charles W. Wooldridge, utilities company executive, Tech alumnus, former Tech board member, Dallas;

Advisory members are Cecil Green, Dallas business executive and civic leader; and Rogers Aston, business executive, Museum director, and art collector, Roswell, N.M.

WARLICK CARR ELECTED REGENTS COUNCIL CHAIRMAN

M. Warlick Carr, Lubbock attorney and new chairman of the Texas Tech University Regents Council for the Future, challenged members to accept their responsibility to the council and its program of development for Texas Tech.

The council, meeting Friday, Jan. 31, adopted the development campaign to underwrite supplementary programs vital to the university's mission in higher education.

C.I. "Stoney" Wall, outgoing

chairman of the council, told members of the Board of Regents of its campaign to inform friends and associates of the institution's future developmental needs.

Regents Council members, he said, are in a position to present to potential donors the tax advantages of planned giving programs to help the university "remain the kind of institution of which we all dream. We will tell the story of Texas Tech and of opportunities for deferred giving to any likely prospect."

CALENDAR

(To place an event in the FYI calendar, send data on subject, time and place to the Office of Information Services)

FEB. 5	Blue Cross representative on campus, Rm. 42, Administration Bldg., 1- 4:30 p.m. Workshop: "Labor Management Relations in the Public Sector," Bldg. X-15, 9 a.m. - 5 p.m. "Pippin," Municipal Auditorium, 8 p.m.	FEB. 12	Basketball - SMU at Lubbock, 7:30 p.m. Faculty Council Executive Committee, Administration Bldg., 3:30 p.m. Film: "It Happened One Night," 202 BA Bldg., 7 p.m. Ramsey Clark, "Politics, Ethnicity and Government," Municipal Auditorium, 7:15 p.m. (Speakers Series)
FEB. 6-14	"Godspell," Lab Theater, 8:15 p.m. daily and at 7 & 9:30 p.m., Feb. 8	FEB. 14-15	Spring Forensic, BA Bldg., 4 p.m., Feb. 14; all day, Feb. 15
FEB. 6	Film: "Fires on the Plains," 202 BA Bldg., 7 p.m.	FEB. 14	Women's basketball - Invitational tournament at Houston Film: "The Ruling Class," University Center, 7 & 9:15 p.m.
FEB. 7	Women's basketball - Abilene Christian at Abilene, 6 p.m. Film: "The Emigrants," University Center, 6:30 & 9:15 p.m. Lecture: "Carbon-13 NMR Spectroscopy of Labeled Biological Systems," Dr. N.A. Matwiyoff, Rm 5, Chemistry Bldg., 8 p.m. Faculty Woodwind Quintet, U.C. ballroom, 8:15 p.m.	FEB. 15	Women's Swim Invitational at TCU "UFOs - Modern and Ancient," Moody Planetarium, 1:30 p.m. Basketball - Rice at Lubbock, 7:30 p.m. Edmonds & Curley comedy team, U.C. ballroom, 9:15 p.m.
FEB. 8	Rocky Mountain Women's Bowling Conference, N.M.M.I, Roswell, 1 p.m. "UFOs - Modern and Ancient," Moody Planetarium, 1:30 p.m. Women's basketball - South Plains College at Lubbock, 4 p.m. Basketball - Rice at Houston, 7:30 p.m. Gene Cotton concert, U.C. ballroom, 8 p.m.	FEB. 16-22	Mass Communications Week, University Center, 9 a.m. - 3 p.m. daily
FEB. 9	"UFOs - Modern and Ancient," Moody Planetarium, 1:30 p.m. Faculty Brass Quintet, First National Bank lobby, 6 p.m. Film: "The Emigrants, University Center, 7 p.m.	FEB. 16	"UFOs - Modern and Ancient," Moody Planetarium, 1:30 p.m. Film: "The Ruling Class," University Center, 7 p.m.
FEB. 10	Charter Day, The Museum, 4:30 p.m.	FEB. 17-19	"Hit and Run," musical revue, Lab Theater, 7:30 and 9 p.m.
FEB. 11-12	Scarborough Faire, University Center	FEB. 18	Workshop: "Disposition and Treatment of Delinquent Children," Bldg. X-15, 9 a.m. - 5 p.m. Art Seminar: "Little Dutchmen," Rabbi A.S. Kline, The Museum, 10 a.m. Basketball, SMU at Dallas, 7:30 p.m.
FEB. 11	Art Seminar: "Rembrandt," Rabbi A.S. Kline, The Museum, 10 a.m. Women's basketball - Clarendon Junior College at Lubbock, 7 p.m.	FEB. 19	Blue Cross representative on campus, Rm. 42, Administration Bldg., 1-4:30 p.m. Women's basketball - West Texas State at Lubbock, 7:30 p.m.

NOTABLE QUOTE

"As God uses the help of our reason to illuminate us, so should we likewise turn it every way, that we may be more capable of understanding His mysteries; provided only that the mind be enlarged, according to its capacity, to the grandeur of the mysteries, and not the mysteries contracted to the narrowness of the mind." - Francis Bacon

Submitted by Dr. Dale W. Davis, Associate Professor of English, who will receive from FYI a campus photo suitable for framing.

For Your Information

A Newsletter to the Faculty and Staff of the TEXAS TECH UNIVERSITY COMPLEX

Published the first and third Wednesdays of each month by the Office of Information Services, 220 Administration Building. Special editions published when required. Items should be submitted before 9 a.m. on the Friday preceding the week of publication.

VOL. 5, No. 17, Feb. 19, 1975

PHYSICAL FITNESS!!!!

Do you want to "shape up"??? If so, attend the Faculty Staff Exercise Session which strives to increase flexibility and cardiovascular endurance. This 30-minute program is conducted from 11:45 a.m. to 12:15 p.m. Mondays, Wednesdays and Fridays in the Intramural Gym. Dressing room facilities are available. Any questions should be directed to Dr. Mike Bobo (742-3118) or Ronnie Smith (742-3113).

RECORD ENROLLMENT SET FOR SPRING SEMESTER

A total of 20,401 students registered for the spring semester at Texas Tech, a record for spring enrollments. The figure compares with 19,831 for the 1974 spring semester.

Other statistics:

11,697 men and 8,704 women;

17,139 undergraduates, 2,862 graduate students, 400 law students.

By colleges: Arts and Sciences, 7,641; Business Administration, 4,117; Education, 2,892; Engineering, 2,310; Home Economics, 1,578; and Agricultural Sciences, 1,463.

5,230 freshmen; 4,078 sophomores; 3,928 juniors, and 3,903 seniors.

TECH DADS ASSOCIATION HONORS DR. COSPER

The Texas Tech Dads Association presented its 1975 "Excellence in Teaching" plaque to Dr. Barbara Cosper, assistant professor in the Department of Food and Nutrition, at the annual Trustees Day luncheon Feb. 15.

BRADFORD HELPS COORDINATE WORKSHOP IN AUSTRALIA

Dr. John R. Bradford, dean of the College of Engineering at Texas Tech, is in Sydney, Australia, to help coordinate and participate in a joint cotton-wool research workshop which begins today (Feb. 19) and continues through Saturday (Feb. 22).

Bradford is coordinator with Dr. Malcolm Chaikin, dean of the faculty and professor of textile engineering at the University of New South Wales, Sydney.

The workshop is sponsored in part by the Office of International Programs of the National Science Foundation. Its purpose is to transfer technological information between the U.S. cotton industry and the Australian wool industry.

Participants will deal with both cotton and wool fiber problems from harvest through fabric production and ecological considerations.

Dean Bradford will present a slide lecture, including photographs of Tech's Textile Research Center processes and photographs of new harvesting and ginning systems, including operations at the "super gin" at Crosbyton.

BURFORD, LAMB, RYLANDER RECEIVE TEACHING AWARDS

"Distinguished Teaching Awards" for 1974 have been presented to Drs. Charles L. Burford, associate professor of industrial engineering; Mina Lamb, professor of food and nutrition; and Michael Kent Rylander, associate professor of biological sciences.

The presentations were made by Texas Tech President Grover E. Murray at the third annual Charter Day Recognition Ceremony Feb. 10. The awards carry \$1,000 grants from the Amoco Foundation, Inc.

The program marked the anniversary of the university "with a tribute to excellence, both in teaching and in student superior academic performance," said Dr. Frederick H.

Hartmann, visiting university professor, who delivered the Charter Day remarks.

Nine students were recognized for superior academic achievement by Dr. William R. Johnson, interim vice president for Academic Affairs.

They were: Marian L. Dawson, mathematics major; Donald B. Doherty, electrical engineering; Carolyn L. Dorsey, elementary education in English and French; Nguyen X. Dung, mathematics; Teresa A. Garland, liberal arts; Dixie Lancaster, elementary education in chemistry; Stephen A. Malone, mechanical engineering; Pamela S. Wiese, English; and Bradley W. Wilson, accounting.

CONGRESSMAN KASTENMEIER TO GET MASS COMM AWARD

Congressman Robert W. Kastenmeier (D-Wis) will receive the 1975 national Thomas Jefferson Award to be presented at Texas Tech University.

The presentation will be made at the Thomas Jefferson Award dinner at 7 p.m. Friday (Feb. 21), a highlight of Mass Communications Week which began Feb. 16 and concludes Feb. 22.

The award is presented annually by Texas Tech, the Texas Daily Newspaper Association, Texas Association of Broadcasters and the Texas Press Association.

It goes to the public official who has contributed most during the preceding year to protect the rights of news media to inform the public.

ANDERSEN NAMED CHAIRMAN

Dr. Carl M. Andersen, a member of the Home Economics faculty at Texas Tech since 1968 with exception of time out to complete his doctoral studies at Florida State University, has been named chairman of the Department of Home and Family Life.

During a career that has included both teaching and the ministry, Andersen has taught at the Dallas Country Day School and Texas Tech and has held pastoral appointments at United Methodist churches in Darrouzett, Lubbock and Albany, Tex.

