O GOD, OUR HELP IN AGES PAST

O God, our help in ages past,  
Our hope for years to come,  
Our shelter from the stormy blast,  
And our eternal home.

Under the shadow of thy throne  
Thy saints have dwelt secure;  
Sufficient in thine arm alone,  
And our defence is sure.

Before the hills in order stood  
Or earth received her frame,  
From everlasting thou art God,  
Through endless years the same.

A thousand ages in thy sight  
Are like an evening gone;  
Short as the watch that ends the night  
Before the rising sun.

Time, like an ever rolling stream,  
Bears all its sons away;  
They fly, forgotten as a dream  
Dies at the opening day.

O God, our help in ages past  
Our hope for years to come,  
Be thou our guard while troubles last  
And our eternal home! Amen.

### O COLLEGE MOTHER, BEAUTIFUL

(College Hymn)

O College Mother, Beautiful,  
Our hearts go out to thee.  
We raise our voices in a prayer  
For thy prosperity.  
O College Mother, Beautiful,  
Long be thy life and blest,  
May God crown all thy nights and  
days  
With love and joy and rest.

O College Mother, Beautiful,  
Thy skies of vaulted blue  
Call to thy sons and daughters all  
Forever to be true.  
True to the State they love so well  
The land that gave them birth,  
True to their glorious heritage  
The fairest land on earth!

O College Mother, Beautiful,  
Thy arches and thy towers  
Thy halls and roofs and corridors  
For evermore are ours.  
We love thy fields of cotton white;  
Thy grasses and thy grains,  
Thy canyons and thy terraces,  
Thy fertile upland plains.

O College Mother, Beautiful,  
We love thy words of truth,  
Deep graven in thy brick and stone  
To guide the ways of youth.  
Long may thy finger point the way  
That earnest youth should tread,  
And may the blessings of the free  
Be ever on thy head.
