My dear Mrs. Hart:-

I was so very
glad to get your letter
and surely appreciated
your interest in me -
We glad to hear you
were in December with
Ladd for I am sure you will
enjoy your stay there with
Ladd.

I am sure you will be
in training camp some
where, as you were always
interested in the work here
to go - Lots of mothers
are feeling the winter

we as so many are having
to give up for a time - I
hope your own be safely
restored to you eventually -
caption and I went out
to Richmond one afternoon
last week to see your
mother and brother but
found she had not yet
arrived and your brother
was sick she will surely
come - We were quite
disappointed not to have
seen Mrs. Daguer. It
is pleasant to hear that
your brother - I had no
idea Richardson was so

We are leaving Wednesday Oct-
ober 17th for Abilene Texas over

Flower Branch a day or so to
mail a girl friend and her
little family and a day or
two at El Paso. Where the
Abilene - We will spend the
afternoon at Abilene as to the
caption and I like it so much -
We have liked it here so much
but now the days are getting
foggy and you seriously see
the other as you do not like
the weather so much - I hope

reconciliation from the extreme

I am sure kind regards to you

Hoping every thing goes well
with you and very love to you
