 **Michelle Shocked *Texas Campfire Takes*** (Mighty Sound no cat. no.) This 2 CD reassessment of that certain 1986 night on Kerrville's Quiet Valley Ranch, features the original 12-song, 30-minute disc, plus a nearly 70-minute second disc featuring 23 tracks (some repeated from disc 1) and a very lo-fi muddy sound. From disc 2, track 8 onwards, the songs performed don't match those listed.
