Ms Olga Rojas P.O. Box 11250 Lubbock, Texas 79408

Dear Olga

The City of Lubbock and our State are continually appointing people to sit on boards and commissions. As a State Representative, I can not appoint persons to these boards and commissions, however, I can recommend individuals I feel are capable and qualified. Also, I feel the time has come for appointees to be somewhat modern of thought, more in tune with the everyday life of the general public, and more minorities who will speak up rather than just followers of the majority.

I would like to submit your name as a possible appointee to a State and City board or commission. However, your approval of this action is needed since you may not feel this is something you desire. I will not think negative if you so decline.

Should you approve of the submission of your name as a possible appointee, please complete the enclosed questionnaire form and return it to the District Office, 1108 10th Street, Lubbock, Texas 79408. I would like to have your reply by June 7, 1985. Should you have any questions, please contact Mr. Dwight Pierce, District Administrative Assistant, at 763-4468.

Dear Olga:

The hardest letter to write is one which pleads indulgence for great personal inconvenience. This is such a letter.

I invited you to join me for lunch on Wednesday, September 25 at 12:45 p.m. here at the Law School. I must now cancel that luncheon and re-schedule it for Wednesday, October 2, at 12:45 p.m.

I had known for some time that the Faculty Salaries Formula Study Committee of the Coordinating Board was beginning a study of law school salaries on September 25th. Texas Tech and other law schools had prepared written submissions. This morning the deans were invited to appear and offer oral presentations at 10:00 a.m. in Austin on the 25th. This is an invitation I cannot refuse.

I apologize for any inconvenience that this re-scheduling may require. The luncheon re-scheduled for October 2nd is still designed to express our gratitude to you for your assistance. I will answer any questions you have and offer you any kind of insight on the Law School that you feel appropriate.

We will meet in the Faculty Conference Room on the second floor of the Law Building. Parking will be available in the Law School parking lot, located on the north side of the building. If we can provide you any other information or assistance, please call my secretary, Nina Klinkenberg, at 742-3793.

We hope to see you on October 2nd.

Dear Ms. Riojas:

I just wanted to drop you a brief note outlining recent activities related to the South Plains Task Force on Literacy. I have decided to call an Executive Committee meeting sometime during mid or late January, 1987, (after the Christmas holidays) with a meeting of the entire Task Force to be scheduled at a later date. I hope this will provide some relief to our busy holiday schedules.

A number of exciting things are in progress relating to our literacy effort. First, KTXT-TV has produced a local documentary on literacy and will air the program in January and March. The program is narrated by Bob Nash and covers the illiteracy problem as well as resources available in our community. KTXT-TV was also able to interview an adult who has been experiencing all of the difficulties associated with illiteracy. I feel certain that this production will have a positive impact in our community. The broadcast dates and times are:

Saturday, J	anuary 3	, 1987	3:00	p.m.
Sunday, Jan	uary 11,	1987	10:00	p.m.
Saturday, M	arch 28,	1987	4:00	p.m.

Other activities include the development of two television spots (with the assistance of members of the Ad Club) as well as the broadcast of Spanish speaking spots on the radio. In addition, the Projects Committee is investigating the possibility of delivering literacy training through television. I am hopeful that the Projects Committee will have a recommendation for the Executive Committee by the January meeting.

I appreciate all of the support and participation of the members of the Task Force and look forward to working with you in 1987.

Have a Merry Christmas and a Happy New Year.

Sincerely, (

Dear Oly

As you know, the COMA Elections have been scheduled for March 10. We have taken the time through a nominating committee to nominate some persons to the offices which will be vacant and those persons we have determined them to be persons who have donated much time and energy to COMA in the past. The persons that we have nominated are David Martinez for President, Jim Foster for Vice-President, Barbara Moore for Secretary, John Cervantez for Treasurer, and Ernesto Barton and Claire Steinbock as Directors on the Board of Directors. These people have all been working hard for COMA in the past.

I have heard some rumors to the effect that some persons, members of COMA, are dissatisfied that certain "gringos" are taking too many offices of COMA. It surprises me that such racism has reared its head among people who pride themselves in being nonracist. We have always prided ourselves in being against racism, but some of the remarks that I have heard, amount to nothing but racism toward our anglo members of COMA. Officers of COMA have always been elected on their merit and not on their color. Hopefully, that tradition will continue.

Should you have any other persons whom you feel are equally or greater qualified than the persons we have nominated, please make sure and nominate them at the time of elections from the floor. However, I sincerely hope that they have not been made due to the reason that certain people do not wish "gringos" on our Board of Directors. Many white members of COMA have contributed tremendously to the organization and we should praise them, not degrade them, by making such comments as I have heard.

Please make sure and come to the elections, if at all possible. Should you be unable to do so, please give a member your proxy so that they can vote for you.

Thank you for your attention on this matter and I hope to see you on election night.

Sincepely yours,

TOMAS GARZA Attorney at Law Phil Price Chairman
