Dear Cousin Julia,

Mother spent Friday
and Saturday (after church-
giving) with us. She told
us of Aunt Mabel's passing
away.

We have the deepest
sympathy for all of you.

It is a blessing that
she did not have to
linger and suffer any longer.
While I know you all
realize this, I don't make
it less hard for you to
spare her. You will
miss her in so many
many ways. She was

such a good, sweet, and
lovable person, I'm happy
I know her as well as
I did. Please give our
love and sympathy to
her other children.

mother understood
that you would go and
stay with your daughter
and her family for awhile.
I know that the change
will be good for you
and that you will en-
joy being with such a
charming family.®

Howell has been out
on a trip to Denver
and in between places
for the past two weeks.

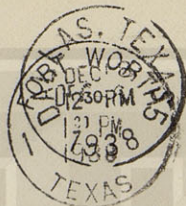

He came in Friday night and
had to leave for San Antonio this
morn. we wait get to see
much of him until Christmas.

we are expecting mother to
come here for Christmas, so we
are getting quite excited. The children
say they can't wait for her to come.

we hope you are feeling
rested and better soon. Love from
all of us.

Betty.