CREDIT UNION CALLS MEET OF SHAREHOLDERS FEB. 27

The 16th annual shareholders meeting for the Texas Tech Federal Credit Union will be held at 7:30 p.m., Feb. 27, in the University Center Ballroom.

Refreshments will be served and door prizes given. The organization has 2,300 active members, according to Charles Dale, president. Other officers are Bill Cain, vice-president; and Raymond Green, treasurer. Also on the board of directors are Paula Daniels, Dave Cummins, Ray Mires and Charles Wade. Verna Bivins is office manager.

The credit union voted a 6 1/4 per cent dividend for the last six months of 1974.

RANCHING COMPLEX NAME CHANGED

The name of Texas Tech's outdoor ranching complex officially was changed to the Ranching Heritage Center by the Board of Regents on Jan. 31. The name change was effected to better encompass the scope and spirit of the exhibit formerly called the Ranch Headquarters.

The Ranch Headquarters Association, support organization of the ranching complex, will retain its name and maintain its operations, according to Robert L. Snyder, director of the Ranching Heritage Center.

RANCHING HERITAGE CENTER SLIDE SHOW AVAILABLE

A 13-minute color slide presentation on the Ranching Heritage Center (formerly the Ranch Headquarters), narrated by actor Dale Robertson, has been produced by the Office of Information Services.

The presentation is available for showing to groups. Requests should be made to either the Ranching Heritage Center (742-6158) or the Office of the Vice-President for Development (742-2128).

ARID LANDS HAVE UNDEREXPLOITED AGRICULTURAL POTENTIAL

An ad hoc panel of the National Research Council's Advisory Committee on Technology Innovation has concluded that despite apparent expansion of the world's sand deserts and despite falling water tables in some arid regions "arid lands have underexploited agricultural potential." The panel has put together a guidebook, *More Water for Arid Lands: Promising Technologies and Research Opportunities*, describing numerous small-scale water-conservation and water-supply technologies that appear to "have immediate local value...especially in remote areas with intermittent rainfall."

Agricultural potential of arid lands "can be best developed by concepts and methods specifically suited to dry regions," the panel said, citing a range of water technologies including rainwater harvesting, evaporation reduction, and simple, water-conserving irrigation methods.

"In some arid lands the greatest opportunity for increasing water supplies is to improve existing water systems and

thus make more water available without a complete new installation," the panel said, suggesting that canals be replaced by closed plastic, concrete, or metal conduits to reduce evaporative losses and that canals be lined to reduce seepage losses.

The panel observed that "farmers tend to overirrigate when water is available" and that the amount of water needed to remove accumulating salts in soils may be "much lower" than was thought in the past.

(The report, "More Water for Arid Lands: Promising Technologies and Research Opportunities," is available from the Board on Science and Technology for International Development, 2101 Constitution Ave., N.W., Washington, D.C. 20418).

Needed, the panel said, are "fresh, innovative approaches to water technologies, particularly those designed to meet the needs of arid regions in the less developed world, where there has

often been improper application of practices developed in regions with higher rainfall or more abundant water supplies."

EXHIBITS

MEXICAN MASKS from the Cordry Collection -- The Museum, through Mar. 2

FLOW BLUE PORCELAIN from the collection of Mrs. Marvin Armstrong, through Mar. 23

KINETIC ART -- The Museum, Feb. 16 - Mar. 16

FACULTY SHOW -- Art Department Gallery, through Feb. 28

50th ANNIVERSARY FACULTY SHOW -- Art Department Gallery, Mar. 3-14

LINCOLN, THE MAN -- Library foyer, through Feb. 28

TEXTILES PROVIDING A FUTURE -- Library, through Feb. 28

PHOTOGRAPHY -- Library, through Feb. 28

CALENDAR

(To place an event in the FYI calendar, send data on subject, time and place to the Office of Information Services)

FEB. 19 Journalism Day, University Center, 9 a.m. - 3:30 p.m.
Film of SMU basketball game, University Center, 3 p.m.
Blue Cross representative on campus, Rm. 42, Administration Bldg., 1 p.m. - 4:30 p.m.
"Economics of the Privately Owned College," Dr. Thomas Kim, KTXT-TV, 6 p.m.
Women's basketball -- West Texas State at Lubbock, 7:30 p.m.

FEB. 20 Advertising Day, University Center, 9 a.m. - 3:30 p.m.
Film: "All Quiet on the Western Front," 202 BA Bldg., 7 p.m.

FEB. 21 Photo/Film Day, University Center, 8:30 a.m. - 4 p.m.
Thomas Jefferson Awards Dinner, University Center, 7 p.m.
Film: "A Clockwork Orange," University Center, 6:30 p.m. & 9:15 p.m.

FEB. 22 Mass Communications Advisory Committee, University Center, 9 a.m.
"UFO's -- Modern and Ancient," Moody Planetarium, 1:30 p.m.
Basketball -- Arkansas at Lubbock, 7:30 p.m.

FEB. 23 "UFO's -- Modern and Ancient," Moody Planetarium, 1:30 p.m.
"Counseling," Dr. Rolf Gordhamer, KTXT-TV, 4 p.m.
Film: "A Clockwork Orange," University Center, 7 p.m.

FEB. 24-28 Ski films, University Center, 12 noon.

FEB. 25 Art Seminar: "Little Dutchmen," Rabbi A.S. Kline, The Museum, 10 a.m.
Basketball -- Texas A&M at College Station, 7:30 p.m.
Free University registration, University Center, all day

FEB. 26-28 Film of A&M basketball game, University Center, 3 p.m.

FEB. 26 "Teaching the Deaf," KTXT-TV, 6 p.m.
"Contemporary Ceramics Sculpture" (illustrated lecture), Jerry Rothman, U.C. ballroom, 7 p.m.
Ski demonstration, University Center, 7 p.m.
Women's basketball -- Howard College at Lubbock, 7:30 p.m.
Mu Phi Epsilon Benefit Concert, Norma Holmes Auchter, piano; Lubbock Garden and Arts Center, 8:15 p.m.

FEB. 27 - MAR. 1 Texas Intercollegiate Women's Tennis Tournament at Beaumont

FEB. 27 Film: "Great Expectations," 202 BA Bldg., 7 p.m.

FEB. 28 - MAR. 1 TAIW State Collegiate Swimming Meet, Pan American University, Edinburg

FEB. 28 - MAR. 4 "Peer Gynt," University Theater, 8:15 p.m. daily

FEB. 28 Film: "Scarecrow," University Center 7 & 9:15 p.m.
Faculty recital: Jerry Brainard, organ and harpsichord, Westminster Presbyterian Church, 8:15 p.m.

MAR. 1 Basketball -- Texas at Lubbock, 2 p.m.
Cartoon Film Festival of vintage Looney Tunes, Spanky and Our Gang shorts, University Center, 2 p.m. for children of faculty members and at 7 & 9 p.m.

MAR. 1-2 "UFO's -- Modern and Ancient," Moody Planetarium, 1:30 p.m.

MAR. 2 Five-day plan on breaking the cigarette habit, Part 1, KTXT-TV, 4 p.m.
Film: "Scarecrow," University Center, 7 p.m.
"Careers in Dietetics," KTXT-TV, 10 p.m.

MAR. 3-7 World Affairs Conference on Greece, University Center

MAR. 3 Film: "Z," University Center, 4 p.m.
"Entomology," KTXT-TV, 9:30 p.m.
"Nutrition," KTXT-TV, 10 p.m.

MAR. 4 Art Seminar: "Jan Steen," Rabbi A.S. Kline, The Museum, 10 a.m.
"New Food for Consumers," KTXT-TV, 6 p.m.
Women's basketball -- Wayland Baptist College at Plainview, 7 p.m.
Basketball -- Baylor at Waco, 7:30 p.m.
Varsity bands and Brass Band, University Center, 8:15 p.m.

MAR. 5 Blue Cross representative on campus, Rm. 42, Administration Bldg., 1-4:30 p.m.
Film of Baylor basketball game, University Center, 3 p.m.
Workshop on alcoholism and drug abuse, Bldg. X-15, 9 a.m. - 5 p.m.
"Marat/Sade," (in German), Qualia Rm. FL&M Bldg., 7:30 p.m.
"Coppelia," Municipal Auditorium, 8 p.m.

NOTABLE QUOTE

"No period in history has ever been great or ever can be that does not act on some sort of high idealistic motives, and idealism in our time has been shoved aside, and we are paying the penalty for it." -- A.N. Whitehead.

Submitted by Dr. J.C. Prabhakar, Associate Professor of Electrical Engineering, who will receive from FYI a campus photo suitable for framing.

For Your Information

A Newsletter to the Faculty and Staff of the TEXAS TECH UNIVERSITY COMPLEX

Published the first and third Wednesdays of each month by the Office of Information Services, 220 Administration Building. Special editions published when required. Items should be submitted before 9 a.m. on the Friday preceding the week of publication.

VOL. 5, No. 18, Mar. 19, 1975

BLUE CROSS INCREASES TECH CUSTOMER SERVICE

Blue Cross-Blue Shield will increase its customer service representative visits to Texas Tech to once a week during March on a trial basis to determine if the time spent on campus continues to be productively used.

Mrs. Cuylene Jones, Blue Cross' customer service representative, will be in the Personnel Office, Room 42, Administration Building, each Wednesday afternoon during this month.

Except for Wednesday afternoons, Mrs. Jones is available in person or by telephone at 211 Court Place Building (corner of Main and Texas) telephone 763-7094. Faculty and staff members visiting Blue Cross offices may use the parking lot across the street without charge.

She was on campus the first and third Wednesday afternoons of each month prior to this month, to assist faculty and staff with questions or problems concerning any of Texas Tech's group insurance programs.

The experience had indicated a need to increase her availability.

MURRAY ON COMMITTEE FOR OCEANS AND ATMOSPHERE

President Grover E. Murray accepted the oath of office as a member of the nine-man National Advisory Committee on Oceans and Atmosphere in ceremonies in Washington early this week. He was appointed to the committee by President Gerald Ford.

