"Dear Anna"

Enclosed find Draft
for \$10.⁰⁰ - Now I will explain why
I send it - Mother's letter stated
you were sick and unable to attend
your school duties - and had some
extra expense in the way of a
Dentist bill - and I thought a little
help - might be acceptable - This
comes from my personal - pin money -
And at my suggestion M has written
this letter for me - Hope you will
be better by the time this reaches
you - with Love to Mother and
yourself

Maggie
