It has been raining for solid week. Tuesday afternoon a hail storm visited our station & we were in the middle of it. It fell 6 to 8 inches on hill & valley. The apples were perfect so there will be no loss of apples. The first crop of apples was broken down & sold so as to not get lost. It was a good thing. The best of apples were broken up & sold for today. 622-1-1000 in Slating Hill.

 and have priced to me native Mr. & Angu
 55 per cow & calf. I think the best offer
 is for McDonalds W Cows & calves (above)
 Have taken up with Rail Road to

See what they would charge to ship
 from Congo to a white of the little feet
 what the cost will be to wire me
 if the cable meet me at Congo
 take a look at them, but

I have not heard from him. I have
 been working in for to price these
 cows & calves. I am to day & have
 just gotten my letter. Cannot go this

week, for will have to leave before
 for the money to which I am

be in but back Monday 15th also on
 & we will have to leave tomorrow
 night by car & drive during the night
 but even as there is no train Sunday
 just as soon as we get through
 cant will be up to Congo

& work at these
 cows & calves

The afternoon with my penitence that
 will follow to 600 gold per mountain
 not as good as the other but

Found very fair rain on Ranch, but on the east side it stopped at our fence-Grass is green and cattle are doing very well-The ground was in good fix for planting and we are pushing the planting. It is cloudy this morning and looks like rain-If we can get rain in next 10 days will be in fine shape. Some surface water in places on ranch Have dipped 1150 big steers, and 1147 2 yr old steers-The big steers are on their way to Zavalla-The 2 yr olds we held them all 2 minutes will have to bring back the 2 yr strs in 10 days for 2nd Dipping. Put the 2 yr strs in Whiteface pasture for the 1p days-3 men quit a and am sending George after Men today. Will go to work 19th. to get

herd.
