INTRAMURALS

show most Techsians are sports
participants as well as spectators

EDSEL BUCHANAN
Director of Men's
Intramurals

A total of 72.6 per cent of the Texas Tech student body (male) participated in the men's intramural program during the 1961-62 school year. The total included 7,012 male students, enrolled in the five undergraduate schools, Edsel Buchanan, director of the men's program, reported.

Each student participated in one or more of the 21 sports offered in the program, with 737 in basketball and 736 in touch football. The next highest sport was softball with 682 participants.

Other sports in the program included swimming, track, volleyball, basketball free throw, league bowling, golf, table tennis, tug-o-war, tennis, badminton, wrestling, weight-lifting, fencing, handball, trampoline, boxing, and horseshoes.

"The growth of intramurals at Tech has been most gratifying," Buchanan said. "During the past two years we have moved into an expanded program which should result in continued growth on a larger scale."

A total of 26,125 spectators supported the intramural program. This was an increase of more than 4,500 from the previous year. The students took part in four classes — fraternity, dormitory, independent and open leagues.

ATHLETIC COUNCIL

The athletic council is made up of six faculty members appointed by the President, a representative from the Ex-Students Association, and a student representative from the Student Council. They report to the President directly on the affairs of the athletic department.

The council determines the policies of the athletic department concerning: finance, personnel, schedules, eligibility, lettermen, Southwest Conference affairs, and NCAA matters. This is subject to the President and the Board of Directors of the College. Dr. J. William Davis heads the council.

"SUPPORTING TEXAS TECH ATHLETICS"

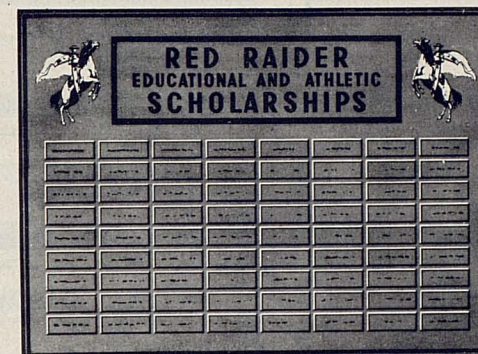

Red Raider Club

1962 - 1963

EDUCATIONAL AND ATHLETIC SCHOLARSHIP PROGRAM

Two handsome plaques are displayed on the campus—in the Athletic Department's lobby located at Jones Stadium and at the main entrance of Lubbock Municipal Coliseum. Each plaque, 44"x60" in size, presents the names of 72 sponsors.

Instituted in 1958, this scholarship program provides each year to more than 60 young men with athletic and academic abilities the opportunity for a college education. Through the program, which is supervised by

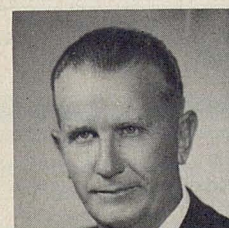

the faculty sub-committee on athletic scholarships and supported by the Red Raider Club, many deserving athletes have been prepared as leaders in the civic and business life of West Texas and the nation upon their graduation.

Enthusiastically welcomed by business leaders over the Southwest and other friends of the college, the program carries the endorsement of athletic governing bodies and provides a stabilizing athletic program for Texas Technological College.

your support is recognized in Bronze Plaques

A separate engraved name plate for each sponsored scholarship appears on each of the Appreciation Plaques in recognition of the valued support of Texas Tech's athletic program by individuals, community Red Raider Clubs and business enterprises.

ROBERT J. WALKER
Past President

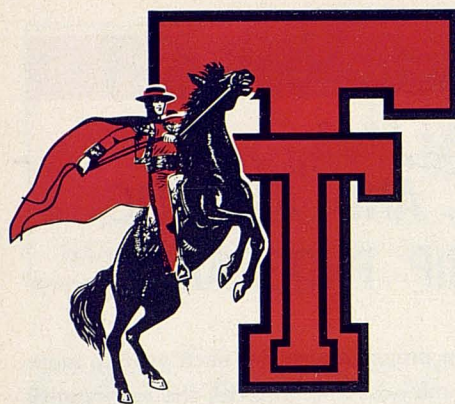

RED RAIDER FUNDS ARE USED TO FURNISH QUALIFYING ATHLETES WITH ROOM, TUITION FEES AND BOOKS

LEETE JACKSON
Executive Vice President

Red Raider Club members have the satisfaction of knowing they are helping worthy young men obtain a college education and helping build an athletic program which the college deserves. For you to participate, you may request details from the club's executive vice president, Leete Jackson, Box 456, Lubbock, Texas or call POrter 2-8680. As a member you will receive each week during football season, and at intervals throughout the year, a letter, reporting on Tech's athletic program. Only distribution of the pressbook, published by the Athletic Department for sports editors of press, radio and television, is made to members of the club. Red Raider Club members have game ticket priorities, attend "quarterback" luncheons each Monday during football season and the All-Sports Banquet held in the spring to honor all Tech athletes.

