

Stanford

Sept-27/17

Dear Mrs. Hart:-

I am here alone tonight and the spirit is on me to write which spirit visits me very seldom, I did so enjoy your letter and these days are getting to be so lonely for me as the cooler days come it makes me realize what is before me this winter without Willard. But our new preacher is a young man and he stays with me and is a great comfort but

this week he is away to
Presbytery -

I am so glad to know
you and Vada are so
pleasantly situated and
like it up there so
well, but that is the
kind of a life suited
to you both for you
are so musical and
besides you have the
opportunity of such con-
genial association.

We are also getting
waxed up in Stanford
we have secured a Red
Cross chapter have over
the 500 required members
and have a sewing
room down town and

all the girls are knitting
so you see we are "doing
our bit" -

It is exceedingly dull
here both commercially
and socially - Timmon
Alexanders from Martin's
marriage has been about
all we have had to arouse
gossip - I suppose Ed has
written you of it - I see
Ed most every day and
ask him if you he looks
well and seems to be
happy ~~the~~ New Preacher is
carried away with him
he is very musical and
is trying to get up a male
quartett and Ed is tenor
he wants to drill them
for both religious and

secular music - He made
his way in college doing
the club work - The college
here wants him to help
them and he is anxious
to do it if he can find
the time - I hear Raines
is suing Mr. Rollins for
\$50,000 damage for closing
him up I don't know
whether it is true or not.

Old Mrs. Booth is very sick
say she can't last many
days - she has pellegra so
I guess she can't get well.

Write me when ever you
can for it is always such
a pleasure to hear from
you - With much love
and good wishes for you both -
