Dear Miss Lived

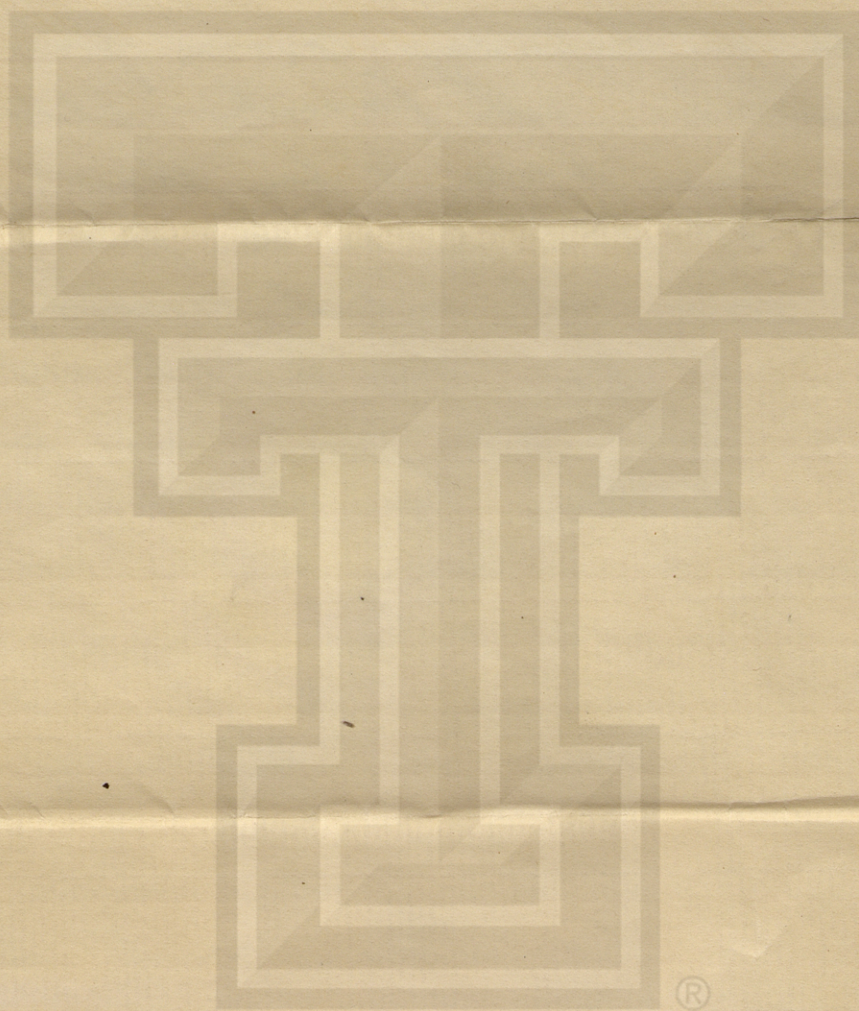

I got home all right on Saturday morn. for breakfast. with family glad to see me as I was to see them

Some pictures in the family while gone. not entirely recovered yet. but hope soon will be all right.

The photos you can keep as you have them. but in some way I failed to get some that I wanted and thought I had bought.

I have duplicates of all you have but one, and that is of my account to me, as I shall. in my girls, would have given them to friends. My pictures look well. Of the picture I sent home by mail. Madame Le Beau & daughter they have framed.

You have this one I think admired it. wish you could visit and see my collection & hope you may soon. Cordially, Mr. John Devery