Join the Red Raider Club... we want and need your support regardless of the amount of your contribution... any in excess of \$10 are tax deductible.

BACK JUDGE
Barney Welch

...a salute to a leader!

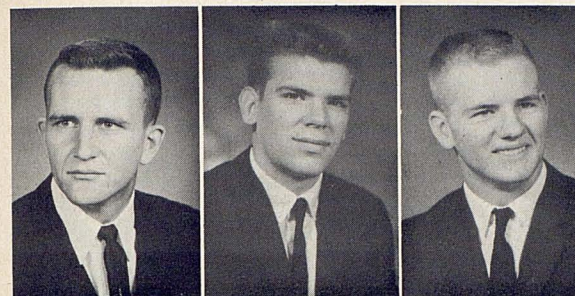

Coordinating the largest group of Texas Tech coeds is Rowena Williams of Lubbock, president of the Association of Women Students. The senior English major is responsible for directing all women's activities through the AWS. She has served as president of the Junior Council and Delta Delta Delta. Featured in last year's "Who's Who," she is a member of Mortar Board, the Pre-Med Club and the President's Hostesses.

And anyone who directs women's activities, and combines that with hostess duties can tell you that there's no better helper than Piggly Wiggly. That's where they keep the gals in mind, with pleasant shopping, easy parking, lots of conveniences, and budget-wise prices!

Piggly Wiggly

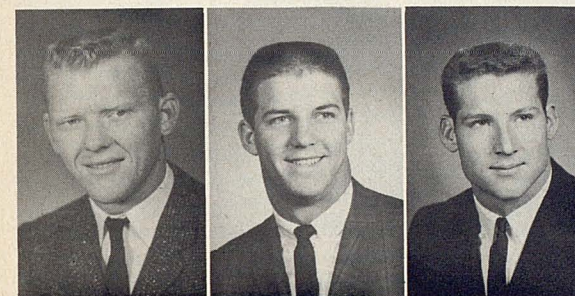

TACKETT WATKINS McWILLIAMS

79 STEVE TACKETT — 214, 6-3, 19, Soph-Fn, Weatherford — No. 2 freshman tackle behind McDaniel last year . . . lettered in football, basketball, baseball in high school. H. W. Wilson. Arts and Sciences.

STUDENT MANAGERS — If coaches had to handle the innumerable details connected with conducting practices and getting equipment and uniforms ready for a game, results would leave much to be desired. Texas Tech is fortunate, therefore, in having a quartet of student managers, headed by senior Jerry Wiley of Lubbock, to assist the coaches. With Wiley are Jay Puckett of Rosenberg, a sophomore, and freshmen Russell Welch of College Station, John Read of Lubbock and James Tollett of Brownfield.

STUDENT TRAINERS — Texas Tech's trainer, Don Sparks, speaks highly of the student trainers he has to assist him keep the Red Raiders well and to help administer aid or treatment to those injured. Charles Steinman, Abilene senior, is the chief student trainer, aided by Doug Cowan of Odessa, David King of Andrews, and Wayne Jennings of Tulia.

West Texas State In A Nutshell

LOCATION — Canyon, a town of 6,000, in the heart of the Texas Panhandle. Situated 15 miles south of Amarillo, a fast-growing western metropolis of 150,000. The campus is on 80 acres in east Canyon, plus a 400-acre farm for the agriculture department, and sets on the 8-lane Amarillo-Canyon Expressway.

ENROLLMENT — 3700 (expected in fall, 1962)

CONFERENCE — Independent.

COLORS — Maroon and White.

NICKNAME — Buffaloes.

STADIUM — Buffalo (20,500). New natural bowl opening in 1959, 2 miles north of Canyon and 13 south of Amarillo on expressway.

PRESIDENT — Dr. James P. Cornette.

ATHLETIC DIRECTOR — Frank Kimbrough (former head football coach at Hardin-Simmons, Baylor, and West Texas).

FOOTBALL COACH — Joe Kerbel (Oklahoma, third year).

ASSISTANTS — Jack Harris, Howard White, Joe Rector, Billy Willingham.

SPORTS NEWS DIRECTOR — Ray Franks.

Season Prospects

The 1962 West Texas State football team will be a study in contrasts. The Buffs will have an experienced backfield to run behind a young and inexperienced line.

Coach Joe Kerbel's club, owner of a 6-4 record last fall against a rugged schedule, has 17 lettermen returning. Only one—All-Border Conference guard Stu Johnson—is a starting lineman. Graduation took the team's first four ends, the two starting tackles, one regular guard, and the top two centers.

