MEMO TO: Lt Col Anderson, G-3, HQ, Hq Fourth Army

1. Based upon our present schedules, the outline below will provide good coverage of the Division by the Army Comdr on 8 Jul 1953. If the visit occurs on 7 Jul, very few changes would be needed; however, should he visit 9 July 1953 some of our major units activities would need changing. For planning though, I think this is pretty close.
