LUBBOCK: In little more than the 70 years of Lubbock's history, the Spanish speaking community has been making steady gains. From a rural and agricultural people we have quickly adapted to an urban, industrial, and highly complex society.

Along with any advances made by a people, is a very important factor — the development of its own economic, mercantile, and industrial businesses. Without these, La Raza will take much longer to develop its full potential.

It is in the spirit of support and national recognition that we present a list of Lubbock's merchants and businesses for the greater success of its enterprises.

LUBBOCK: En poco más de los 70 años desde que se fundó Lubbock, la comunidad de habla-Español ha estado avanzando con pasos seguros. Originalmente de los campos y la agricultura, rápidamente nos hemos adaptado a una sociedad urbana, industrial, y bastante compleja.

Con los avances hechos por un pueblo, existe un factor de mayor importancia — el desarrollo de sus propios negocios económicos, mercantiles, e industriales. Sin este éxito, La Raza tomará mucho más tiempo en ver el desarrollo de su máxima potencia.

Es en el espíritu de respaldo y reconocimiento nacional que nosotros presentamos una lista de los marchantes y negociantes de Lubbock para el más grande éxito de sus empresas.
