

I imagine you are
enjoying some
of the same kind
of amusement.
I am just going
to have a good
rest while
I am here &
then off all
home cares.
Tell me all you
are doing and
write at once
to your
Mother.

Dear Anna

Do you think your Mother
has forgotten she has two daughters at
the White Mountains, while she is enjoy-
ing herself very much at the foot of the
Catskill. Cousin Lennie and I started
off last Wednesday (the 18th) with two
places in view, but no board engaged.
Alfred accompanied us to the Fort Hill
train, and then went on his way to
White Lake by the Erie road to settle
down for a few weeks. We arrived
all safely at the Catskill depot,
a person there took full charge of
our baggage, and directed us to
Prospect Park Hotel where we rested
and dined, and about 4 P.M.
Mr John Beck called for us in a
comfortable Concord wagon, and

but I will not venture. We expect to return home
the 1st day of September when we will have been here two
months. I was very busy the week before I left home.
Sarah & dear Wadsworth took tea with me Tuesday, and
Aunt Susan Sarah Jane, Cary and her little boy spent
the day with me on Thursday. I was quite repaid
for all my trouble as Aunt Susan seemed so happy
and enjoyed her visit so much. Grandmother &
Aunt Patty are at Greenwich. They went up in the
Yacht - Gray Tavel came to see Nurse on Tuesday and
staid till Thursday and went up with Grandmother.
Em Piker staid with me and was a great help as
well as good company for me. I was quite disappointed
not to come to Bethlehem at first, but am quite
as well satisfied to be nearer home, at much less
trouble. I suppose Emma received her letter to her

after a delightful ride of 9 miles we
were landed at a comfortable farm
house in Palensville, lovely shaded
grounds, an excellent table, and a
good sized room. There is a family of
a mother and three daughters (one married)
who have been here since June. They are
church people and very agreeable, &
we have a right pleasant party. They
are all delighted with Sister Elizabeth.
Yesterday we went on a days travel
in the Pocks covered carriages, visited
Haines falls, Cautus hill falls and
the Mountain house. I enjoyed it
more than I can tell you, the day
was clear & cool and with all
the tramping and climbing I did,
I was not tired, and felt as bright
and fresh to day, and ready for
another expedition. Tell Emma I
thought of her, as I knew she
had been to all these places, and
she will know how beautiful they
are. Next week they are to get up
a party to walk to the Mountain
house, Cousin Lizzie will join them

brown silk dress, as I sent it by express as she desired.
Frank is still at Sitanket and was quite well when he
wrote me last. Your father and Uncle Alfred are going
to Bay Side on Monday to spend a week. Tell Emma I
have some news to write her, but thought I better write
a letter to you first of general news, and hurry it off
by 6 days mail, she will hear from me in a few days.
Helen Sands came last Friday and spent Sunday
with me, she was very happy and wanted to stay
longer. I hope you have answered Ella Sands letter
if not, do not neglect it another day. I am very anxious
to hear from Emma and yourself, and hope you will
answer my letter just as soon as you receive it as it
will take a few days to reach me. Direct care John Pick Co.
Palesville Greene Co. N.Y. It seems very long since I have
seen my daughters, and hope to see them much im-
proved in health. This is a lovely cool morning, and