The committee reviews progress of the marine and atmospheric science and service programs of the United States. Its responsibility includes advising the Secretary of Commerce with respect to carrying out the purposes of the National Oceanic and Atmospheric Administration.

MILERS ARE WELCOME

All interested graduate-faculty-staff personnel are invited to enter a divisional mile run during the Intramural Track and Field meet to be held at the varsity track April 5.

Competition will be conducted in two age groups: 20 to 30, and 31 and over. Prizes will be awarded first place winners in each group if there are a minimum of six entries per group.

Entries are now being accepted at the Intramural Office.

TEXAS TECH APPROPRIATIONS REQUEST FOR NEXT BIENNIUM PRESENTED SENATE FINANCE COMMITTEE

President Grover E. Murray presented the requests of the Texas Tech University Complex and called attention to areas in which the institution's needs were most critical at legislative hearings for the next biennium Wednesday (Feb. 26).

He was accompanied by two members of the faculty, three members of the Board of Regents and members of the administrative staff.

Senator A.M. Aikin Jr., chairman of the Senate Finance Committee, commended Dr. Murray for his "forthright presentation of the university's needs" but indicated that the present draft of the appropriations bill was not, in the opinion of the Legislative

Budget Board, "in any way a barebones budget."

The Texas Tech requests will be presented to a joint meeting of the Texas House Appropriations and Higher Education committees Thursday, March 20.

PROMOTIONS AND BUILDING PROJECTS ON AGENDA FOR MEETING OF REGENTS

Naming of Horn professors, approval of promotions and awarding of tenure, building projects and a proposal for submitting to the Legislature a bill designed to change the ceiling on the fee charged students for the University Center will highlight the meeting of the Board of Regents Friday (March 21).

The group will meet as the board of the Texas Tech University School of Medicine at 8:30 a.m. and as the board of the University at 1:30 p.m.

Building projects to be considered are:

Acceptance of bids for renovating and air conditioning instructional space in the Administration Building;

Approval of preliminary plans for renovating and air conditioning the original Chemistry Building;

Acceptance of bids for the recreational swimming pool;

Selection of an architect for repair and minor renovation of Horn, Knapp and other residence halls.

The Board of the School of Medicine will consider renovation of Gaston Hall into research laboratory space.

CONSELMAN ON API BODY

Dr. Frank B. Conselman, director of the International Center for Arid and Semi-Arid Land Studies, has been named to the American Petroleum Institute's (API) Committee on Exploration Affairs for 1975.

Conselman is a former president of the American Association of Petroleum Geologists.

STEELE IS APPOINTED TO SBA ADVISORY COUNCIL

Dr. Jack D. Steele, dean of the College of Business Administration, has been appointed to the Small Business Administration (SBA) National Advisory Council as a member-at-large.

Steele will represent the district advisory councils of Region VI at the annual meeting of the National Advisory Council May 25-29 at White Springs, W. Va.

KTXT-TV GETS FAA AWARD

The Federal Aviation Administration has awarded KTXT-TV the FAA's Certificate of Appreciation for production of its innovative televised show, "Plane Talk."

The presentation to Executive Vice President Glenn E. Barnett was made by Albert H. Thurburn, deputy director of the FAA Southwest Region. The half-hour weekly program was designed to promote aviation safety education as well as an interest in aviation.

HOLIDAY CHANGED

The administrative holiday scheduled for Aug. 27, 1975, occurs during registration for the fall semester. To avoid conflict with registration the holiday has been rescheduled for Tuesday, March 25, 1975. With a holiday already scheduled for Monday, Mar. 24, this change will provide two days off for non-teaching employees during the spring break.

Normal office hours will resume at 8 a.m. Wednesday, March 26.

No classes will be held Monday, March 31, following the Spring vacation for students, but all university offices will be open for regular activities that day.

MARITAL COMMUNICATION PROGRAM IS ANNOUNCED

The Texas Tech Department of Psychology is conducting an experimental program on marital communication and conflict resolution beginning March 31.

Participation is open to faculty and staff and their spouses who have been married at least four years who wish to improve marital communication.

The program will consist of four two-hour sessions twice a week (Monday and Wednesday evenings or Tuesday and Thursday evenings) for two weeks.

Couples wishing to participate may call the Texas Tech Psychology Clinic (742-3230) for additional information.

SUBCOMMITTEE ON HEALTH SCIENCES CENTERS MEETS

The Health Sciences Centers Subcommittee of Texas Tech's Committee 50 discussed goals and future planning for the School of Medicine Feb. 26.

Members of the subcommittee are Dr. Eugenio Aguilar Jr. of El Paso, dentist; Dr. W.W. Akers of Houston, professor, Rice University; Dr. Bernice M. Moore of Austin, executive vice president of the Hogg Foundation for Mental Health; Robert Pfluger of San Angelo, rancher; and Dr. Ed Schmidt of Pecos, president of the Texas Medical Association.

Dean George S. Tyner of the School of Medicine presented a progress report. Dr. Len Ainsworth, associate vice president for Academic Affairs, presided as the staff officer for the Committee 50.

EXHIBITS

ONE-MAN SHOW, paintings by David Paladin -- The Museum, through Apr. 6

50TH ANNIVERSARY FACULTY EXHIBIT -- The Museum, Mar. 23 - Apr. 20

TREASURE OF THE MONTH, Flow Blue Porcelain -- The Museum, through Mar. 23

"CONAN DOYLE" -- Library, through Mar. 31

"WHEELS AND WHEELING" -- Library, through Mar. 31

STUDENT ART -- Corridor Gallery, Art Building

ONE-MAN SHOW, by Talmage Minter, Art Department Gallery, Mar. 31 - Apr. 25

CHECKS NOW DELIVERED ON LAST DAY OF MONTH

Changes in procedures by the Comptroller of Public Accounts now permit payment of monthly salaries and wages on the last day of the month.

The practice of delivering checks on the last day of the month became effective with the February payroll checks.

Checks for February also reflected the recently enacted pay raises for state employees.

The Payroll Department said questions concerning individual increases in pay should be resolved with immediate supervisors.

AFRICARE SLIDE SHOW AVAILABLE ON CAMPUS

A 16-minute slide presentation on the Africare effort to provide intermediate and long-term relief to the people of Africa's Sahel is available through the Office of Information Services. Useful for self-study or group presentation, the show explains some of the problems and includes a discussion of Texas Tech University's effort to assist in long-range planning for recovery of the drought stricken area that borders the Sahara Desert -- an area about the size of the United States.

At the request of Africare, Inc., President Grover E. Murray and a team of Texas Tech agricultural scientists went to Africa last Spring to survey the drought-stricken Sahel area and to make recommendations for long range planning for the stabilization of farming and ranching.

ICASALS TALKS CONTINUE THROUGH APRIL 3

The fourth annual ICASALS "Far-Away Places" lecture series will continue with presentations Thursday, March 20, and Thursday, April 3.

The color-illustrated presentations are scheduled for 4 p.m. in Room 101 of the Chemistry Building and they are open to the public at no charge.

Remaining subjects and speakers are "Rural Turkey" by Dr. Warren S. Walker, Horn professor of English, March 20; and "Hawaii" by Dr. Orlo E. Childs, University Professor, April 3.

GET IT ON CALENDAR!

The Office of Information Services keeps the official university calendar. Send data on subject, time, place and sponsor to the OIS as soon as an event is scheduled.

CALENDAR

MAR. 20	Lecture, "Rural Turkey," Dr. Warren S. Walker, 101 Chemistry Bldg., 4 p.m. Films: "A Night at the Opera" and "Witchcraft Through the Ages," 202 BA Bldg., 7 p.m. Faculty recital, Gail Barber, harp; Margaret Redcay, piano; James Barber, violin, Westminster Presbyterian Church, 8:15 p.m.	MAR. 24-25	Holiday for university personnel
MAR. 21	Board of Regents, Administration Bldg. Clarinet recital, Troy Warren, 1 Music Bldg., 8:15 p.m.	MAR. 26	Blue Cross representative on campus, 42 Administration Bldg., 1-4:30 p.m.
MAR. 21-22	Women's tennis -- Schreiner Spring Collegiate Tournament, Kerrville	MAR. 27-28	Women's basketball -- State TAIW Collegiate Tournament, Canyon
MAR. 22	Classes dismissed for Spring vacation, 12:30 p.m.	MAR. 29-30	"Invasion of Mars," Moody Planetarium, 3 p.m.
MAR. 22-23	"Invasion of Mars," Moody Planetarium, 3 p.m.	APR. 1	Classes resume following Spring vacation, 7:30 a.m.
		APR. 1-6	Black Week, sponsored by Student Organization for Black Unity
		APR. 2	Continuing Education workshop on "Natural Disaster Preparedness," Bldg. X-15, 9 a.m. - 5 p.m.
			Blue Cross representative on campus, 42 Administration Bldg., 1-4:30 p.m.

NOTABLE QUOTE

"I can safely predict that between now and 1975 we will have an energy crisis in this country. Then the people will say, 'The industry is to blame. Why weren't we told?' Well, I'm telling them now." -- Michel T. Halbouty, Los Angeles, 1960

Submitted by Dr. Frank B. Conselman, Director, International Center for Arid and Semi-Arid Land Studies, who will receive from FYI a campus photo suitable for framing.

VOL. 5, No. 19, Apr. 2, 1975

New Regents Sworn In; Contracts and Building Plans Are Approved

Texas Tech University regents took action March 21 which will affect facilities for the College of Education, the Department of Chemistry, recreational swimming, the Textile Research Center and older residence halls.

Atkinson, Atkinson and Associates were named project architects for the development of an addition to the Textile Research Center at a cost of not more than \$1 million.

General Builders, Inc., was awarded a \$1.2 million contract for construction of a recreational swimming pool.

H.R. Bundock Construction Co. was awarded a contract, on a \$402,000 bid, for general renovation in the Administration Building, and Rountree Co. was awarded a contract for mechanical work, both necessary for renovation and air conditioning for space to be used eventually by the College of Education.

