

Emmie Lefas, February 24, 1907.

My dear Mr McConnell -

Your letter, enclosing the beautiful resolutions upon the death of my precious father, passed by your excellent Comtee, have been received.

We appreciate this thoughtfulness more than you have any idea, for it is a tribute from a splendid body of men whom he held in high and loving esteem.

My mother is deeply touched by the evidence of your comradeship and she wishes to be remembered to

the Camp.

With a loving greeting to
each Veteran and a prayer that
you all may be spared,

Yours very Sincerely
Katie Daffon
