Mr. Bidal Agüero
[REDACTED]

Dear Mr. Agüero:

I am pleased to inform you that the Dean of the Graduate School has approved your admission to the program leading to the masters degree with a major in mass communications.

You should consult the Graduate School Catalog for information about the regulations of the Graduate School and the requirements for degrees. Each student is individually responsible for following the printed statements. If you have questions about any of the details, please communicate (preferably in person) directly with the Graduate School Office, located in Holden Hall.

Special conditions of admission:

Sincerely yours,

Dear Dr. Langford:

I would like to take this opportunity to recommend
Bidal Aguero for the fellowship degree program.

Having known Bidal for over 10 years, I have come
to recognize in this man a great potential because
he is intellegent, industrious, and very dedicated.

Careful consideration given to Bidal in this regard
will be most appreciated. Any further information
you may need from me will be gladly forwarded.

Very truly yours,

Froy Salinas
