Judge Carl E. Ratliff,
Levelland, Texas.

Dear Judge:

We enclose you a list of the different tracts of land which have not been as yet included in applications for Federal Land Bank loans. From this information, you can prepare us separate statements showing the taxes due on each tract under each ownership.

In reply to your letter of the 21st, there must be some misunderstanding about my promise, as I tried to explain that matters were uncertain as to how many of these Federal loans would be completed by March 15th and wished to leave the matter open at that time so that we could discuss it and see how many taxes had been paid through the completion of loans and then try to work the matter out in some satisfactory manner through you with the School Board. We have met with delay after delay in the completion of these loans which delays have been beyond our control.

We are anxious to do everything possible in relieving this situation and trust everything can be arranged so that it will eventually work out satisfactorily to all.

Yours very truly,

LONE STAR LAND COMPANY

ATTORNEY AT LAW

LEVELLAND, TEXAS

February 21, 1934

Mr. W. P. Soash,
Lone Star Land Co.,
Lubbock, Texas.

Dear Sir:

I have received a statement of the tracts of land, on which applications for Federal loans have not been made, in the Bob Slaughter Block. You agreed to furnish me with the above statement and also agreed to pay the delinquent taxes up to and including 1931 on said tracts or or before the 15th day of March.

I will ask that you send to me by return mail a list of all of the tracts of land that applications are not pending upon. Please do this so that I will be in a position to give you a statement of the amount of delinquent taxes owing by you to the Sundown Independent School District. This will enable you to have a check, covering these taxes, here on or before the 15th of March, according to our agreement.

Very truly yours,

Mr. W. P. Soash,
Lubbock, Texas.

Dear Sir:

Hand you herewith receipts covering the land in the Bob Slaughter Block belonging to Geo. T. Veal. These tax receipts are in the sum of \$500.00

This letter is in accordance with the agreement that if you or Dr. Veal would pay the sum of \$500.00 on the Sundown delinquent School Taxes, which you have done, that we would give you until the 15th day of ~~March~~ 1934 to make another payment on said taxes and on that date it was agreed that you or Dr. Veal would pay all of the delinquent taxes due the Sundown School District, up to and including the year of 1931, on said land on which there was not an application pending with the Federal Land Bank at Houston for a loan.

I would suggest that you send me by return mail, a list of the Bob Slaughter land on which there is not pending, an application for a Federal Loan. I can then furnish you with a statement of the taxes that will be due on February 15, 1934.

Thanking you for the past co-operation, I assure you that I will be glad to co-operate with you or any one else interested in the Bob Slaughter land in Hockley County, Texas.

Very truly yours,

Re. Sundown Taxes

Dear Doctor:

Since my letter of January 1st to Carl E. Ratliff at Levelland, Texas, copy of which I mailed you, in connection with delinquent school taxes on certain lands on the Bob Slaughter Block which you hold title to, Mr. Ratliff called at our office yesterday and reviewed these various tax matters and explained that the directors of the Sun Down Independent School District, in order to meet pressing debts, were bringing pressure on him to make some quick collections.

I reviewed matters fully with Mr. Ratliff in connection with the various applications being made by farmers on the Bob Slaughter Block for Federal Land Bank loans, through which loans, as soon as completed, all taxes would be paid from the proceeds of such loans on the respective tracts under such loans. In view of the slow closing of these loans, Mr. Ratliff explained that the relief needed would not be forthcoming soon enough. Mr. Ratliff called to my attention the correspondence he had had through Mr. Flippen through which you would pay a certain amount of taxes at certain periods, but after I had made explanations to Mr. Ratliff, he finally agreed to the following:

If you would make a payment of \$500.00 now to apply on the school taxes on the different lands you hold title to that he would then wait until as late as March 15th, 1934 to give us time to secure funds from under our various loans to use in paying off the school taxes on the block up to and including the year 1931. In other words, if all school taxes were paid up to and including the year 1931, then the school board would not demand the payment of any further taxes until the end of the year 1934.

I feel that this is a good arrangement, Doctor, and if you can spare the \$500.00 now, if you will send it to our office, we will use it to pay on as many of your tracts as it will pay up to and including the year 1931 and mail you receipts.

With kind regards, I am

Yours very truly,

, President.

Re: Dr. Veal School Taxes, Bob
Slaughter Block.

Dear Judge:

Dr. Veal has just recently forwarded us your letter to Mr. William H. Flippen in connection with delinquent school taxes on certain lands on the Bob Slaughter Block.

I called at your office late last Saturday Evening and found you gone. I planned on discussing with you personally these tax matters and to explain that the different lien holders on the Bob Slaughter Block had reasons to feel that before this time the tax situation would be greatly relieved through the closing of loans, as many farmers on the block have been making applications for Federal Land Bank loans and many have received their commitments, and tax statements have been tendered with the various applications, such taxes to be paid from the proceeds of the loan.

It is the writer's opinion that a good number of these loans should be closed during this month of January. While these matters have been moving slowly and the delays have been beyond our control, yet it is my opinion that a good showing will be made during this month in closing a number of these loans through which taxes will be paid on the respective tracts of land under each loan as closed.

I plan on being in Levelland some day this week, when I will call to see you and go over these tax matters with you.

Wishing you the compliments of the season, I am

Dear Sir;

I mailed you a letter on Nov. 10th, and have not heard from you or Mr. Veal, relative to said letter.

This letter was a letter relative to our agreement with reference to the Delinquent Tax that Dr. Veal owed to the aforesaid District, now I would like to have Dr. Veals check for the sum of \$545.15, as that is the payment that was due and payable on Nov. 15th, according to our agreement back in July.

Please let me know what the delay is, as my clients are demanding of me to know why the Taxes was not paid, according to the agreement.

Please let me have the aforesaid check by return mail, or and answer showing why it was not sent, so I will know what to do relative to my client's intrest.

Levelland, Tex.
Jan 6 1933

Mr. W. P. Soash
Lubbock, Tex

Dear Sir. - At your request we did not undertake to collect any delinquent taxes on the Bob Slaughter block until after Jan. 1, 1933

The Sundown School board met last night and they feel like they will be compelled to make a mighty effort to collect part of these delinquents. They ask me to write and ask you what step have been taken or if your intentions are to pay these delinquent taxes.

We would appreciate an early answer or would be glad to call the school board together and discuss the situation with you before we go any farther.

Yours Truly
R. D. Glimp, Sec'y Sundown

Mr. R.D. Glimp, Secretary,
Sundown School Board,
Rt. 1,
Levelland, Texas.

Dear Sir:

I called your letter of January 6th to Mr. Slaughter's personal attention and he requested that we write you explaining that we would treat the Sundown School Taxes as a preferred obligation and as soon as we can make some settlement with the Land Bank, we will try very hard to make payment on some of the school taxes. It will perhaps be the latter part of the month before we will know definitely just what can be done.

Thanking you for your letter and with kind regards, we are