Plans for air conditioning the old Chemistry Building call for an estimated expenditure of \$286,000, and regents authorized the receiving of bids on this project.

Fanning, Fanning and Agnew Engineers have prepared plans and specifications for this project.

Architect Tom Mills was employed as project architect for the repair and renovation of Horn and Knapp halls, both more than 28 years old.

The board amended a Jones Stadium use policy. This followed a request made to the board that use of the stadium be allowed for a 1976 appearance in Lubbock of evangelist Billy Graham.

The regents met newly elected campus leaders Student Association President Robert L. Duncan, Vice Presidents Mark G. Cowart and Julie Martin, Ruth E. Foreman of the Residence Halls Association, and Robert C. Hannan, editor of the University Daily. They also heard brief reports from outgoing Student Association President Bill Allen and Residence Hall Association President Bob White.

Board Chairman Clint Formby said he would ask a Committee of the Board to visit the Texas Tech University Center at Junction in April.

The regents established last Jan. 27 as the acceptance date for installation of seating at the Tech track stadium which was described as one of the best in the United States.

ALCOA SPEAKER NAMED

Nancy Hanks, chairman of the National Endowment for the Arts, will speak at 8 p.m. Monday, April 7, in the Ballroom of the University Center as the first of a Distinguished Lectureship Series supported by Alcoa Foundation.

Announcement of the establishment of the series and Miss Hanks' visit was made by Dr. Clyde E. Kelsey Jr., Texas Tech vice president for Development.

PILL-SOON SONG IS NAMED HORN PROFESSOR

Dr. Pill-Soon Song, chairman of the Division of Biochemistry in the Department of Chemistry, was named a Paul Whitfield Horn Professor March 21 by Texas Tech University regents. He was the 18th to receive the regents' highest academic award to a faculty member.

Song was cited for outstanding teaching and research which has brought him international distinction. He was invited last summer to teach and work at Hokkaido University in Japan and has been an invited participant at major international chemistry symposiums in the U.S., Canada, Israel, Germany, Poland, Portugal, Romania and Korea.

He is editor-in-chief of Photochemistry and Photobiology, an international journal of the American Society for Photobiology, and serves on major national committees in his field.

BOARD GRANTS TENURE TO TTU AND TTUSM FACULTY

Regents on March 21 granted tenure to 11 faculty members in the Texas Tech University School of Medicine.

They are: Bruce R. Bartholomew, William D. Blackwood, Fred Buddingh, William A. Dunnagan, Joseph A. Glennon, Maysie J. Hughes, James W. Larson, Fathy S. Messiha, Orene Peddicord, Jack Schneider, and Anthony B. Way.

Texas Tech University faculty granted tenure on the same date are:

College of Agricultural Sciences -- Russell D. Pettit;

Arts and Sciences -- Frank R. Cheatham, Edna S. Glenn, Clarence L. Baugh, James E. Jonish, Donald W. Rude, Necip Guven, Diana L. Moore, George Q. Flynn, William F. Dean, Kamal C. Chanda, W.J. Conover, Benjamin S. Duran, Thomas G. McLaughlin, Paul Nelson Jr., Monty Strauss Jr., Alberto Cortes, Kenneth L. Ketner, Clarke E. Cochran, Murray C. Havens, Lee P. Sigelman, John S. Gillis, Philip H. Marshall, H. Paul Chalfant, T. Richard Cheatham, and Richard A. Weaver;

Interdisciplinary -- Barry Bateman; Business Administration -- Herschel M. Mann and John W. Petty;

Education -- Aubry D. Christian, Shamus Mehaffie, Leo J. Juarez, Myron L. Trang, Clyde E. Kelsey, Dayton Y. Roberts, Robert T. Cannell, and Max W. Manley;

Engineering -- Stanley R. Liberty, Richard Saeks, and Thomas F. Trost;

Home Economics -- Mary A. Kenney;

School of Law -- William B. Bohling, Charles P. Bubany, James R. Eissinger, Dallas W. Lee.

Two newly appointed regents, Don Workman, a Lubbock banker, and Robert Pfluger, an Eden rancher, were sworn in by District Judge Howard Davison prior to the March 21 meeting of the Board of the Texas Tech University School of Medicine.

At that meeting announcement was made of the appointment of William Holmes, M.D., as chairman of the Department of Medicine, and Francis C. Jackson, M.D., as chairman of the Department of Surgery. Holmes is assistant chairman of the Department of Medicine at Rush Medical School in Chicago. Jackson, who has a special interest in trauma management, is serving with the Veterans Administration in Washington as director of Emergency Services and Disaster Services.

Regents heard that 1,300 had applied for TTUSM entrance in the August 1975 freshman class of 40; 27 already are enrolled; and replies are being awaited from an additional 13.

In a report on the construction of the TTUSM Building, Vice President Glenn E. Barnett told the regents that an estimated \$2 million of construction has yet to be bid, and there is \$2.5 million to cover that work, giving the construction budget a contingency fund of approximately one-half million dollars (\$495,632).

The regents also heard that the Panhandle Regional Academic Health Center in Amarillo is 44 per cent complete and should be ready for occupancy next February. The regents authorized Chairman Clint Formby to make and execute agreements to provide utility services to the center, subject to any required legislative approval.

They retained Stiles, Roberts, Messersmith and Johnson of Lubbock as project architects to prepare plans and specifications and provide supervision for the rehabilitation of the north wing of Gaston Hall for research laboratory space for TTUSM, and they authorized receiving of bids on that project.

The board accepted an affiliation agreement between TTUSM and the Amarillo Area Academic Health Center Corporation, a consortium of health care institutions and agencies which will serve in an advisory capacity for the development of the center. This is the first affiliation of this kind for TTUSM.

During a legislative report by Public Affairs Vice President Bill J. Parsley, the regents expressed a special interest in funding for a school of veterinary medicine. The discussion of funding was summarized by Regent John Hinchey who said, "We aren't going to get it this year and we're not going to give up on it."

SCOLAS VICE PRESIDENT

Dr. Robert J. Morris, associate professor of classical and romance languages at Texas Tech, has been elected vice president of the Southwest Council of Latin American Studies (SCOLAS).

DR. PACKARD APPOINTED

Dr. William R. Johnson, interim vice president for Academic Affairs, has announced the appointment of Dr. Robert L. Packard as chairman of Instruction and director of Academic Programs for the Texas Tech University Center at Junction. Dr. Packard will continue as a professor in the Department of Biological Sciences.

FACULTY PROMOTED

Texas Tech University regents March 21 promoted:

To the rank of professor -- James W. Graves, Sujit K. Roy, and George Tereskovich of the College of Agricultural Sciences; Floyd E. Eddleman, Thomas A. Langford, Walter R. McDonald, C. Alwyn Barr, Thomas G. McLaughlin, Dalton Tarwater, and Paul F. Cutter, all of the College of Arts and Sciences; Leona M. Foerster, College of Education; Willard B. Robinson, Robert M. Bethea, James E. Halligan, Marion O. Hagler, and Jerry D. Ramsey, all of the College of Engineering; and Charles P. Bubany and Frank F. Skillern of the School of Law;

To the rank of associate professor -- Thomas A. Musiak and Russell D. Pettit, Agricultural Sciences; Wendell M. Aycock, Donald W. Rude, Jeri Tanner, Diana L. Moore, Robert A. Hayes, Harry A. Jebesen, William F. Dean, Benjamin S. Duran, Monty J. Strauss, Alberto Cortes, Kenneth L. Ketner, Clarke E. Cochran, Lee P. Sigelman, Philip H. Marshall, all of Arts and Sciences; M. Herschel Mann and John W. Petty, Business Administration; Aubry Duane Chirstian, Shamus Mehaffie, Maryanne Reid and Myron L. Trang, all of Education; Stanley R. Liberty and Thomas F. Trost, Engineering; and William B. Bohling of the School of Law;

To the rank of assistant professor -- Edna S. Glenn, Arts and Sciences; Eray Derman and Robert Venn, Engineering; and Carl M. Andersen, Home Economics.

In the Texas Tech University School of Medicine, Bruce R. Bartholomew, chief of the Rheumatology Section of the Department of Medicine, was promoted to the rank of professor.

INSURANCE ADJUSTMENTS BECOME EFFECTIVE

Term Life Insurance and Long Term Disability have been updated as of April 1 to reflect additional coverage due to recent statutory salary increases. Increases in premiums will be reflected in salary checks for April. Questions should be directed to C.B. Strawn, director of Faculty and Staff Benefits, 742-3312.

MARITAL COMMUNICATIONS

The second experimental program on marital communications and conflict resolution will be conducted by Texas Tech's Department of Psychology beginning April 14. Couples wishing to participate may call the Psychology Clinic, 742-3230, for additional information.

STEM IS ADJUNCT SCHOLAR

Dr. Carl H. Stem, associate dean of the College of Business Administration, is one of four adjunct scholars newly named by the American Enterprise Institute for Public Policy Research.

RETIRING FACULTY, STAFF DINNER TO BE APRIL 24

The fourth annual dinner to honor retiring faculty and staff members at Texas Tech is scheduled for 6:30 p.m. Thursday, April 24, in the University Center Ballroom.

Those retiring during the 1974-75 school year, and those not previously recognized, will be honored individually when they are presented certificates of appreciation by President Grover E. Murray.

The deadline for making reservations is Tuesday, April 15. Reservations may be made with Prof. Haskell Taylor, College of Business Administration. Cost of the meal is \$2.75 per person.

WATS USERS NOTICE

Some users of the Tech WATS lines -- providing low cost telephone service on out-of-state calls -- make such long calls that the service often is tied up for other would-be users.

Vice President for Financial Affairs Leo Ells said that because of this inconsiderate use of WATS by a few, the university is developing a progressive billing schedule which will go into effect if voluntary curtailment can't free the lines.

The new billing would provide the lowest rate for calls of a duration of ten minutes or less with the rate per minute increasing at each ten-minute interval.

