

Friday
My dear Julia:
your letter and
proof of Mother's picture received
think it's fine - and don't
cheap - couldn't get any
thing here at that price.
I am enclosing your letter
and the proof in a letter
to my mother - I am sure
Mother and Jimmie will like

one. I am going to give Alma one. She
hasn't the money to spend. If you want me
out of the fire - will have three. In we will
have to get three more - if you ^{have} the time to
phone the man before leaving and ask him
how much he would charge for three more
and let me know, have Hanna to drop
me a card in regard to it if you haven't the
time. In I will know how much money
to send when I order them - just as soon as.

I hear from Joe, will send and get the
pictures - do you want me to keep the box
for you until you come to Houston,
Will send Mother's proof back to the
man when I order the pictures -

Hope you can rent the house
and get away next week.
Now you and Hanna need
the change - I am wondering how I am

in they in the Houston all
Summer. If I go to Har Ellis
space bed room is at the as can
be. I am already beginning to
feel badly - Charm and I was
out to the Malones last night -
to see B. - the Lewis to be enjoying
her visit. She has promised to stay
with me some next week, of course
I can't make her as comfortable, and
do for her like the Malones. But she is
welcome to what I can do for her. - For better
thing she is so lonely and without a home. I won't
forget every time I look at her - Tell Hanna to write - Ben
Radio Tuesday all well - Many thanks for your trouble - Much love

Off Hunt Pitts
and Hanna
to you
