Will you please give me your opinion as to the cash value of the House & Lot fronting on Johnson's Block, and the three new dwellings on the same street two blocks east of there recently purchased & built by P. W. Gallagher -

Gallagher owes on this property \$5000 & wants another loan on the same, and for this purpose I write for your opinion as to its value -

He claims that the original over \$5000 - that there is Insurance the same for \$3750, and it rents \$6500 per month - Please let me have your answer early as possible -

Dear Sir:-

We did not quote you prices on sugars when writing yesterday as we had not all the information at hand. We can now quote you Granulated here at $9 \frac{5}{8}$; Cutloaf $9 \frac{7}{8}$, and in carload lots we can quote you prices as follows;

Cutloaf at	$10 \frac{5}{16}$ cents
Granulated at	$10 \frac{1}{8}$
Extra "C" at	$8 \frac{7}{8}$
Golden C at	$8 \frac{1}{2}$

delivered at Eagle Pass; terms, cash, or will give you whatever time you require at 8% interest. These carload prices are made subject to our being able to fill your order on its receipt, as in the present state of the market we cannot bind ourselves to any prices. We have every confidence in the stability of prices, and believe that sugars at present prices are a fairly safe purchase.

Dear Sir

Your order for potatoes and butter was received Monday, but I was unable to give you the potatoes, and can only send you three sacks today. I anticipated some lively receipts on Monday and Tuesday, we have to depend on the farmers now, but owing to heavy rains in the potatoes growing section, there were no receipts at all of potatoes. This market is entirely bare of potatoes at present, no old ones nor new potatoes, but I have made arrangements to get potatoes, and I will fill your order complete, just as soon as possible. I have to charge you for it, it hardly leaves me clear.

Yours of the 28th ult. received
 The writer whose duty it was to answer your
 letter was suddenly taken sick and on this
 account your letter was not answered as
 promptly as we should have desired. We
 enclose herewith a special price list showing
 delivered prices of most of our brands of ^{laundry} Toilet
 Soap. One or two brands not described on the
 printed form we quote as follows -

Natural Soap	100 white oz. cakes pressed & wrapped per box	\$4.70
Wash Soap	100 white oz. cakes pressed	" " " 4.00
Old	" " " " " " " " " " " "	" " " 4.00
"	" 60 pressed & wrapped cakes 16 oz.	" " " 3.25

We offer our washing powder "Cleanit" at \$3.75 per
 case containing 100 packages

We also enclose price list of toilet-soaps. All prices
 named on both Laundry & toilet soaps are delivered
 prices

ESTABLISHED 1838

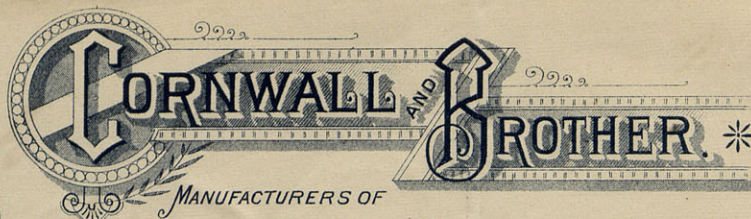

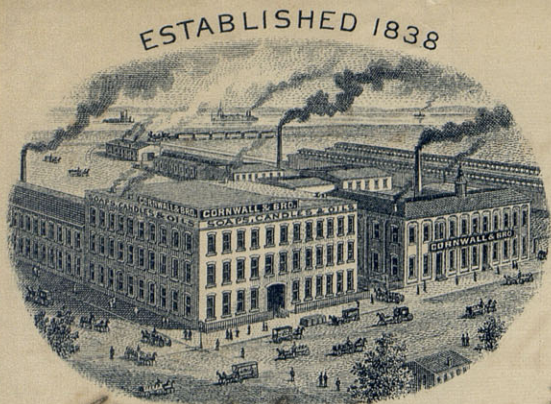

(2) Louisville, Ky. May 8th 1889

We quote full weight-Star Candles in white boxes at $9\frac{1}{2}$ cents per pound delivered in car load lots. For smaller quantities $9\frac{3}{4}$ cts. per lb. delivered. There will be no advantage in making up a mixed car of soap and candles. The railroads will not allow car load rates on either of these articles unless there is a car load of either kind. The prices given you on soaps are based on car load quantities. On an order for less than a car load we should have to charge 22 cents per box higher.

Thanking you very much for the inquiry and hoping to receive your order.

Dear Sir:-

We have heard nothing from you regarding the flour and sugar. Have you made up your mind not to buy now, or has some one else done better for you?

We are exceedingly anxious to have you handle our flour, and would do almost anything to accomplish that end. If you have not yet bought sugar, send us in a list of what you want, and we will make you fresh prices; we believe that the present is a good time to buy.

Replying to yours
in regard to price of corn
will say that when we made
price on corn at 37¢ it was
not intended for any certain
length of time, owing to the dry
spell grain is held by farmers
& very little offered, we sold out
entirely last week over 10000 bushels
at 30¢ f.o.b. here, we are buying
now at 28¢ in bulk & so you
will see for yourself that we
offer it to you at cost, Mr. A. Parties
offer to buy 500 000 lbs. at 31¢ f.o.b. here
though we would not contract for
it at that price, in fact our price
now will not hold good for any length
of time, will load tomorrow, have sent some
