Inasmuch as our lease for the store rent expires on January 1st, 1891, & not wishing to keep the store at the present rent. We write you at this date so as to enable you to re-rent the store should we disagree on terms.

Business is such that we are not able to pay more than twenty dollars a month during the coming year of 1891. Should this be satisfactory, you can draw up[®] contract & we will sign it.

If business picks up we of course will be willing to stand a raise in 1892. But as it is now we do not

Dear Sir.

Referring to your statement of
my a/c. Please say for what purpose
the 6.75 was paid to Sr Cardenas.

The guia for fruit shipment Nov 12
shows 1.87 Mex money and if you convert
10.70 into Mex money you will see
after deducting the 1.87 from it that
the brokers charges and drayage is
about \$12.00. I can get goods cheaper
and quicker from San Antonio and
will have to do so in the future.

Last year my business amounted to
a little over 13 thousand dollars
for supplies and c. and I have
always received from brokers a guia
with itemized statement but since my
dealing with you it is different. you
simply charge me with money paid

out and dont say what for.

I have ^{never} claimed there was
any intention to defraud but I
claim your statements are not
explicit enough and you are too
slow in filling orders. Orders are
received in less time from
San Antonio and Monterey.

The bal due will be
arranged in a few days
Yours truly,
L. Robo.
