Chaplain (Lt Col) William H. Dickinson, Jr.

Dallas, Texas

Dear Chaplain:

Reference is made to National Guard Training Memorandum No. 1, Headquarters Fourth Army, 10 December 1952, pertaining to the 1953 summer training of National Guard units in this Army area. The following is quoted therefrom:

"16. ARMY RESERVE TRAINING.

a. Where acceptable to State authorities, and in conformity with the needs of the Army Reserve, it is desired to train Reserve officers and enlisted men with National Guard units during 1953 field training to the extent most advantageous, mutually, to the National Guard and Army Reserve.

b. Requests for assignment of individual reservists will be forwarded to this headquarters, Attn: AKADC-D(NG), not later than 15 January 1953."

Your attention is called to the fact that it is possible to use Reserve Chaplains in addition to your National Guard Chaplains to insure complete chaplain coverage of your Division during the summer training camp.

In view of the fact that the consolidated request is due at this headquarters not later than 15 January 1953, I suggest, if you have not already done so, that you communicate your needs for Army Reserve Chaplains to your Division Headquarters without delay.