The high-scoring backfield, which averaged 30.9 points per game last year, returns intact and only one member of the second unit backfield is gone. Pistol Pete Pedro, the sophomore whiz who scored 22 touchdowns and gained 966 yards rushing, heads a fast-stepping backfield. His counterpart at halfback is Jerry Logan, a 175-pounder who is not as fast as Pedro but does everything well on offense and defense. Quarterback Jim Dawson, a veteran from Borger, is one of the best, and fullback Ollie Ross, a 215-pound pile-driver, gives the club good power. Ross gained 346 yards rushing for a 5.1 average, and scored 30 points.

Backfield depth will come from Jerry Richardson, a 6-3, 180-pound junior speedster who led the team in pass-receiving last year; Hoot Gibson, a crazy-legged junior quarterback; Woody Prude, 170-pound Compton (Calif.) JC speedster; David McInturff, 160-pound junior halfback; and fullbacks Leslie Rolando, and Russell Mundy.

"Our young players in the line will have to come along fast for us to reach the stature of last year's team," said Coach Kerbel.

Should a gentleman offer a Tiparillo to a lady?

What is the story of this remarkable new smoke by Robt. Burns?

If she enjoys smoking a cigarette, why not? The Tiparillo* is slim, neat, mild as mild can be. Go ahead, offer her one.

But although Tiparillo is not "men only" it is "men mainly." And that new pliable, pearly tip pays more than just lip service to your smoking pleasure. It's your mouthpiece to the careful blending of choicest imported tobaccos. Tiparillo has

the kind of flavor you don't have to inhale to enjoy... peace of mind in every puff. Moreover, there's the exclusive veinless Ultra Cigar Wrapper* that burns so evenly and smoothly it insures complete mildness.

The surprisingly whiter ash is visible evidence of Tiparillo mildness. And that's your best smoking tip for today. Only 5¢ each. ONLY 5¢? Yes, only 5¢.

*T. M. GENERAL CIGAR CO., INC.

Tiparillos are on sale at this stadium.

Join the National Football Foundation

HELP US TO BUILD THE HALL OF FAME

*We earnestly solicit the support of all football men . . .
We invite all enthusiasts of the game to become members . . .
We hope all will become active in their hometown chapters*

The National Football Foundation is a nationwide organization that enlists everyone interested in the game for a purpose that truly serves American youth. That purpose is to promote football as an integral and wholesome part of our educational processes and to encourage the beneficial direction and playing of the game throughout the country.

To achieve its purposes the Foundation seeks to establish the true concept of football as an amateur game and to gain recognition of the important role it plays in the preservation and advancement of our way of life. It endeavors to obtain those goals by disseminating substantive information through its own publications and the other media that reach the public, and by honoring in the Hall of Fame those players and coaches whose deeds and lives during and after their playing days have been exemplary and inspiring.

NATIONAL SYMBOL

The Hall of Fame, although it plays a prominent part in the work of the National Football Foundation, and is a challenge to all those interested in the game, is only one of the activities of the Foundation. However, it is the living symbol of the Foundation, and the focal point of its many interests.

"Just wash it"

It's time for this '62 Buick to have its 1,000 mile inspection but the only way to know it is to read the odometer. The owner can't think of a thing his new Buick needs except a wash job.

This is happening hundreds of times every day in Buick Dealers' Service Departments right across the country.

The 1962 Buick is setting records for trouble-free performance. And this is no accident. This '62 Buick is the end product of intense "reliability programming" at every step of the way, in design, in engineering, and in the manufacturing and inspection of every one of its nearly 7500 components.

Behind this car is 3,400,000 miles of testing in 33 states

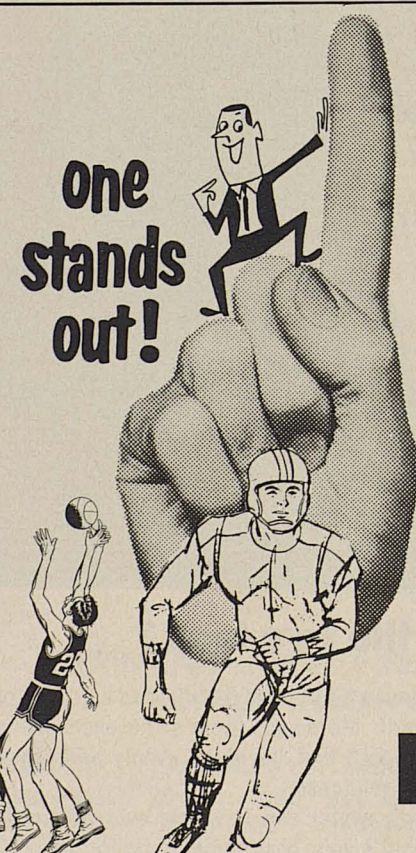

—over all kinds of roads, in all kinds of weather, through all kinds of traffic. Why has all this been done? A matter of pride and good business . . . to make certain that the 1962 Buick will be as fine a performer and as reliable a car—regardless of price—that anyone can own today.

