Dear Mrs. Hart:

We showed your house to our client  
to-day and could not interest the man's wife  
in the house and we could not sell to them.

We are very sorry we put you to the  
trouble to wire us, but we almost felt certain  
of selling to this party. We will keep trying  
and hope we can dispose of the place for you.

With best regards to you and Vada,

I am,

Yours respectfully,

G.W. McELVEEN & SON.
