

WINSTON-SALEM, N. C.—home of Camel and Cavalier Cigarettes, Prince Albert Smoking Tobacco and the other tobacco products for which R. J. Reynolds Tobacco Company is famous. This beautiful tower-like skyscraper is headquarters of the Company, and is within 5 minutes' reach of the many factories where these products are made. Each year, the Reynolds Company welcomes thousands of visitors, from all parts of America and foreign lands, on guided tours in its plant.

# POSTCARD

*July 23, 1952*

Dear Daddy  
 We are at the Camel  
 cigarette plant waiting  
 to go through it. Aunt Ruth  
 and Stelle left yesterday.  
 We saw the Gillespie  
 girl at Ridgely, N.C.  
 yesterday. We wish we  
 could see you. We  
 are going on down the road.  
 Love,  
 Howard