"We don't want to apply a punitive rate," Ells said, "but it may be that the only way departments can regulate the time used for WATS lines is to make an impression on departmental budgets."

TORNADO PROTECTION AVAILABLE ON CAMPUS

Texas Tech has a special campus warning system to use when there is danger of a tornado. A siren will sound on campus. There is a telephone system to notify major locations on campus, and classroom bells will ring. These signals mean take cover.

During a tornado watch, the only signals are on radio and television. The outline of a tornado cloud on the television screen means stay alert. On radio the signal is three short beeps sounded every two minutes.

If a tornado is sighted, tornado warning signals go into effect--the siren, classroom bells, an opaque tornado cloud on the TV screen and radio announcements.

To protect yourself in a large building, go to an interior hallway on the lowest floor--basement if possible or under heavy furniture in the center of the building. As a last-minute emergency shelter, choose a small interior area without windows--a closet or bathroom. If you can, open windows, but stay away from glass. Leave a mobile home even if it is well anchored.

Outdoors, move away at right angles from the tornado's path, or lie flat in the nearest depression and use your hands to shield your head. Planning protection, an ability to stay alert, and obedience to danger signals are important to safety.

DEADLINE FOR RETIREMENT PROGRAM IS APRIL 15

The deadline for new full-time faculty and eligible administrative and professional staff members appointed effective Jan. 16, 1975, to choose the Optional Retirement Program is noon Tuesday, April 15.

If no action is taken within the 90 days provided, a member is determined to have chosen to remain in the Teacher Retirement System, according to C.B. Strawn, director of Faculty and Staff Benefits.

The opportunity to participate in the Optional Retirement Program is a one-time decision and will not be available again.

Part-time faculty and eligible administrative and professional staff members who were increased to full-time status, for the first time, January 1975 may also choose the Optional Retirement Program.

Selecting a retirement system is an important decision with long term consequences that justifies a member's informed and considered judgment, Strawn said. Each eligible member is urged to compare the provisions of the Teacher Retirement System and the Optional Retirement Program. Additional information may be obtained by calling 742-3312.

Members who decide to change to the Optional Retirement Program need to insure that their enrollment forms are delivered to the Payroll Section, Room 42, Administration Building by the deadline.

GRANTS AWARDED

PVT behavior of low-density polyethylene, NSF, \$33,900, Chemical Engineering, D. Bonner, Heichelheim.

Investigation of insecticides, Various, \$1,250, Park Administration, C. Ward.

Nutritive value of different sorghum grain types for ruminants, Northrup & King, \$350, Animal Science, L. Sherrod.

Career teacher award, narcotic addiction and alcohol abuse, HEW, \$32,446, Medical School, J. Larson.

The role of the central nervous system in septic shock, HEW, \$13,555, Medical School, L. Holloway.

Historic farm equipment research program, Lubbock County Commissioners Court, \$24,947, Civil Engineering, W. Griggs.

Preparing leadership materials for use in teaching FFA members and Vocational Agriculture students, Houston Livestock Show & Rodeo, \$2,250, Agricultural Education, L. Hargrave.

Components of childbirth education, Childbirth Without Pain, \$400, Psychology, R. Cogan.

Evaluation of EL 917 for feedlot performance, Eli Lilly, \$7,500, Animal Science, L. Sherrod.

Nutritive value of different sorghum grain types for ruminants, Mesa Agro, \$137, Animal Science, L. Sherrod.

Regional cooperative real estate educational program, Texas Real Estate Center, \$17,873, Agricultural Economics, R. Kennedy.

Perinatal outreach education programs, Regional Medical Program of Texas \$50,000, Medical School, J. Schneider.

STUDENT-FACULTY GOLF

The University Center will sponsor its first annual student-faculty golf tournament Saturday, April 19, at Meadowbrook Golf Course. The tourney is open to all students and faculty of Texas Tech with an entry fee of \$5 which covers green fees and all tournament expenses.

Entry forms and additional information may be obtained at the UC Programs Office, 742-4115. All entry forms and fees must be in the Programs Office by Friday, April 4.

LECTURE TO BE IN MUSEUM

The final lecture of the "Far-Away Places" series sponsored by ICASALS will be delivered by Dr. Orlo E. Childs, University Professor, in the Assembly Room on the first floor of The Museum at 4 p.m. Thursday, April 3. His subject will be "Hawaii."

EXHIBITS

- ONE-MAN SHOW, paintings by David Paladin -- The Museum, through Apr. 6
- "CREATIVE STITCHERY," by Helen Rumpel -- The Museum, Apr. 7 -- May 4
- 50TH ANNIVERSARY FACULTY EXHIBIT -- The Museum, through Apr. 20
- ONE-MAN SHOW, paintings by Talmage Minter -- Art Department Gallery, through Apr. 25
- "DRAWINGS, TEXAS" -- 101 Art Building, Apr. 7-25
- "RIDICULOUS TITLES" -- Government Document Case, Library, Apr. 1-30
- "WHAT'S YOUR GAME" -- Main Foyer, Library, Apr. 1-30

TEXAS TECH AND SALA TO CONDUCT PROGRAM IN MEXICO

Texas Tech and the Southwest Alliance for Latin America (SALA) will conduct the second Latin American training program for professional school graduate students at Colima, Mexico, this summer.

The eight-week session will be in the University of Oklahoma's Hacienda El Cobano at Colima. The participating professions are agriculture, business administration, communications studies, education, home economics, public administration and urban studies.

SALA is an organization of 17 southwestern universities formed to achieve for member institutions, students and faculty "a meaningful and mutually rewarding involvement in Latin American activities." Texas Tech is a member.

OFFICE TO WEST HALL

The office of Mrs. Lyndsay Lambert, semester schedule coordinator and room assignments, has moved to West Hall, Room 110, telephone 742-3303. She moved from the office of Statistics and Reports in the Administration Building.

CALENDAR

The Office of Information Services keeps the official university calendar. Send data on subject, time, place and sponsor to the OIS as soon as an event is scheduled.

APR. 1-6	College of Education Week	ballroom, 8:15 p.m.	
APR. 1-6	Black Week	Recital, Larry Williams, trumpet; Stuart Shipley, flute, MB-1, 8:15 p.m.	
APR. 2	Continuing Education workshop on "Natural Disaster Preparedness," Bldg. X-15, 9 a.m. - 5 p.m.	APR. 7	Alcoa Distinguished Lecture, Nancy Hanks, UC ballroom, 8 p.m.
	Blue Cross representative on campus, Administration Bldg., 1-4:30 p.m.	APR. 7-11	SAA Symposium on Creativity in the Urban Arts; all day Apr. 8-11 with most events in Rm. 202, BA Bldg.
	Recital, Cathy Hays, piano; David Zepeda, tenor, Seaman Hall, 8:15 p.m.	APR. 8-10	Spring Arts Festival, University Center
APR. 3	Lecture, "Hawaii," Dr. Orlo E. Childs, The Museum, 4 p.m.	APR. 9	Faculty Council Executive Committee, Administration Bldg., 3:30 p.m.
	Films, "Little Women" & "All About Eve," 202 BA Bldg., 7 p.m.		Horn recital, Ron McIlroy, MB-1, 8:15 p.m.
	Faculty recital, Virginia Kellogg, violin; Norma Auchter, piano; Arthur Follows, cello, The Museum, 8:15 p.m.	APR. 10	Film, "The 400 Blows," 202 BA Bldg., 7 p.m.

	Film, "Deliverance," University Center, 7&9:15 p.m.	APR. 11	Distinguished Engineer Awards Luncheon, UC ballroom, 12:15 p.m.
	"Politics, Ethics and Government," Ramsey Clark, Municipal Auditorium, 7:15 p.m. (Speakers Series)	APR. 11-12	Women's Tennis Tournament at Lubbock
	Piano recital, Terese Stewart, Seaman Hall, 8:15 p.m.	APR. 11-12	Women's Track Tournament at Stillwater, Okla.
APR. 4-5	Women's Tennis at Navarro College, Corsicana	APR. 11-15	"Glass Menagerie," Laboratory Theater
APR. 4-5	Symposium on "Biological Investigations in the Guadalupe Mountains National Park," The Museum, 8 a.m. - 5 p.m.	APR. 12	Women's Bowling Tournament at Canyon
APR. 5	Premedical Day, 38 Chemistry Bldg., 9 a.m. - 6:30 p.m.	APR. 12-13	Piano recital, Dolores Lujan, MB-1, 8:15 p.m.
	Piano recital, Holly Hughes, MB-1, 3 p.m.	APR. 12-13	"Invasion of Mars," Moody Planetarium, 3 p.m.
	Recital, Randy Jordan, baritone; Phillip Rawlins, oboe, MB-1, 7 p.m.	APR. 13	Lone Star Muzik Festival, University Center
APR. 5-6	"Invasion of Mars," Moody Planetarium, 3 p.m.	APR. 13	Piano recital, Madeleine Harris, Seaman Hall, 7 p.m.
APR. 6	College of Education Recognition Assembly, UC ballroom, 2:30 p.m.		Voice recital, Sherry White, mezzo-soprano; Jana King, soprano, MB-1, 8:15 p.m.
	Film, "Deliverance," University Center, 7 p.m.	APR. 14	"The Role of Chemical Research in Meeting the Challenge of America's Future Energy Requirements," Dr. C.E. Larson, 5 Chemistry Bldg., 8 p.m. (Welch Lecture)
	"The Role of Blacks in Politics," Julian Bond, UC	APR. 15	Faculty Council, UC ballroom, 3 p.m.
		APR. 16	Blue Cross Representative on campus, 42 Administration Bldg., 1-4:30 p.m.
			"The CIA and the Cult of Intelligence," Victor Marchetti, UC ballroom, 8 p.m. (Speakers Series)
			Piano recital, Vena Beth Genuchi, MB-1, 8:15 p.m.

NOTABLE QUOTE

"He who will not reason is a bigot, he who cannot is a fool, and he who dares not is a slave." -- Sir William Drummond

Submitted by Sam Chisholm, professor of Business Administration, who will receive from FYI a campus photo suitable for framing.

