Dear Son

This is a beautiful morning but rather cool some ice. but the last vegetation was killed in the past week. we are all well pray you are. Nova & Children are here for a few days. until they can get possession of a house Burton got a job up there working for our uncle had a sweet letter from Sally a few days ago they are all O.K. out there Son I sent you another package a few days ago hope you received it. we were informed we could send one. Shelton H. is trying

to rent a place close to
his dad ~~he is~~ lost out
on the plains. They could not
stay away from Their folks
Nola & family are well
their Baby Fred Lynn have
begun walking he is a very
pretty child and real jolly
well dear I'll close as it
is hard to write when you
can't hear whether you are
getting my letters lots of love
from all love
