Dear Sir

Texas

Your valued favor to hand
in regard to Onions we did not think
you had any preference, thinking
soundness the main consideration. In
regard to Cabbage we only ship fresh
Cabbage fine & green perhaps the
ice gave out in car in which case
you should file a claim - We are
sorry things were not entirely to
your satisfaction & promise extra
care & attention - We would you
the other day & to day again were
your closest prices - You are aware
market fluctuates & that mail price
list are sent out to attract attention of
the house sending them & is a business trick
Trusting OK Yours Resp B. Baer to
