Mr. Chas. M. Cree

Sante Fe
New Mexico

Dear Mr. Cree:

Rather unexpectedly the last of those I mentioned in my recent letter sent me \$200 dollars with the promise of a like some additional within the next ten days. I am sending the amount on to you immediately.

I have made the check payable to the First National Bank of Albuquerque so you can handle it any way you find convenient.

The weather is wonderful here now and I wish you were here to enjoy it. The rains have made everything most beautiful.

With best personal regards,

Ernest McDaniel
