Dear Julia

I received your letter. I am writing in a hurry. As I am looking for Mrs. Putnam any minute to come for me. I am to spend to day and night with them. Kate and me spent Wednesday & that night with Lessie. we had a good time. yesterday Lessie took all all mile miles in the country to spend the day with Kate & Lora. Kate had a good old country dinner and

enough ice cream to
last all day. none of
us wanted any supper.
If nothing prevents?
I am going to Dad's next
Wednesday, the 8th
I am having the very best
time. they think it terrible
I am not going to stay
with them longer.
I hope you are all well
and getting along finely
Best love to you the boys
and Gladys.

Sincerely
Mama.
