Montgomery Ala,

Dear Madam,

Your letter received &
its contents strictly noticed.
In answer, beg to say that
I am personally acquainted
with your Brother Mr Thomas
J. Burton, & do truthfully
testify that his claim as
a Confederate Veteran is
fully corroborated by my-
self. There is no doubt
whatever, as to his com-
radeship as a Veteran

in the Confederate Army.
Personally I fix my name
I seal it to that effect. If
there should arise further
affidavit I am ready at
any moment to substantiate
his claim - though I hope that
it will not be necessary.
Hoping this may prove very
satisfactory. I am Madame

Yours Very Sincerely -

J. W. H. Therrin
