HOESTENBACH

Had I been present I would have voted "Yea" on Record Votes 2 and 3.

REASON FOR VOTE

I voted against the Vick amendment to Article X (Record Vote 8 on Saturday, June 8) because its adoption would have destroyed the boundary lines of all rural school districts and most urban school districts and, consequently, their ability to provide first class education. Further, the amendment was clearly in violation of federal law and the federal constitution. While I favor neighborhood schools and local control and would not support bussing of school children merely to achieve racial balance, I feel the Vick amendment was misleading in its effect and that it would have created more problems for our schools.
