Dear Z.O.:

Re: Slaughter Judgment.

I am of the opinion that the cost in this case is too high. I am going to check up as quickly as possible. I desire to have the money that I gave to you to be put to the purpose of paying this judgment. That is to say, to be applied on the balance thereof, and I presume that there is no balance owing on the principal, and in as much as there is a difference between us as to the cost, I feel that we can get this matter adjusted.

I do not know whether or not this judgment provided for the additional collector's cost that you have claimed since I gave you the check, and if it did not, I cannot pay this additional collector's cost.

Please be assured that I am not attempting in the least to be arbitrary, but I told you to go ahead and cash the check, because I knew you needed the money. But I am out of funds now, and I do not know when, for sure, that I will have any more.

Expecting to see you at the first opportunity that I have to check up on these matters, I am

Re: Judgment for Taxes on Slaughter
lands.

Mr. Geo. S. Berry,
Lubbock, Texas.

Dear Mr. Berry:

According to my last letter to you the balance owing on the Compton Judgment was \$13.29. There is an item that I overlooked. In a letter to me dated January 31, 1938 you authorized me to issue receipt on the E¹/₂ Tract 60 and use funds of yours on hand to pay for the same. The amount of this receipt is \$15.85. So this amount should be added to the above amount to clear up the Compton Judgment, making a total of \$29.14. Since you have made a substantial payment on this judgment we presume you would like to clear it up without any further costs. Upon receipt of the \$29.14 we will be able to execute release of the judgment and deliver receipts in full.

Yours truly

Mr. George S. Berry,
Attorney at Law,

Lubbock, Texas.

Dear Sir:

I have a copy of Mr. Carl E. Ratliff's letter to you of January 28th, requesting that the delinquent taxes in the above matter be paid on or before February 7th. In a telephone conversation with Mr. Ratliff yesterday, he stated that you had now communicated with him and promised to get this matter straightened out, and I trust you will see that these taxes are paid at an early date.

You have heretofore requested that The Texas Company not pay any of these taxes, for the reason that a settlement was being worked out. We are, of course, desirous that the owners of the lands affected properly discharge these tax obligations.

I should also appreciate your advice as to the present status of each of these suits, and the nature of the understanding had between your clients and the School District about the payment of the taxes.

Very truly yours,

Dear Mr. Slaughter:

I received your letter this morning, and am very sorry to hear that you are ill, and I sincerely hope that you will soon be better and back with us here.

I am going out to Hockley County today, and we are working on the tax matters out there. Robert is still working on a settlement with Andy and is trying to get some more money out of him. He already has part of it.

Robert and Sue Alice are in town today and are getting along fine.

Re: Sundown Independent School District Delinquent Taxes

Dear George:

Will state that the School Board, one of the members of which was in Saturday afternoon and more of them this morning, and asked me to write you and tell you that if all taxes were not paid up to date they are going to have me to immediately file suit on all taxes for 1936 and prior years that have not been filed on.

Now it is not my intention or the intention of the School Board to want to cause you or Mr. and Mrs. Slaughter any further trouble and expense, but they must have these taxes at once. I also am going to have to issue execution on my judgments that I already have if the taxes are not paid. I would be glad to hear from you within the next few days relative to same.

Trusting that you will see that the Slaughters' pay their taxes. I remain,

Very truly yours,

Mr. Carl Ratliff

Dear Carl:

Your letter of January 28, 1938, regarding the judgment is somewhat of a "lick below the belt" just at this time, due to the fact that I have been working with the School Board nearly a year now, paying in money on other taxes, and leaving the judgment in force to get more money, and due to my further arrangement that I was going to attempt to pay all of the 1937 taxes today and leave the judgment in force and due to the further fact that I had given the School Board \$200.00 on the 25th day of January, 1938, with the understanding that no execution would issue if I brought in some more money by the 10th day of February.

Due to the further fact that we had kept the Texas Company pacified on this matter over a period of months in an attempt to keep from getting the hole to them further, this letter and your notice to the Texas Company will, as a matter of course, disrupt all of the arrangements made.

I am very sorry that this has happened.

Dear George:

As you know that I am Attorney for the Sundown Independent School District to collect the delinquent taxes and in the spring of 1937, I took judgment for some taxes and will state that a year is about up now until an execution could be issued, and if these taxes are not paid on or before the 7th day of February, I will see that execution is issued, and that the land is sold for taxes.

Trusting that I will not be forced to do this and that you will see that I get the money on or before said date, and to be sure that I do get the money, I am sending the Texas Company at Houston, Texas, a copy of this letter so that they can see that they are paid on or before said date. I remain,

Very truly yours,

January 31st 1938

Dear Mr. Lincoln

I leave you herewith two checks totaling \$64.36 for the purpose of the payment of the 1937 School Taxes to the Sundown Independent School District for the year 1937 on all of tracts 40- 53 and the west one half of Tract 54-Rob Slaughter Block.

Carl Ratliff xxx has written to the Texas Company relative to the Judgment, and I must hold my funds for the purpose of the judgment or until I can get the matter again settled before going ahead with any other arrangement. It will not be necessary for me to meet the school Board tonight for I do not have anything as yet definit to tell them. Maybe I can see them further in a few days. Do not use the \$134.00 you have on any special taxes until I advise xxx you on which to issue receipts. So much for that.

Now for tract 12 for the year 1937 R. W. Alewine owns the property. Issue School tax receipt as of today, attach the same to draft drawn on Geo. S. Berry, First National Bank, L. L. VILLIARD, Texas present the same to the bank and it will be Honored. The bank Cashier has been instructed and the funds are there to pay it. Thanks. Write me the balance owing on the Judgment. Please
Yours very truly. Geo. S. Berry

Dear Z.O.:

Six cent cotton is playing the "Devil" with the Slaughter tax payments and I have thought that before this we would have the money to pay off all of the taxes owing in the School District, including 1937, but such is not the case and such is not our good fortune. However, I will see you in a few days and hope to have some money.
