TRANSIT TOWER FROM SAN ANTONIO RIVER, SAN ANTONIO, TEXAS.

The San Antonio River winds its way through the heart of the city. Its embankments are lined with beautiful tropical flowers and plants and many striking views can be seen as one crosses the various bridges in the city.

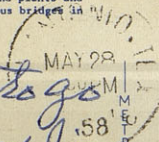

Dear Julia:-

at last I'm able to go
home tomorrow, we
had quite a siege
of it this time.

My Jay, have been won-
derful to me, but I don't
want to wear my wings

and I might like to
come again soon
