"KORRECT KLOTHES"

Across Broadway from Hotel Lubbock

Coach Harley True Burton has been at Clarendon ever since the war, and is noted for putting out a fighting team. Fans of this section will long remember his undefeated team of 1922. He is ably assisted by Frank Stocking, Columbia letterman who has helped in developing a brilliant offensive combination.

Second Grid Iron Battle between the oldest and youngest Colleges of the Panhandle. Strong competition has sprung up between the two. The game today promises to be a contest filled with many thrills, and a display of fight between the teams.

Tech winning last years battle 13-7.
