

Dallas, Texas, Dec. 14-1938

My Dear Mrs Hart:

I want you to know I've thought of you so much since your mother's death, and regret more than I can tell you not being able to be with you for a little while at that time, Surely missed you yesterday at our Christmas Luncheon, the table was so pretty, and the food splendid, - turkey and all the trimmings, There were 35 members and guests present,

Mrs Douglas sang two numbers accompanied by Mrs Poole, Some of our Ladies were absent

on account of illness. Mrs Penge is ill at the Baker Hotel in Mineral Wells. Mrs Labenski, had promised to be at the Luncheon, but failed to come. - do not know why. She is getting along nicely now and expects to be with the Club after the Holidays.

Will be so glad to see you when you return, and want you and Mrs Manning to spend the day with me. That is a date and I want it kept. Let me know just when you are coming back.

I wish you a very pleasant enjoyable Christmas, and a Happy Year all the year through,

With Lots of Love,

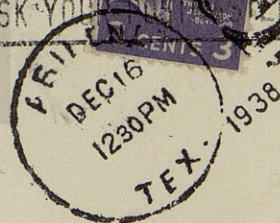

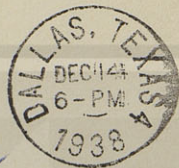

Lula P. Edmondson,

P. S. I forgot to say, that Mrs Chappell gave "The Bishop's Candle Sticks", from "Les Misérables"