For Your Information

A Newsletter to the Faculty and Staff of the TEXAS TECH UNIVERSITY COMPLEX

Published the first and third Wednesdays of each month by the Office of Information Services, 220 Administration Building. Special editions published when required. Items should be submitted before 9 a.m. on the Friday preceding the week of publication.

VOL. 5, No. 20, Apr. 16, 1975

RETIRING FACULTY, STAFF TO BE HONORED APRIL 24

President Grover E. Murray will present certificates of appreciation to approximately 40 faculty and staff retiring during the 1974-75 academic year at the annual dinner honoring retiring faculty and staff.

The dinner will be at 6:30 p.m. Thursday, April 24, in the Ballroom of the University Center. Tickets, at \$2.75, are still available and reservations should be made with Prof. Haskell Taylor, College of Business Administration, as soon as possible.

Dr. Charles Hardwick, chairman of the Executive Committee of the Faculty Council, will preside. Clint Formby, chairman of the Board of Regents, will speak briefly. Special guests will include Ace Alsup of Austin, representing the Teacher Retirement System, and Clyde James of Lubbock, district director of the Social Security Administration.

Approximately 400 persons are expected to attend the dinner.

SEARCH COMMITTEE NAMED FOR MUSEUM DIRECTOR

A search committee for a new director of The Museum of Texas Tech University has been appointed by President Grover E. Murray.

Members are Dr. J. Knox Jones Jr., vice president for Research and Graduate Studies, chairman; geosciences Prof. Fred H. Behnken, art Prof. Clarence E. Kincaid, curator and anthropology Prof. M. Elizabeth King, history Prof. David Vigness, and J.C. Chambers, representing the West Texas Museum Association.

Dr. Murray has asked Hugh H. Genoways of the Museum staff and David Northington, professor of biological sciences, to serve in an advisory capacity to the committee.

The search committee is charged with nominating an appropriate group of qualified individuals to the vice president for Academic Affairs. President Murray said he hoped an appointment could be made no later than Sept. 1, 1976.

Dr. Craig C. Black, director of The Museum since June 1972, has resigned effective June 1 to become director of the Natural History Museum of the Carnegie Institute in Pittsburgh.

REQUISITIONS ACCEPTED

The Purchasing Office is now accepting requisitions for merchandise, equipment and services which will be needed for September 1 delivery and payment subject to the appropriation of funds.

Such orders should specify "For on or after September 1 payment." On State Board orders which require more than one page, please use the Continuation Page headed State Board of Control.

Questions should be directed to the Purchasing Office.

FACULTY COUNCIL MEET SCHEDULED APRIL 25

The spring meeting of the Faculty Council will be held at 3 p.m. Friday, April 25, in the Business Administration Auditorium. Earlier it had been scheduled for April 15.

The agenda calls for a report by President Grover E. Murray, consideration of petitions to amend the Faculty Council Charter, and other business.

All faculty are members of the council and are invited to attend.

EDUCATION FELLOWSHIPS TO BEGIN THIS FALL

A leadership fellows doctoral program, with 10 fellowships carrying \$7,000 stipends, will begin this fall in the College of Education.

They will be awarded on a competitive basis, with at least five to become effective with the 1975 fall semester, according to Dr. Robert H. Anderson, dean of the college.

The 1975-76 fellowships have been funded by a contribution by Mrs. Helen DeVitt Jones. The recipients will be known as Helen DeVitt Jones Fellows.

Anderson said the first fellowship awards will be announced late this month for the fall semester and in November for the next spring semester.

ADMINISTRATORS, REGENTS TOUR CENTER AT JUNCTION

Five Texas Tech regents and several administrators toured the Texas Tech University Center at Junction early this month.

Clint Formby, chairman, and Regents Bill E. Collins, Judson Williams, Don Workman, and Robert Pfluger were joined by President Grover E. Murray, executive Vice President Glenn E. Barnett and Bill Parsley, vice president for Public Affairs, for the tour.

Former Gov. Coke Stevenson and former State Rep. O.C. Fisher and several Junction area civic leaders lunched with the Tech group.

ARTS ENDOWMENT CHAIRMAN VISITS, SPEAKS AT TECH

Nancy Hanks, chairman, National Endowment for the Arts, spoke at Texas Tech Monday, April 7, as the first lecturer in the Distinguished Lectureship Series supported by the Alcoa Foundation.

Miss Hanks stressed the universities' importance as the single greatest sponsors of performance in the country and the role of the arts in helping universities reach out to the community and region. She urged support of the arts and increased educational programs in the arts.

Miss Hanks' visit included meeting with university officials, students and faculty and a public reception following her speech.

DISTINGUISHED ENGINEERS HONORED AT LUNCHEON

Ten alumni of Texas Tech's College of Engineering were recognized as "Distinguished Engineers" at the annual awards luncheon Friday, April 11.

They bring to 36 the total to receive the designation since the program was instituted in 1967.

The 1975 recipients were:

Mack Atcheson of El Paso, assistant vice president of El Paso Natural Gas Company.

Ray Butler of Alice, president of Harkins & Company, Alice.

G. Raymond Coffman of Richardson, vice president for engineering, Texas Power and Light Company.

George W. Dupree of Amarillo, vice president, Operations, Southwestern Public Service Company.

Herbert S. "Tex" Erskine of Tulsa, Okla., vice president of the Oil and Gas Division, Kewanee Oil Company.

Howard H. Hinson of Houston, president and chief executive officer of Texas Pacific Oil Company, Inc.

Guillermo Perea of Lima, Peru, executive president of CUVISA.

Berl M. Springer of Amarillo, executive vice president of Southwestern Public Service Company.

Louis D. Stevens of Santa Cruz, Calif., laboratory manager, System Development Division, Los Gatos Laboratory.

D.C. Williams of Ashland, Ky., vice president, Environmental Affairs and Safety, Ashland Oil, Inc.

TTUSM GAINS ACCESS TO COMPUTER INFORMATION

The Texas Tech University School of Medicine Library now has access to much of the world's scientific literature via on-line, computerized search techniques.

Contracts with the National Library of Medicine, the Systems Development Corporation and Lockheed Information Services give the Medical Library access to millions of scientific citations and abstracts in a computer-searchable format.

TEACHING/RESEARCH AWARD PRESENTED TO SWEAZY

The first annual Excellence in Teaching through Research Award has been presented to Prof. Robert M. Sweazy of the Department of Civil Engineering.

PHI KAPPA PHI GROUP TO INITIATE NEW MEMBERS

The Honor Society of Phi Kappa Phi will initiate new members at a banquet in the University Center Ballroom at 6:30 p.m. Wednesday, April 23. All members, whether active or inactive in any chapter, are invited to attend, according to Dr. Vera L. Simpson, chapter secretary. Tickets for the banquet are available from Dr. Simpson, Department of Speech and Theatre Arts, at \$4 per person.

EXHIBITS

CREATIVE STITCHERY by Helen Rumpel -- The Museum, through May 4
50th ANNIVERSARY FACULTY EXHIBIT -- The Museum, through Apr. 20
AMERICAN DOLLS from the Smithsonian -- The Museum, opens Apr. 27
DOLLS IN AMERICAN HISTORY -- The Museum, opens Apr. 27
TREASURE OF THE MONTH, Dolls and Doll Houses -- The Museum, through May 25

PAUL WHITFIELD HORN, the First President of Texas Tech -- The Museum, through May 8
PAINTINGS BY TALMAGE MINTER -- Art Department Gallery, through Apr. 25
COMMUNICATIONS DESIGNS by students -- Corridor Gallery, Art Bldg., Apr. 28 - May 2
"DRAWINGS, TEXAS" -- 101 Art Bldg., through Apr. 25
"RIDICULOUS TITLES" -- Library, through Apr. 30
"WHAT'S YOUR GAME?" -- Library, through Apr. 30

FUNDING SEMINAR TO BE HELD APRIL 29-MAY 1

A funding seminar will be conducted on campus by the Junior League of Lubbock, Inc., in cooperation with the Texas Tech University Division of Continuing Education and the Office of Research Services the nights of April 29 and 30 and May 1.

The sessions will be held in Building X-15 from 7:30 to 10 p.m.

There will be a charge of \$2 for materials for persons participating in the seminar.

CALENDAR

The Office of Information Services keeps the official university calendar. Send data on subject, time, place and sponsor to the OIS as soon as an event is scheduled.

APR. 16	Blue Cross representative on campus, 42 Administration Bldg., 1-4:30 p.m. "The CIA and the Cult of Intelligence," Victor Marchetti, UC ballroom, 8 p.m. (Speakers Series) Piano recital, Vena Beth Genuchi, MB-1, 8:15 p.m.	APR. 23	Violin recital, Denise Neal, Seaman Hall, 8:15 p.m. Trombone Choir, MB-1, 8:15 p.m. "How to Get a Job," University Center, 8 p.m.

VOL. 5, No. 21, May 7, 1975

FACULTY COUNCIL HEARS REPORT ON LEGISLATIVE APPROPRIATION OUTLOOK

President Grover E. Murray, presiding over the spring meeting of the Texas Tech Faculty Council April 25, reported on budget and appropriations outlook, research activities on campus, and progress by the Committee 50.

In discussing the budget, Dr. Murray said, "At our legislative hearings, which were more precise than usual, we were told that the Legislative Budget Board (LBB) had prepared its document with much more care this year and that it was likely to stand as printed.

"The number of decisions to be made within the University appeared to be much fewer than heretofore."

Dr. Murray said the amount of funds available for increases in faculty salaries is extremely small because the LBB document was prepared previous to the enactment of Senate Bill 1 which raised all salaries in accordance with a strict legislative edict.

"We do not consider the appropriations bill finally written, and it is our fervent hope that any changes will be to increase the amounts available to us," Dr. Murray said.

He reported the work with the Committee 50 is progressing. "I cannot over-emphasize the importance of its work because the task of setting out long-range goals and objectives for the University is perhaps the most significant effort we can undertake."

