Dear Julia:-

I was happy to
receive your nice letter
yesterday - and answering
right away because I'm
going to San Antonio
this morning for a few
days.

Hazel's, youngest daughter
Marjorie and little son
are leaving Monday for
California, where they will
take a boat for Japan, to
be gone for three years.

I want to see them before they
leave. then too I want to go
and see sister Alma, she is
still very ill.

Dr. Sage is the worse
case he has ever had in
his twenty nine years of
practice, she is so nauseated
all the time. I'm so thankful
she is with Lillie. I write
you when I return as to how
she is. Beebie, is doing fine
she looks better.

Well, I guess Rudolph and
Goldie, are on the high seas
now. They sailed at noon
Wed. on the Queen Elizabeth