By the way, the Buick Service Manager will do more than wash this car. He'll give it a good thorough check-up, just because he loves it.

It's a great experience to own and drive a 1962 Buick. Why not make this your Buick year? Your nearest quality Buick Dealer will put you at the wheel of any Buick you choose. Buick Motor Division, General Motors Corporation.

Valuable Members of Texas Tech Athletic Department

Athletic Director Robison coached Texas Tech (his alma mater) to its first SW Conference basketball championship in 1961. He serves on the rules committee of the American Basketball Coaches Association.

Academic Counselor Prestwood sees the viewpoint of player, coach and instructor for he has been all three. He supervises study halls four nights a week and confers with athletes and their professors regularly.

Trainer Sparks in addition to his football duties is track coach. He coached Little Rock Central to four state titles and coached one year at Tulsa University before coming to Tech in 1958.

Sports News Director Holmes keeps a busy schedule feeding news stories and pictures to press, radio and television sports newsmen. He is the department's statistician on players' accomplishments.

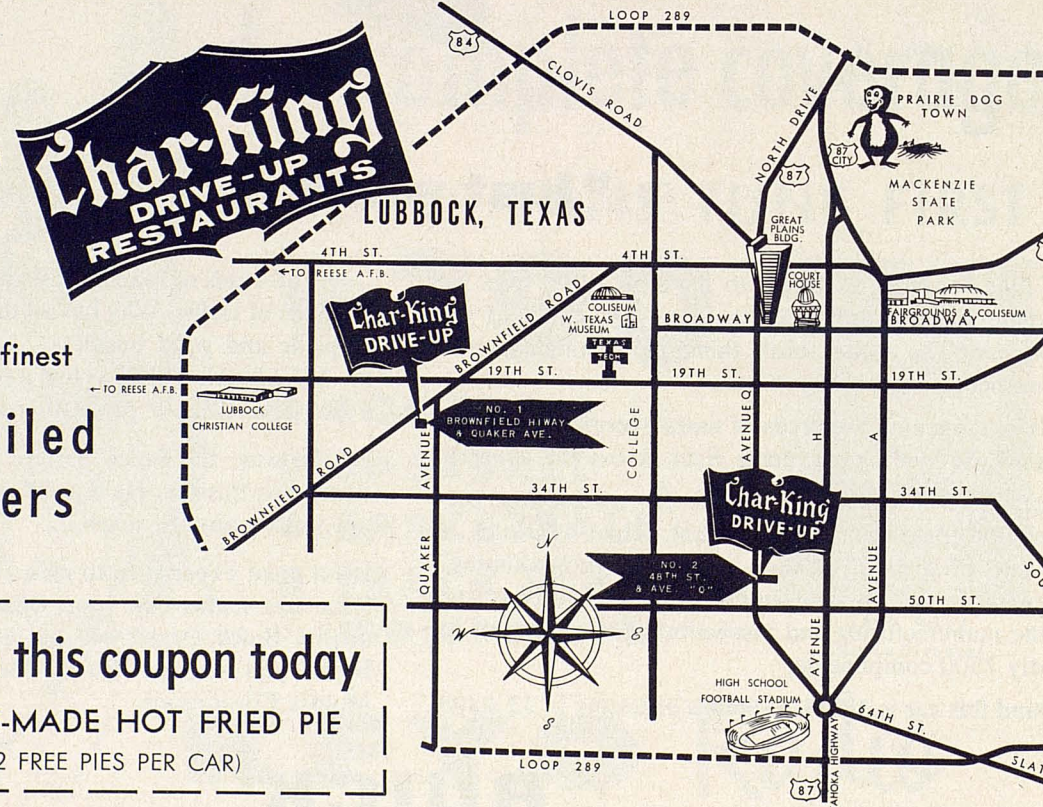

Ticket Seller par excellent! That's Mrs. Mildred Wright who has the all-important job of ticket manager for all athletic events on the campus. She has been satisfying fans since 1954.

Watch Future Raiders In Three Tilts This Season

Fans living in West Texas are afforded four opportunities to watch the Texas Tech Picadors in action this fall.

These occasions are an intra-squad game, for which no charge will be made, and contests with the Hardin-Simmons B team and the Rice frosh, all in Jones Stadium, as well as a game with the West Texas State B team in Canyon.

Texas Tech will also meet the Arkansas Shoats in Little Rock and the North Texas State Eaglets in Denton.

Berl Huffman, the veteran who returned to Texas Tech last year, will once more coach the Picadors. Student assistants will be Larry Mullins, former Red Raider tackle from Snyder, and Eldon Hawley of Forrest City, Ark., former Arkansas State (Conway) player, enrolled at Texas Tech following high school coaching experience.