Dr. Murray told the Faculty Council that contrary to the account in the University Daily, the appointment to the vice presidency for Academic Affairs is still under consideration.

Recognition of achievements by members of the faculty mentioned by Dr. Murray as examples included: Dr. William M. Portnoy, Fulbright award for study in England; Dr. Magne Kristiansen, senior NATO postdoctoral fellowship; Dr. Eugene Korkowski, summer fellowship from National Endowment for the Humanities; and Dr. Harley D. Oberhelman, a 1975 Minnie Stevens Piper Professor.

Dr. Murray commended the faculty for its efforts to improve research funding from external sources. During the first half of this academic year 151 proposals were submitted, up from 133 during the same period last year. The dollar asking value was up from \$1,664,757 to \$1,781,885. Similar progress has been made in the School of Medicine.

No action was taken on three petitions to amend the Faculty Council Charter.

REGENTS MEET MAY 16

The Board of Regents of Texas Tech University and the TTU School of Medicine will meet in regular session Friday, May 16.

The board is scheduled to be convened at 8:30 a.m. It will sit as a board for the School of Medicine first, then as a board for the University.

COMMISSIONER OF HIGHER EDUCATION TO DELIVER COMMENCEMENT ADDRESS IN JONES STADIUM MAY 16

Dr. Bevington A. Reed, Texas Commissioner of Higher Education and a "Distinguished Alumnus," will be the commencement speaker at the university's graduation exercises at 7:30 p.m. Friday, May 16, at Jones Stadium.

In the event of inclement weather, the exercises will be in the Coliseum. As Commissioner of Higher Education, Dr. Reed serves as the chief administrative

official of the Coordinating Board, Texas College and University System.

Reed was recognized as a "Distinguished Alumnus" of Texas Tech in 1973. He holds a bachelor's degree from Daniel Baker College and a master's and a doctorate from Texas Tech. His doctorate was one of the first three granted by Texas Tech.

Dr. Grover E. Murray, president of Texas Tech, will introduce Dr. Reed and also will confer the degrees. He will be assisted by Dr. William R. Johnson, interim vice president for Academic Affairs, and the deans of the Colleges and schools. Dr. Glenn E. Barnett, executive vice president, will be master of ceremonies.

Messages of welcome will be delivered by Clint Formby, chairman of the Board of Regents, and William Allen, immediate past president of the Texas Tech Student Association. W.F. "Pete" Baker, president of the Ex-Students Association, will congratulate the 1975 graduating class. Dr. Pill-Soon Song will be recognized as a Horn Professor. Music will be by the Texas Tech band.

COLLEGE CEREMONIES...

The individual college ceremonies will be conducted Saturday morning, May 17, when diplomas will be presented. Time and place for the college ceremonies are: Agricultural Sciences, Business Administration Auditorium 10 a.m.; Arts and Sciences, Jones Stadium, 8:30; Business Administration, Municipal Auditorium, 8:30; Education, Municipal Auditorium, 10; Engineering, Municipal Auditorium, 11:30; and Home Economics, University Center Ballroom, 9.

LAW SCHOOL...

The hooding ceremony for the School of Law will be conducted at 4:30 p.m. Saturday, May 17, in the University Ballroom. United States District Judge William F. Sessions of the Western District of Texas will be the speaker.

The awards and honors luncheon for the School of Law will be at 12 noon, Saturday, May 17, at South Park Inn.

RETIRING FACULTY AND STAFF RECEIVE HONORS

Twenty-three faculty and staff members who have retired since last April or who will retire by Aug. 31 of this year received special recognition at a dinner April 24.

Dr. Mina Lamb, professor of food and nutrition, was recognized for 35 years as a faculty member, the longest service of all the retiring faculty and staff. Prof. Helen Troy Lockard of the Department of Art was second with 33 years.

Three others were honored for more than 25 years of service: Dr. Vernon T. Clover, 28 years; Dr. Russell Strandtmann, 27; and Prof. Elo J. Urbanovsky, 26.

Other faculty and staff recognized, with the number of years of service, were: James Edward Kuntz, 24; Marjorie Leah Kuntz, 20; Selma Gracie Gregory, 17; Dorothy Estelle Wallace, 16; Autrey Plemmons Ballard, 13; Myrkle Turner, Odie Ray Williams and Alfonso Steele Morgan, 12; John Willard Ault, Emil Carmichael and Ester Laverne Rexroat, 11; Marion Lee Beacham, Paul Alvin Schneider and Rubymai Wise, 10; Susie Margaret Cannon, 9; Mildred Audrey Bryant, 8; Charles William Shoppee, 6; and Elsie Vera Caudle, 4.

DR. DAGHISTANY HONORED

Dr. Ann A. Daghistany, assistant professor of English, has been named Woman of the Year, an award sponsored by three Texas Tech organizations: Women in Communications, Inc., Mortar Board and Women's Task Force.

FACULTY INSTRUCTIONS FOR COMMENCEMENT

Faculty who plan to participate in the commencement exercises should report in full academic regalia to the Jones Stadium ramp area north of section 116, just inside gate 3 on the east side at 7 p.m. Friday, May 16.

Faculty who will hood doctoral candidates later in the ceremony will come first in the faculty processional line. A single-file line will move from the assembly area. Subsequently, under the guidance of marshals, the single line will become two lines as alternate members are asked to slant to the right or left as they move past a dividing point.

Lines will enter the stadium floor from the two ramps near the south end. The heads of the faculty lines will be stopped at the center aisle of the seating area in order to form the traditional "gauntlet" for the candidates.

After all candidates have filed in, marshals will lead faculty down the center aisle, across in front of the platform, and then to their seating areas.

Faculty who plan to be full participants in the ceremony are requested to call 742-1241 or their dean's office as soon as convenient to confirm that fact. Names are not needed.

**NURSING SCHOOL APPROVED
BY COORDINATING BOARD
FOR TEXAS TECH**

The Coordinating Board, Texas College and University System, has approved a school of nursing for the University and the School of Medicine.

Action came at the April 18 meeting. Implementation of the school is dependent upon funding by the Texas Legislature. The Board of Regents approved application to the Coordinating Board for a school of nursing Jan. 31.

At the Regents' meeting, Dr. Richard A. Lockwood, vice president for Health Sciences Centers, cited results of a Coordinating Board survey in 1974 that indicated the need for a nursing school in the Lubbock area.

He also pointed out at the Jan. 31 meeting that more than 250 students were enrolled at Tech in a pre-nursing program.

1975-76 DIRECTORY

Personnel cards for faculty and staff listings in the 1975-76 Campus Telephone Directory have been distributed to deans, department chairmen and campus offices. Information in the faculty and staff division (blue section) of the directory will appear as listed on the individual cards, with one exception.

The "area of expertise" blank is designed to give persons with educational and professional specialties an opportunity to list these qualifications. Responses to "areas of expertise" will not appear in the directory. Their purpose is to provide news media responsible sources of information.

Completed cards should be returned to the Office of Information Services by May 19.

EXHIBITS

AMERICAN DOLLS from the Smithsonian -- The Museum, through May 25
DOLLS IN AMERICAN HISTORY -- The Museum, through June 1
TREASURE OF THE MONTH, Dolls and Doll Houses -- The Museum, through May 25
"ALMANACKS -- A LUNARY CIRCLE" -- Library Foyer
STUDENT ART - Corridor Gallery, Art Building

SOUTHERN DEANS MEET

Officials from 25 colleges and universities in 13 states met at Tech April 21-24 for the spring workshop of the Southern Deans and Directors of Resident Instruction in agricultural sciences.

Texas Tech faculty who spoke at the meeting included: Dean Anson R. Bertrand of the College of Agricultural Sciences; Dr. J. Knox Jones Jr., vice president for Research and Graduate Studies and dean of the Graduate School; and Dr. James Mertes, associate professor of park administration, landscape architecture and horticulture.

MEHTA RECEIVES HONOR

Dr. R.D. Mehta, manager, Protective Finishes Research at the Textile Research Center, has been elected a Fellow of the Textile Institute (FTI), Manchester, England.

The FTI is being awarded to those who have made original and substantial contributions to the advancement of knowledge in the textile industry.

**INCREASED BLUE CROSS
SERVICE TO CONTINUE**

Blue Cross-Blue Shield will continue its customer service representative visits to Texas Tech on a weekly basis. The weekly visits began in March on a trial basis and have been well received.

Mrs. Cuylene Jones, Blue Cross' customer service representative, will be in the Personnel Office, Room 42, Administration Building, each Wednesday afternoon.

KEHO ASSUMES PRESIDENCY

Cliff H. Keho of the civil engineering faculty assumed the presidency of the Tech chapter of the American Association of University Professors at its meeting April 23.

"BRIEF LOOKS" AVAILABLE

Copies of a brochure, "A Brief Look at Texas Tech," are available at the Office of Information Services, 218 Administration Building.

Faculty, staff, departments, colleges and offices are invited to pick them up for use at workshops, seminars, and other meetings of groups on campus or for any other distribution for benefit of the university.

LEE MEMORIAL FUND

The Samuel Hunt Lee Memorial Fund has been established in memory of Dr. Lee, professor of chemistry since 1951, who died last month.

The fund will provide an annual scholarship to a deserving chemistry student. Checks may be made to the Samuel Hunt Lee Memorial Fund and sent to the Chemistry Department.

CALENDAR

The Office of Information Services keeps the official university calendar. Send data on subject, time, place and sponsor to the OIS as soon as an event is scheduled.

VOL. 5, No. 22, May 21, 1975

HOLIDAY SCHEDULED

The Friday afternoon of May 23, preceding Memorial Day, and Monday, May 26, Memorial Day, will be observed by Texas Tech as legal holidays.

MURRAY REPORTS ON GOALS FOR AGRICULTURE; MUSEUM M.A. PROGRAM ELEVATED

President Grover E. Murray delivered a progress report on the Committee 50 and on long-range goals for the College of Agricultural Sciences at the meeting of the Board of Regents.

He said that students in Agricultural Sciences come from throughout the state and nearly 60 per cent were not reared on a farm or ranch. Only about 20 to 25 per cent go directly into production agriculture. The others, he said, find employment in agriculture related business.

He summarized the college's priority list of facility needs. Regents approved Phase I for development of property near New Deal which has been designated as the principal field laboratory for undergraduate teaching, compensating for on-campus agricultural lands which have been curtailed as campus building moved westward across the campus.

Dr. Murray told the Regents the Committee 50's statement of long-range goals for the Texas Tech University Complex could be expected during the fall semester for Board review.

In other Academic Affairs actions, the Board granted departmental status to the master of arts program in museum science.

MUSEUM RECEPTION

A public reception for Dr. and Mrs. Craig C. Black will be held at The Museum of Texas Tech University from 4:30 to 6 p.m. Tuesday, May 27. Dr. Black has been director of The Museum for the past three years and June 1 will become director of the Natural History Museum of the Carnegie Institute in Pittsburgh. The reception is sponsored by the West Texas Museum Association, the Ranch Headquarters Association and The Museum staff.

REGENTS APPROVE 1975 BUDGET, ESTABLISH STUDENT FEES, AWARD CONTRACTS FOR STUDENT INSURANCE

The Board of Regents for Texas Tech University and the Texas Tech University School of Medicine Friday (May 16) approved 1976 fiscal year budgets--subject to any changes appropriate when the Legislature's appropriation bill is signed into law.

President Grover E. Murray told the regents the amount of state appropriated funds anticipated for the University is \$40,590,133, representing a 20 per cent increase over the current fiscal year appropriation, but this does not represent any significant extension or expansion of the instructional programs because of: A) February mandatory pay increases which averaged 8 to 9 per cent; B) a major increase in the cost of purchased utilities; C) legislative funding for new special items in energy and efficient beef production research in the amount of \$375,000; and D) travel reimbursement increases.

Anticipated legislative funding for the Medical School was set at \$18,857,656 and for The Museum at \$328,617.

The current year's budget consists of appropriated funds of \$33,756,719 for the University, \$12,212,065 for the School of Medicine; and \$230,765 for The Museum.

The boards for TTU and TTUSM also:

*Approved establishment of a Student Health Service Fee, effective Sept. 1, not to exceed \$15 per semester and \$7.50 for a summer term with the 1975-76 fees set at \$9 and \$4.50, respectively;

*Lowered the Student Services Fee to \$24 from the current \$27;

*Authorized the awarding of two-year contracts beginning in August to the Texas Tech Ex-Students Association for concessions providing soft drinks, candy, milk, hot foods, sandwiches and other items;

*Awarded to the Keystone Insurance Company the writing of the Student Group Hospital-Medical-Surgical Insurance Program;

IT'S TIME TO GET YOUR TICKETS FOR COACHES ALL-AMERICA CLASSIC

Tickets for the 15th annual Coaches All-America football game to be played at Jones Stadium at 8 p.m., June 21, range from \$8 down to \$3 and may be obtained at the Texas Tech Athletic Ticket Office or from members of Lions Clubs.

The names of 25 players chosen for the classic have been announced and Texas Tech Coach Steve Sloan and Baylor University Coach Grant Teaff will coach the squads. Sloan will have the East squad, Teaff the West.

This will be the sixth year for the game to be played at Texas Tech with an average attendance of more than 40,000 fans. The game will be nationally televised by ABC-TV.

*Awarded to the Eagle Life Insurance Company the writing of the Student Optional Term Life Insurance Program;

*Initiated a new Student Personal Property Insurance Program and awarded the writing of it to National Lloyds Insurance Company.

*Eliminated a limit (currently \$50) on the maximum charge for the Student Use Fee although the fee was left at \$5.50 per semester credit hour;

*Approved a \$25 per semester increase in residence hall fees to cover increased expenses;

*Awarded to American Yearbook Company the contract for publication of "La Ventana" in 1976 and 1977;

*Agreed to the concept of a vehicular traffic loop around the most densely built portion of the campus and agreed to use \$190,000 now available to repair streets which eventually would become a part of the loop--all with the provision that the regents would discuss the matter again at the August meeting;

*Awarded to Hammock Brothers Construction Company a contract to repair and renovate Horn Residence Hall at a cost of \$411,900;

*Awarded to Anthony Mechanical, Inc., a \$266,000 contract to air condition the original Chemistry Building;

*Awarded to Revcon Corp. a \$166,518 contract for the renovation of the north wing of Gaston Hall which will serve as laboratory space for the Medical School;

*Approved the schematic drawings prepared by Tisdell and Adling, Architects and Engineers, for the second phase of the Home Economics Building addition, to accommodate Food Science.

*Authorized initial planning for a student recreation building;

*Approved a revised affiliation agreement with the William Beaumont Army Medical Center.

NO LIQUOR OR BEER

The Regents turned down by decisive votes student requests for policy changes which would have permitted the consumption of alcoholic beverages in residence hall rooms occupied by students and the sale of beer in a designated area of the University Center.

The Board was complimentary of the students' presentation of background information which accompanied the requests.

EMERITUS STATUS GRANTED

The Board of Regents approved emeritus status to several members of the faculty. They were: Prof. John W. Ault, mathematics; Prof. Vernon T. Clover, economics; Prof. James E. Kuntz, psychology; Prof. Mina W. Lamb, food and nutrition; Prof. Helen T. Lockard, art; Prof. Mhyra Minnis, sociology; Prof. Russell W. Strandtmann, biological sciences; Prof. Dorothy E. Wallace, home and family life; and Prof. Lynwood M. Holland, political science.

**SUMMER REGISTRATION
PLANS ARE ANNOUNCED**

Registration for the first summer term will begin at 1:30 p.m. Monday, June 2, and continue through 6 p.m. Tuesday, June 3, in the Lubbock Coliseum. Late registration will continue through Monday, June 9.

It is necessary that at least one person from each department be at the Coliseum at 12:30 p.m. Monday, June 2, so that registration workers can be processed before the 1:30 p.m. opening, D.N. Peterson, Registrar, said.

All student and faculty workers assigned to registration will be required to wear red badges and they will report to the north doors of the Coliseum each day.

Students may pick up first summer registration materials from the Second Floor Conference Room in West Hall. Registration materials will be there through registration for the first summer term.

Fall 1975 registration materials will be mailed beginning July 30 and should be completed by Aug. 13, the Registrar said.

The first summer term ends July 12 and registration for the second summer term will be conducted Monday, July 14. The second summer term ends Aug. 23.

**NEW GRADUATE PROGRAM
APPROVED FOR TECH**

A graduate program in interdisciplinary studies designed for students with a broad range of interests who want the master's degree without specialization has been approved for Texas Tech.

Enrollment will begin during the summer session and fall semester, Dr. J. Knox Jones Jr., dean of the Graduate School, said. The course will require 36 hours of graduate credit with no more than 12 hours in any one disciplinary area. This will require that at least three disciplines be included in the student's coursework.

EXHIBITS

AMERICAN DOLLS from the Smithsonian -- The Museum, through May 25
DOLLS IN AMERICAN HISTORY -- The Museum, through June 1
TREASURE OF THE MONTH, Dolls and Doll Houses -- The Museum
AMERICANS IN WORLD WAR II -- The Museum, June through August
"ALMANACKS -- A LUNARY CIRCLE" -- Library, through May 31
STUDENT ART -- Corridor Gallery, Art Building

**OFFICERS RE-ELECTED BY
FOUNDATION DIRECTORS**

Directors of the Texas Tech University Foundation have re-elected Willard Paine, chairman; R.P. Fuller, vice-chairman; and Edward R. Smith, secretary.

Eighteen members of the foundation whose terms expire were re-nominated and nominations of 16 new members were approved. The nominations will go before the Texas Tech University Board of Regents for confirmation.

Texas Tech President Grover E. Murray reported on the construction program under way at the University at the spring meeting. Directors toured new facilities of the College of Home Economics and heard a report from Dean Donald S. Longworth of the college.

**TRAYLOR IS NEW OFFICER IN
SLAVIC STUDIES GROUP**

Dr. Idris R. Traylor has been elected vice president and president-elect of the Rocky Mountain Association for Slavic Studies. The association has approximately 200 members with interests in such areas as history, political science, economics, geography, languages, and literature.

**TECH CONFERS DEGREES
ON RECORD NUMBER**

Dr. Grover E. Murray, President of Texas Tech, conferred degrees upon approximately 2,350 graduates in commencement exercises Friday.

He was assisted in the ceremony by Dr. William R. Johnson, interim vice president for Academic Affairs, and the deans of the colleges and schools of the university.

One of the first three scholars to receive a doctorate at Texas Tech, Bevington A. Reed, Texas Commissioner of Higher Education and chief administrative officer of the Coordinating Board, Texas College and University System, delivered the commencement address in Jones Stadium.

Participating in the annual ceremony were Clint Formby, chairman of the Board of Regents; Dr. Glenn E. Barnett, executive vice-president; William Allen, immediate past president of the Texas Tech Student Association; W.F. "Pete" Baker, president of the Ex-Students Association; Dr. Dudley Strain, minister of the First Christian Church; and Dr. Edmund W. Robb, pastor of St. Luke's Methodist Church. Music was by the Texas Tech Band.

Diplomas were presented to graduates in college and school ceremonies Saturday, including the hooding of Law School graduates and commissioning of Army and Air Force ROTC graduates.

NEW CHEMISTRY CHAIRMAN

Dr. John L. Kice has been appointed chairman of the Texas Tech Department of Chemistry effective Sept. 1.

Kice is chairman of the Department of Chemistry at the University of Vermont, Burlington. He will succeed Horn Professor of Chemistry Henry J. Shine. Shine will remain at Texas Tech, devoting his time to teaching and research.

Kice received his bachelor of arts degree summa cum laude in 1950 and his doctoral degree in 1954, both from Harvard University.
